DEDICATION FOR 1975 GOES TO LOUIS, LLOYD

Hard work - dedication - going the extra mile - these phrases best describe the two men to whom this edition of the Chieftain is dedicated.

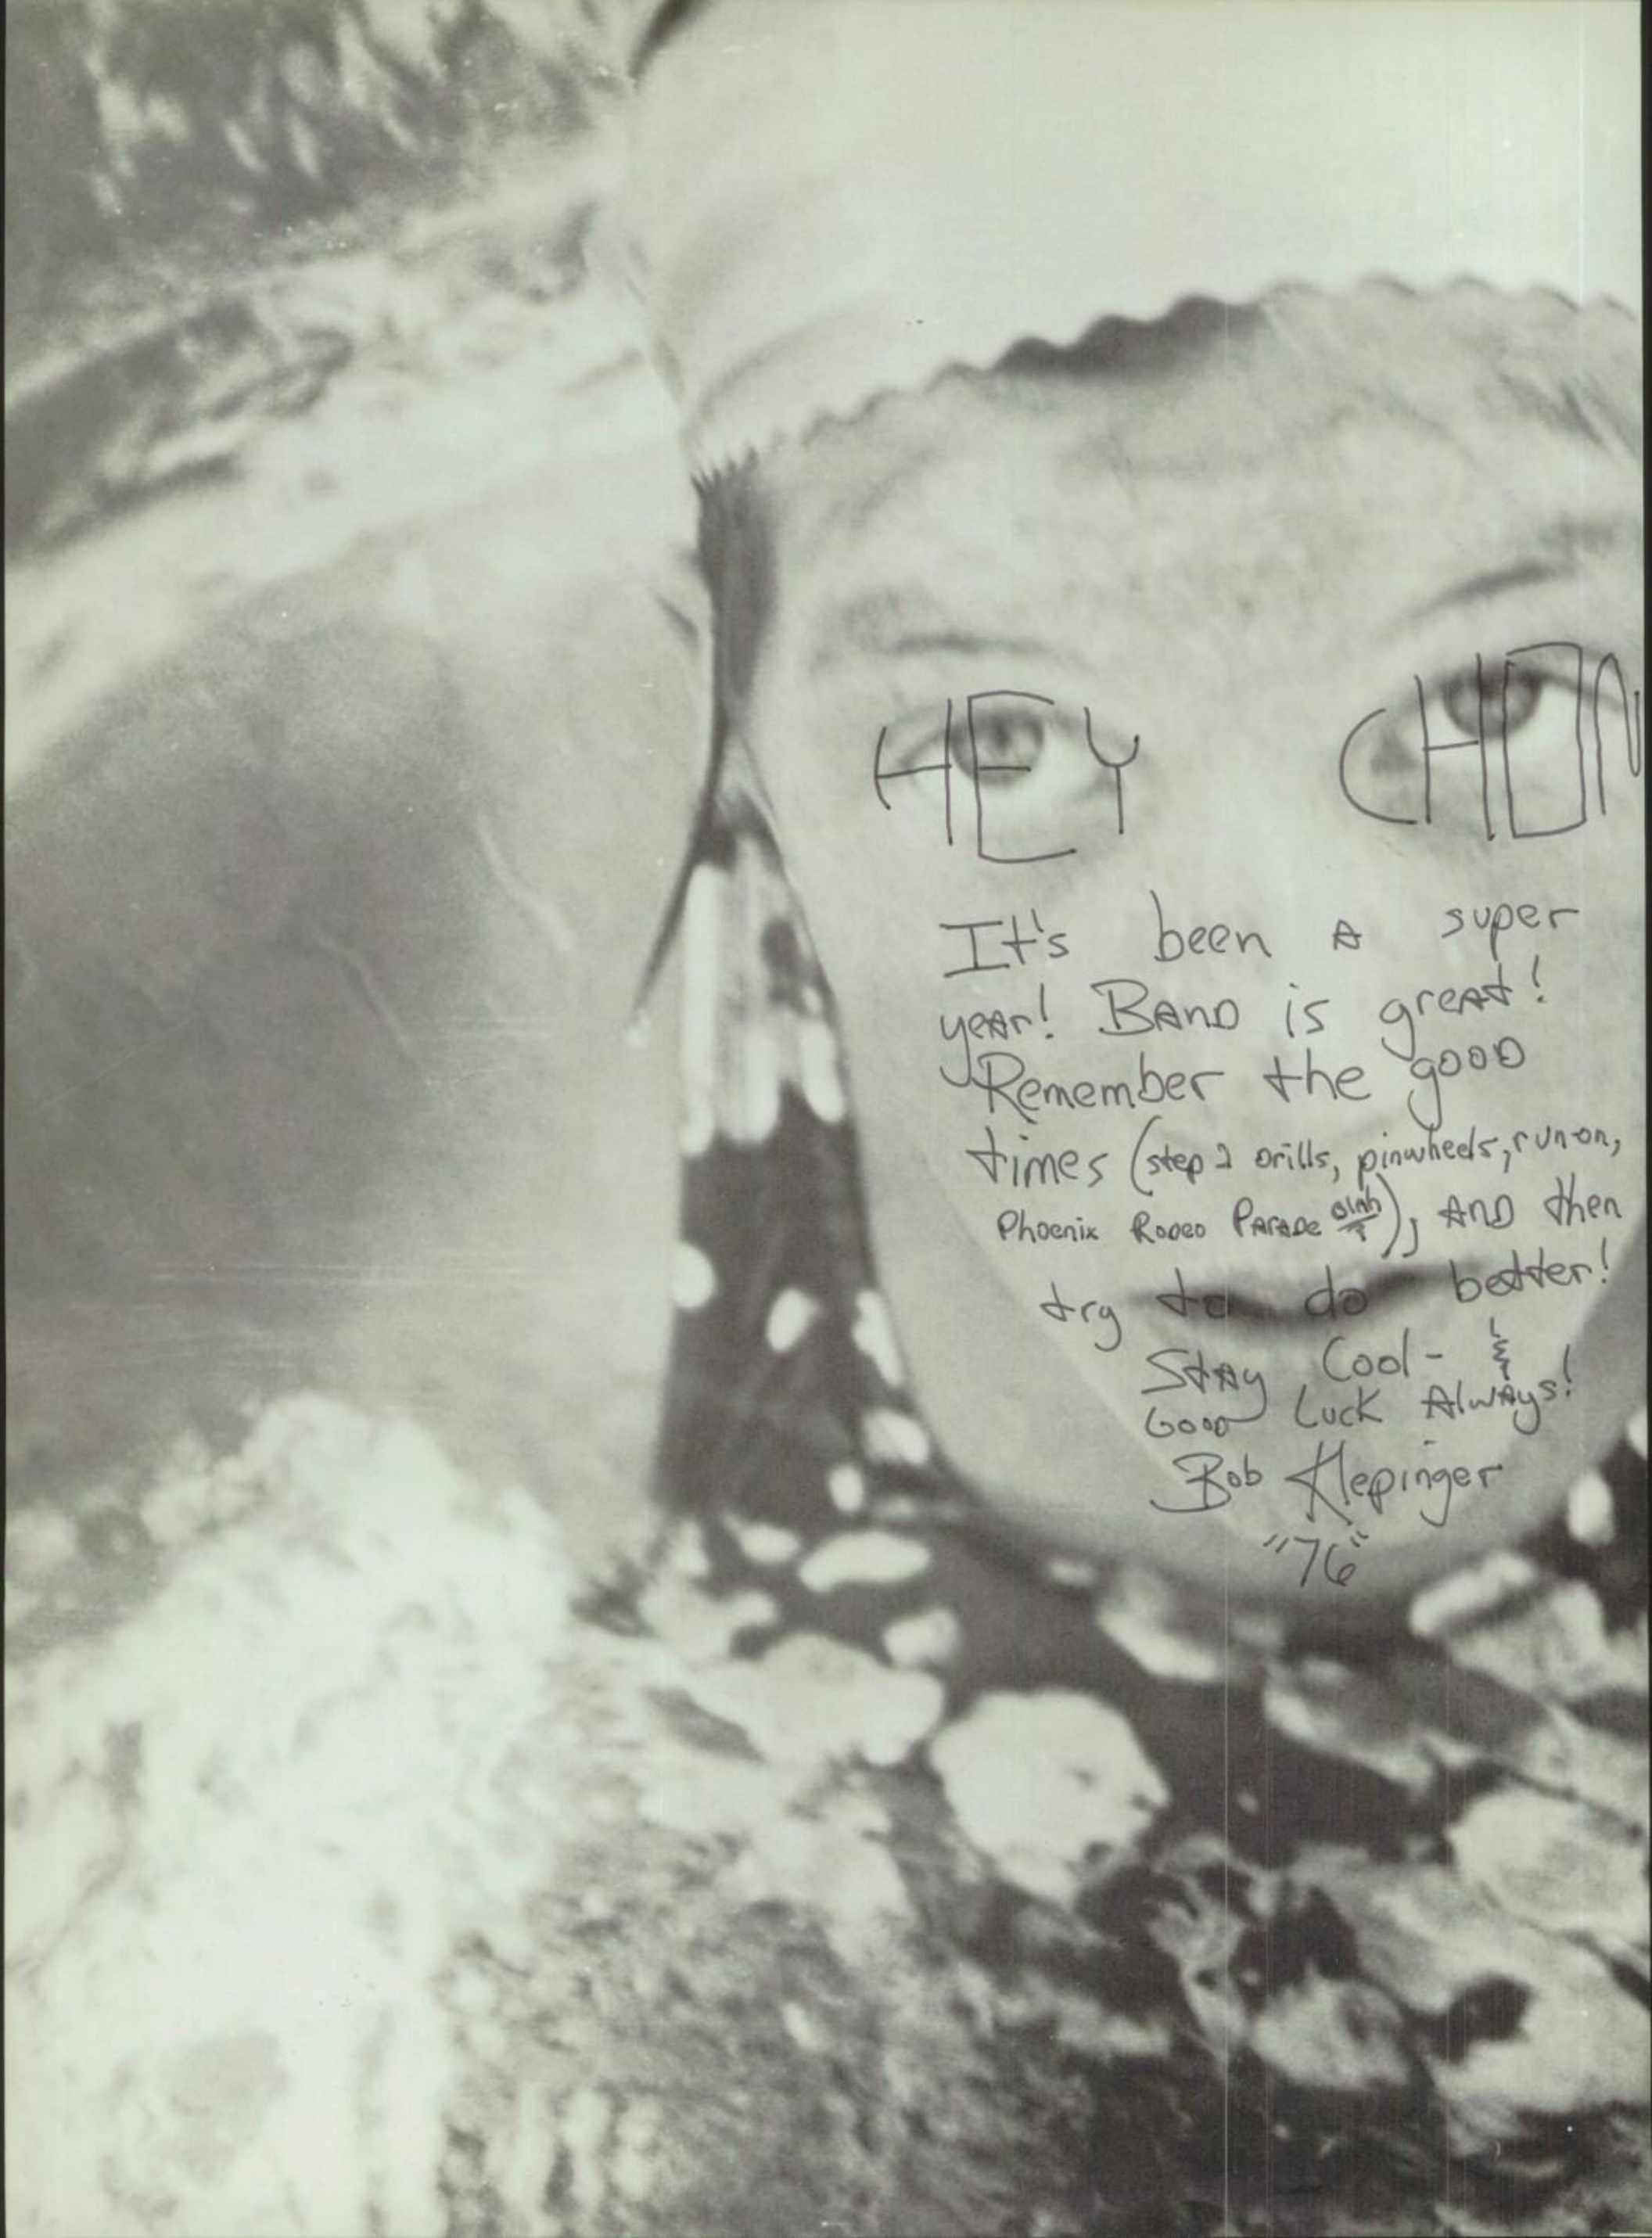

Joe Lloyd has been with us since 1964. During these past years he has directed and developed one of the finest bands in the state. As chairman of the music department he has led his fellow teachers and students to think, do, and be best. He is the type of person who will put in extra time and effort for his students and for the betterment of this school.

And speaking of extra time, Mr. John Louis, too, put in his hours. As an auto mechanics teacher he instructed his students well. But it is the extra time that he spent that means so much to us all. He worked many hours as an unpaid football coach. He loves young people and wants to help them in every way. Both these men are assets to us and we should truly be proud of them.

OPPOSITE PAGE UPPER LEFT: There's a lot of conferring done between a coach and a quarterback as Jeff Pico finds out. LOWER LEFT: Edward Logan and Mr. Louis are looking over a fender that's just about to be painted before deciding how best to do the job. TOP LEFT: "More Volume" is what Joe Lloyd seems to be saying while holding a practice session on the field. TOP RIGHT: "Will they win the game?" wonders Mr. Lloyd. Things look pretty tense right now. BOTTOM PICTURE: "Now this yearbook picture is going to be good" is what Mr. Lloyd seems to be saying as he lines up his bandmen.

HEY CHEN

PEP SQUADS ADD TO SPIRIT, ENTHUSIASM

"All for one, one for all, we're all for Westwood!" Our seven ever-energetic Varsity cheerleaders kept spirit running high as they brought a sense of unity to Westwood fans. The Varsity and J.V. cheerleaders spurred the mighty Warriors on to victory and helped soften the occasional crunch of defeat. This year, two boy yell-leaders took the place of the traditional mascots, helping to boost the spirit at games.

The lovely Warriorettes entertained fans at half-time during the football and basketball games. The girls performed dance routines with the Warrior band, and they also displayed their athletic skills with interesting pom-pom designs, showing superior style and enthusiasm.

Each one of these girls will be remembered for the hard work she has put into keeping Westwood's spirit high.

CROSS COUNTRY HAS UNDEFEATED SEASON

When cross country coach Jerry Jobski called this year's season one of "rebuilding," he obviously underestimated the efforts of his young team. For Jobski's harriers ran their way past many hurdles en route to a perfect 9-0 record, including a very satisfying upset win over tenth ranked Marcos de Niza.

Three medal winning runners who starred for the Tribe during the season were juniors Jack Arnold and Richard Birberick, and senior Fred Tau. While these three runners led the Warriors to a fourth place finish in the Division, a host of juniors made up the bulk of the team. James Babcock, David Honetschlager, and Wade Felkins all will return next year after an outstanding season. Only Tau will be lost to graduation and two very capable sophomores, Mark Kranich and Pete Bradshaw, will take his place. The Warriors will really "give 'em heck" next year.

7-3 YEAR GAINED BY ALL-AMERICAN BACKS

For coach Joe Pico, it was a very learning year as a first year head coach. He had to deal with problems such as inexperience, injuries, and the flu bug.

As far as the inexperience goes, Coach Pico had a total of thirteen lettermen returning from the previous year. Of those thirteen, only five of them were starters on offense or defense.

Westwood was blessed with the best one-two punch in the state. Running back Ronnie Boner and fullback Al Glasenapp were both chosen as All-Americans. These two players were both scouted very heavily by college scouts throughout the year.

Outstanding games for the Tribesmen were against Mesa, Coronado, and McClintock. Against Mesa, the game was a defensive battle, as the final score was 13-6. The Warriors exploded in the second half against Coronado, to give them a 48-18 victory. Homecoming grads were delighted with a thriller, as Westwood scored in the final three minutes to beat McClintock 20-14.

CHAPARRAL RUINS CINDERELLA CAGE SEASON

The "experts" picked the Warrior basketball team to finish in the middle of its seven-team league. The "experts" done made a big mistake because Coach Bud Doolen's squad snared second place in the bracket behind Coronado.

The Braves took a 9-3 league mark and a 16-6 overall record into the divisionals. In the first round, the Tribe turned back a dramatic Mesa rally and tipped the Jack-rabbits in overtime by one point. However, the walls came crumbling down the next night when Chaparral knocked the Braves out of further competition.

Westwood relied on balanced team play throughout the schedule. Forwards Steve Blau and Brian Stolk provided frontcourt muscle while J.C. Jackson and Mark Stephenson took care of the guard positions. Center Matt Boettcher was the only junior to crack the starting lineup.

ADVANTAGE IN HEIGHT ASSISTS JV QUINTET

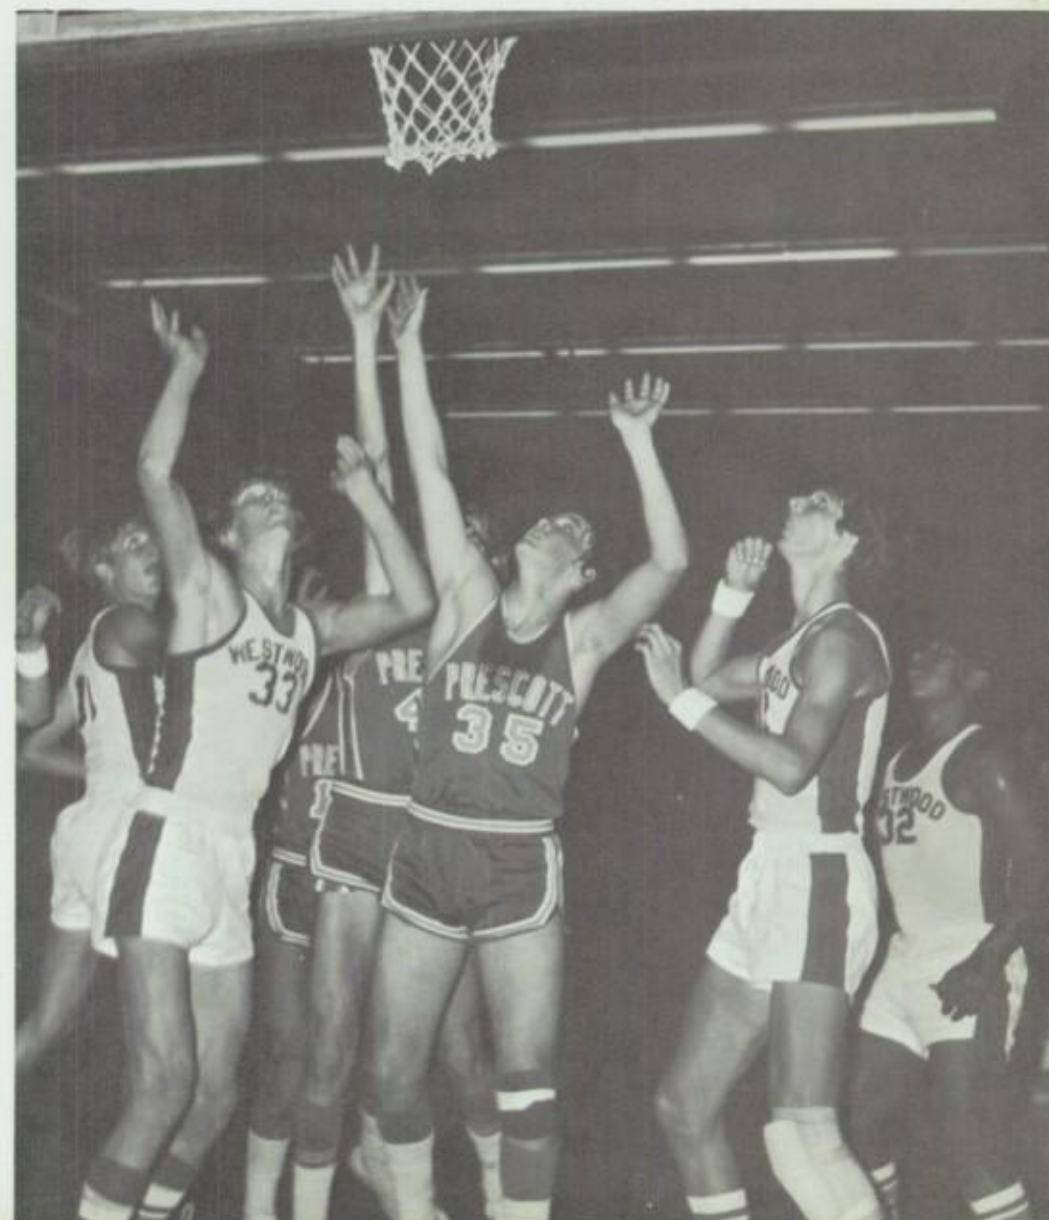

With Coach Dennis Pipes making his debut at the helm, the Tribe's high caliber Junior Varsity cagers racked up a 17-2 record. Both losses came at the hands of powerhouse McClintock.

One of the key factors in the Warriors' success was their height advantage. Doug Purdom, the team's leading rebounder, and Bill Crandell, both 6-6, were a towering dual that few squads could match. Forward Bill Webster combined with the two frontcourt giants to lead the scoring assault that saw Westwood outgun opponents by an average of 63.2 to 47.3 points per game. The Tribe offense chalked up 1200 points on the season while the defense held the enemy tally to 898.

Dennis Chiago and Joe Clark started for the Braves in the backcourt and the bench provided spark in the names of Lyle Bighorn, Bruce Cooper, C.K. Sato, and Don Wynn.

RIGHT: A host of Westwood Warriors move in for rebounding position as the ball bounces on the rim.

DEFENSE KEYS UNBEATEN JV GRID CAMPAIGN

The Junior Varsity football team swept through its schedule with nine wins and a tie, and in the process became the first JV club since 1966 to go undefeated. A bruising defense that tied a non varsity record with five shutouts was the key to coach Gates' near perfect season. Linemen Dennis Marlow and Alvin Ringer, linebacker Mark Gutierrez, and defensive back Lyle Bighorn played major roles in plugging the enemy attack.

Offensively, the team relied on ball control. Tailback Dennis Chiago, wingback Mitch Elesperger, and fullback Scott Boyce provided much of the firepower. Steve Arnett called the plays and Bill Webster was his primary receiver. Guard Joe Farnsworth and center Eddie Hill played well in the trenches for the successful squad.

The Apache gridders closed out their season with a 5 and 5 record. The record doesn't tell the true story though, as they were in all but two games until the final gun. They lost three of the games by a total of twelve points.

Outstanding games were the 16-14 and 28-0 thrashings of Coronado, and the 14-0 whitewashing of Casa Grande.

Leading the way for the Apaches were running backs Gary Bonner, Willie Lott, Ron Staebell, and Gary LeSueur.

Top linemen were Clay Smith, Steve Johnson and Roger Toone who opened the holes and led the way upfield.

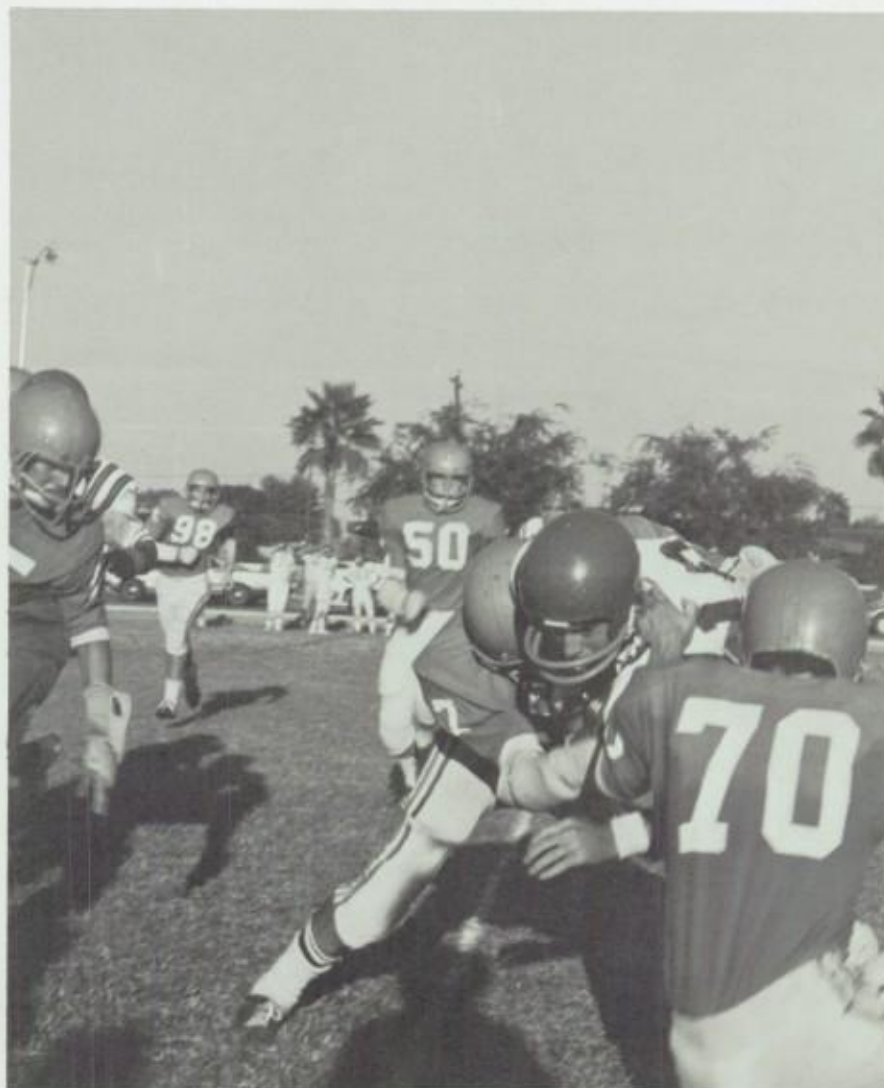

Coach Thomas feels many of these players will move up to be outstanding varsity players next year.

OPPOSITE PAGE-TOP: Turning the corner and heading upfield picking up valuable yardage is Gary Bonner. UPPER RIGHT: "Why me?!" exclaims Coach Thomas on another debateable call by the officials. LOWER RIGHT: Making the big stop is a host of Apache gridders, on a shocked Coronado running back. BELOW: Receiver Leon McClelland fakes right and fakes left putting the move on two enemy defensive backs, in route to making another big catch for the Apaches.

It was a welcome back year for Coach Ken Haddad who previously coached at Westwood in the earlier years.

The grapplers went nine wins and just two setbacks at the hands of Mesa and Tempe. The loss of some tough men early in the year hurt greatly.

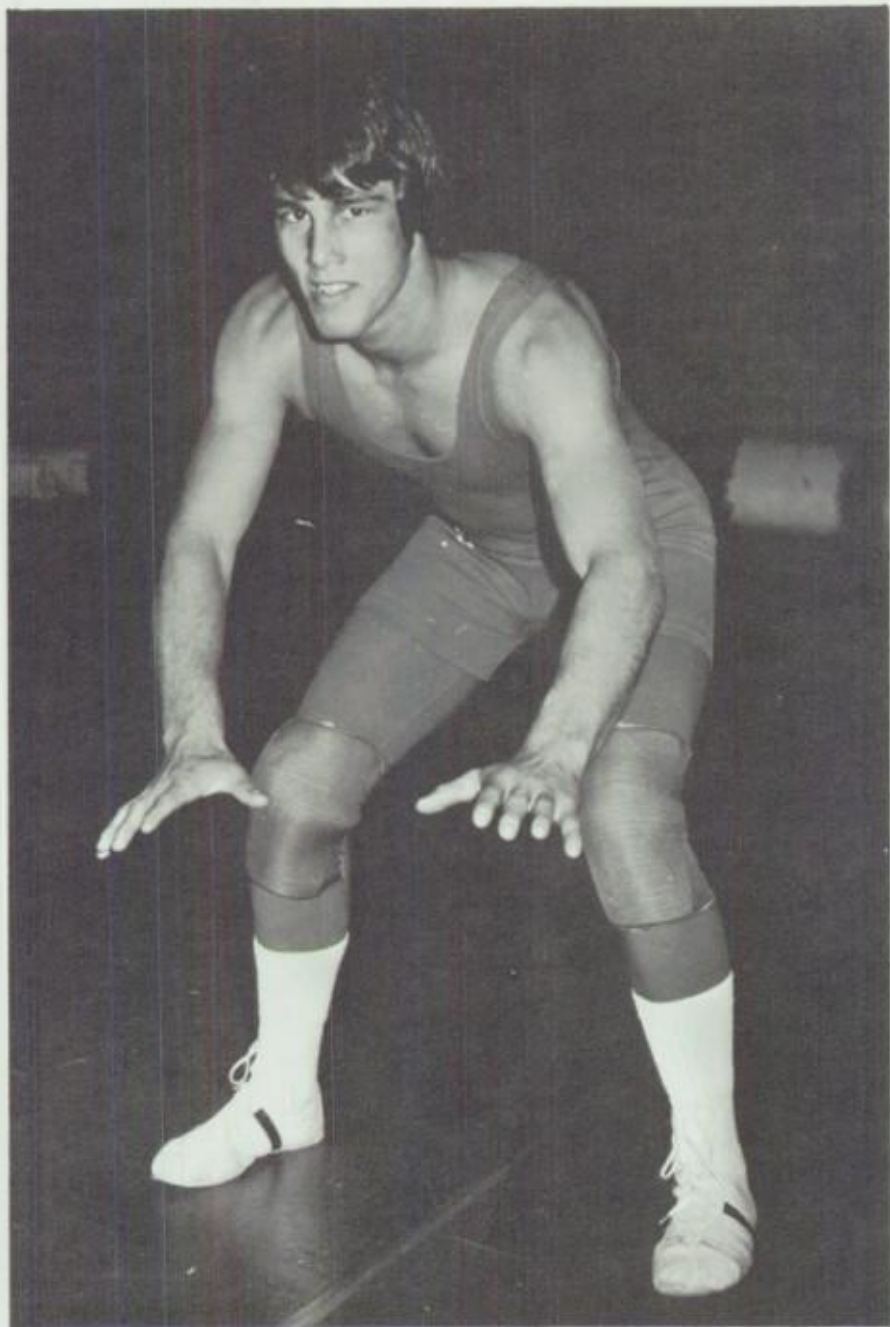

The Warriors did well in Tournaments this year placing third in the Scottsdale and sixth in the Peoria Invitationals with Steve Rangel taking first.

Five men were sent to state as they took 5th in divisionals. The men who led the way were Pete Hansen, Steve Rangel, Allen Ray, John Connolly and Brian Solomon who placed first. Another good wrestler who was consistent all year was Don Brown. Don was kept out of state by a bad call which disqualified him. Henry Descheeny, and Bart Day came on strong throughout the year also.

Coach Haddad sees a bright future as a lot of his wrestlers will be coming back next year.

LEFT: "Holy smokes! Look at that ball go!" Steve Boese of the JV team mutters to himself after slamming the ball across the court. ABOVE LEFT: "That was an easy one," laughs Dean Frazier after tipping a short shot over the net. Dean was one of two sophomores who made the varsity squad. ABOVE: "Take that!" Matt Smith seems to be saying to his opponent. A junior, Matt was one of the top players on the team and was particularly adept at keeping the ball alive under difficult circumstances.

FORMIDABLE COURT HUSTLERS RAKE IN WINS

If there is anything better than good quality, it's good quality in good quantity. And that's precisely what Coach Richard Hawkins had in the bag with his '75 boys' tennis team, which was one of the most formidable ever assembled at Westwood. The Tribe simply outclassed the opposition with some polished play.

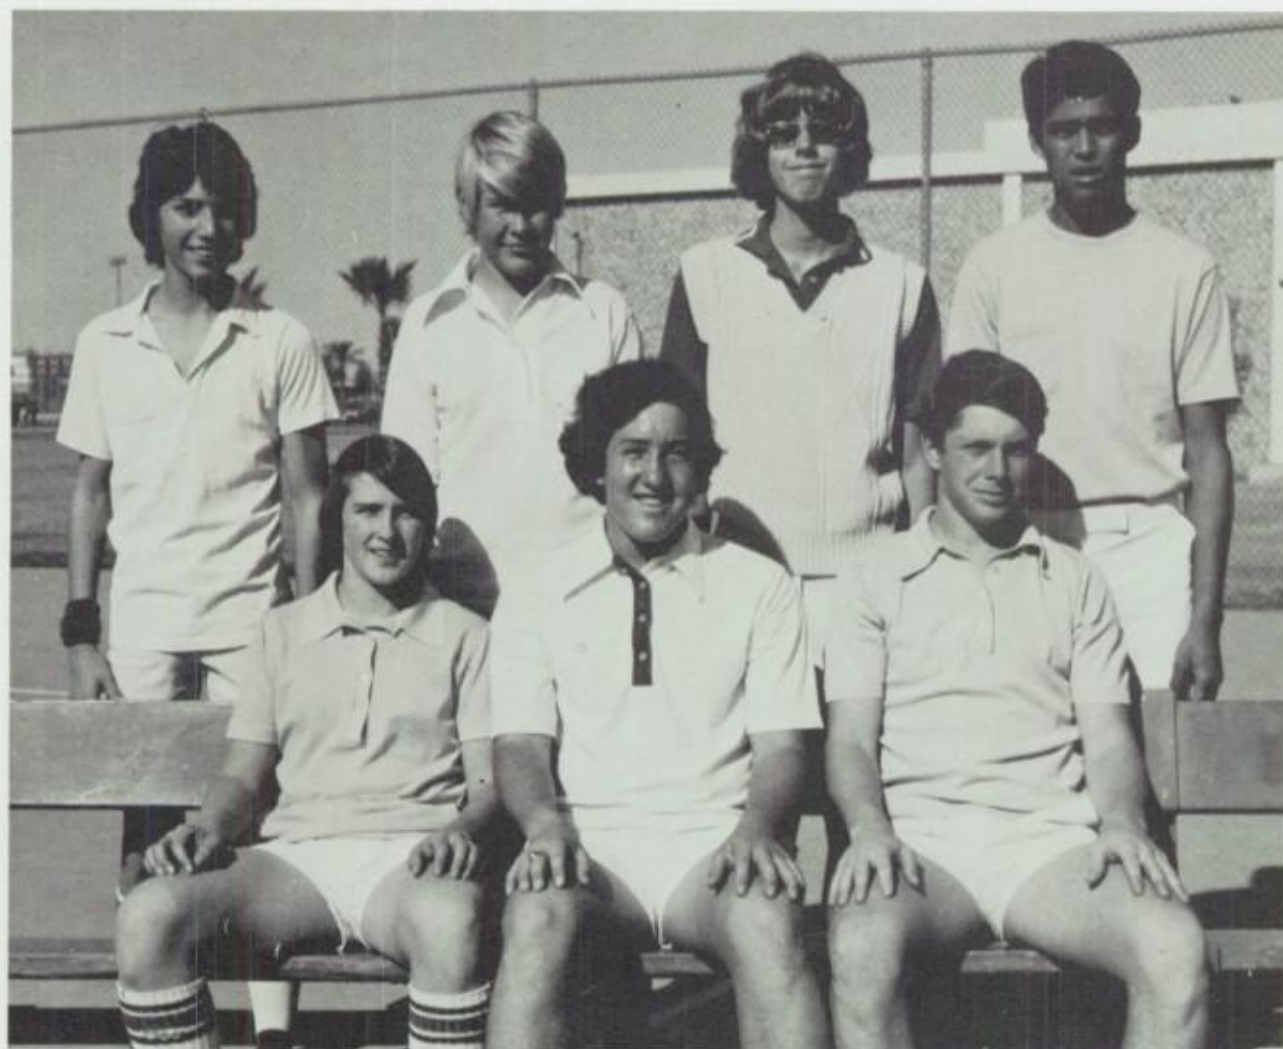

Among the top varsity players were senior Ed Conn and junior Matt Smith. Ed stymied his opponents with his fast serves and hard hits while Matt wore out his challengers with his finesse and volleying.

Two sophomore athletes also made marks on the team and some big dents in the enemy squads. Dean Frazier and Kevin Seacat will both return next year.

The Junior Varsity unit, with players like Steve Boese, also displayed some fine quality play during the campaign.

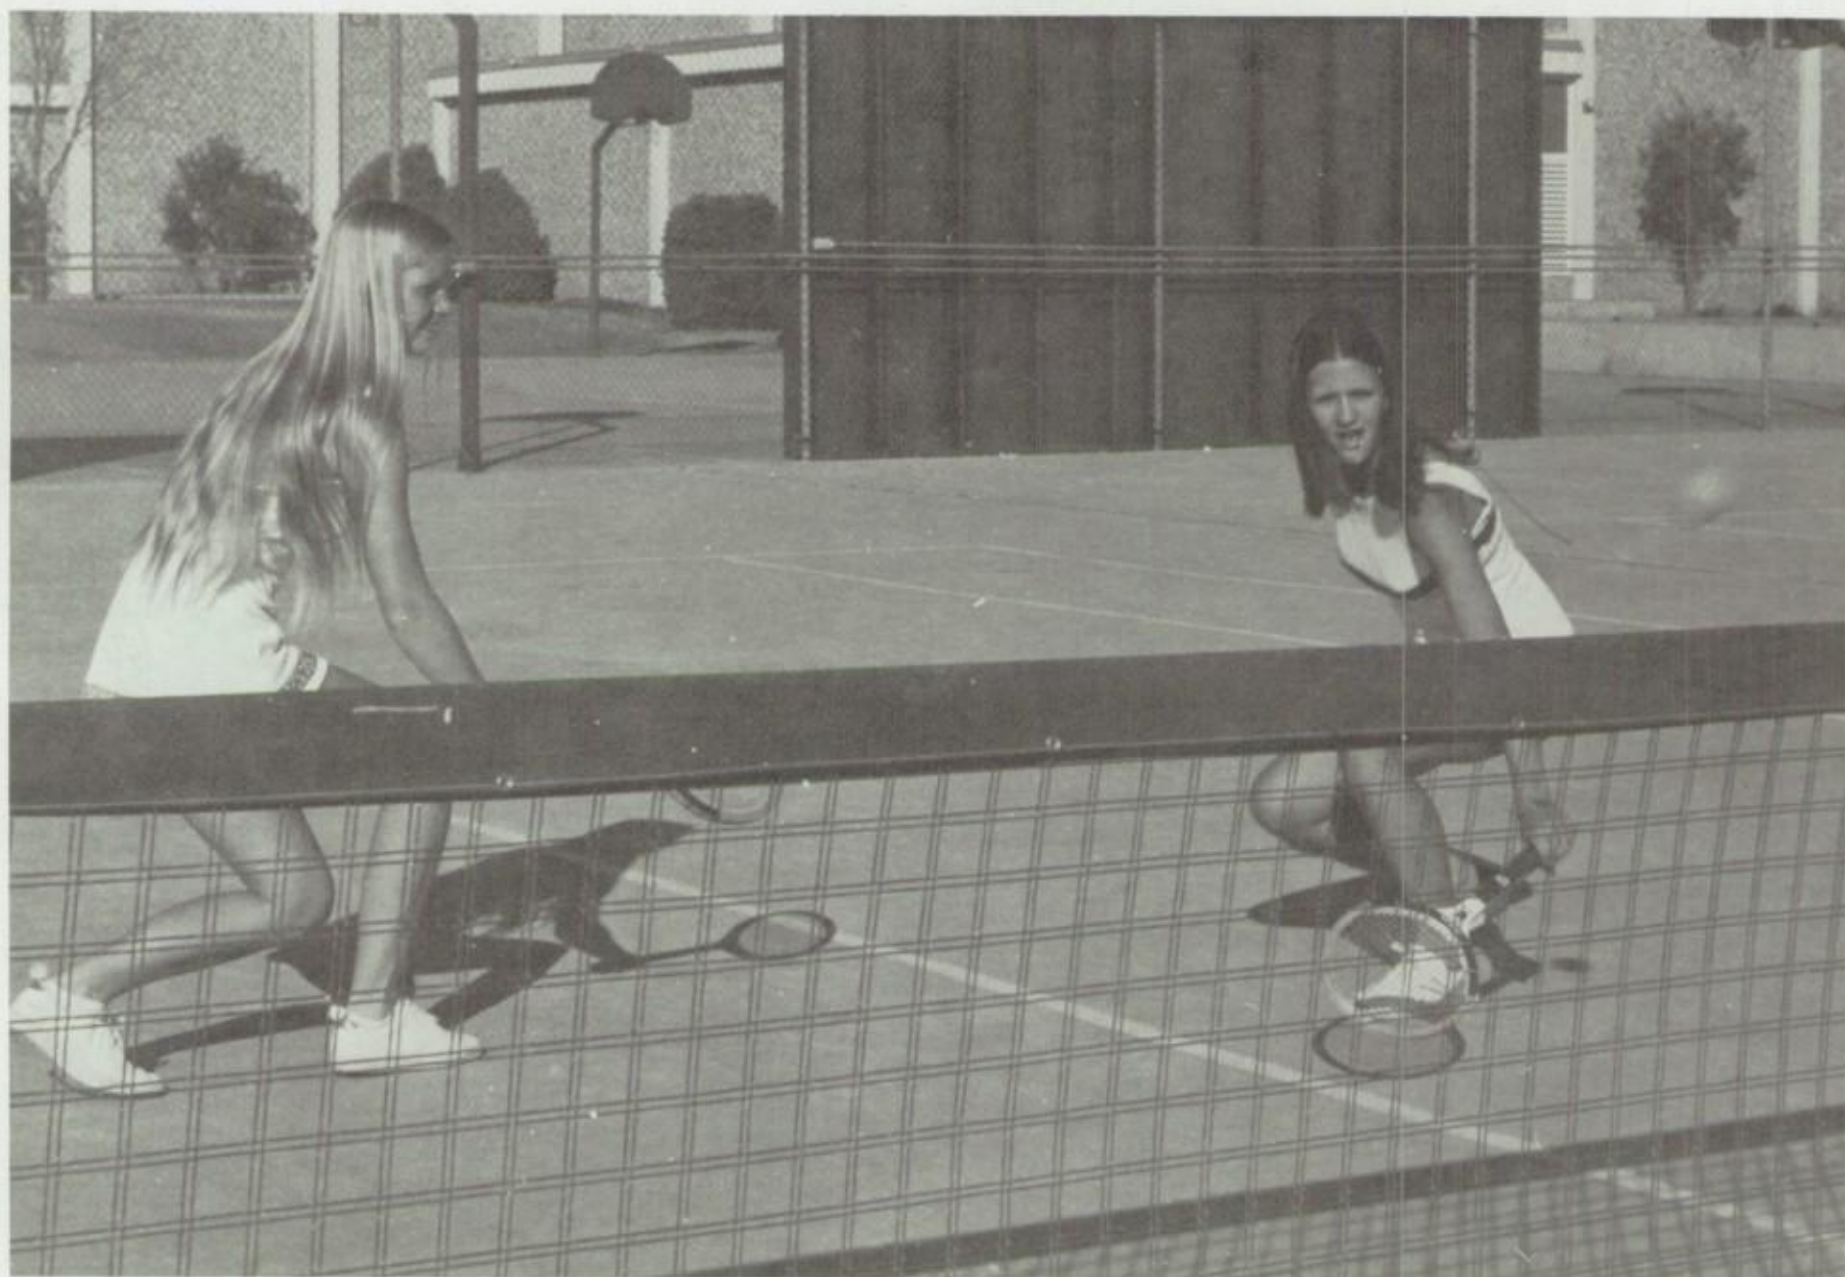

ABOVE RIGHT-VARSITY BOYS' TENNIS TEAM-TOP ROW: Matt Smith, Ed Conn, Rick Padelford, Tom Flynn. BOTTOM ROW: Kevin Seacat, Dean Frazier, Bill Ray. BELOW RIGHT: "That ought to finish him off," thinks Ed Conn as he follows through on his powerful serve. With his fast serves and hard hits, Ed was one of Coach Hawkins finest all-round players. BELOW LEFT-JUNIOR VARSITY BOYS' TENNIS TEAM-TOP ROW: Ray Burnell, Robert Knurowski, Steve Boese, Frans Lambrechtsen. BOTTOM ROW: Dave O'Donnell, Jim Testa, Jeff Miller.

BELOW: Debbie Doane desperately hits a backhand volley as Kerry Healy backs her up. ABOVE RIGHT: "Which way did it go?" questions Steffanie McFarland as she smashes a backhand to some poor unsuspecting opponent.

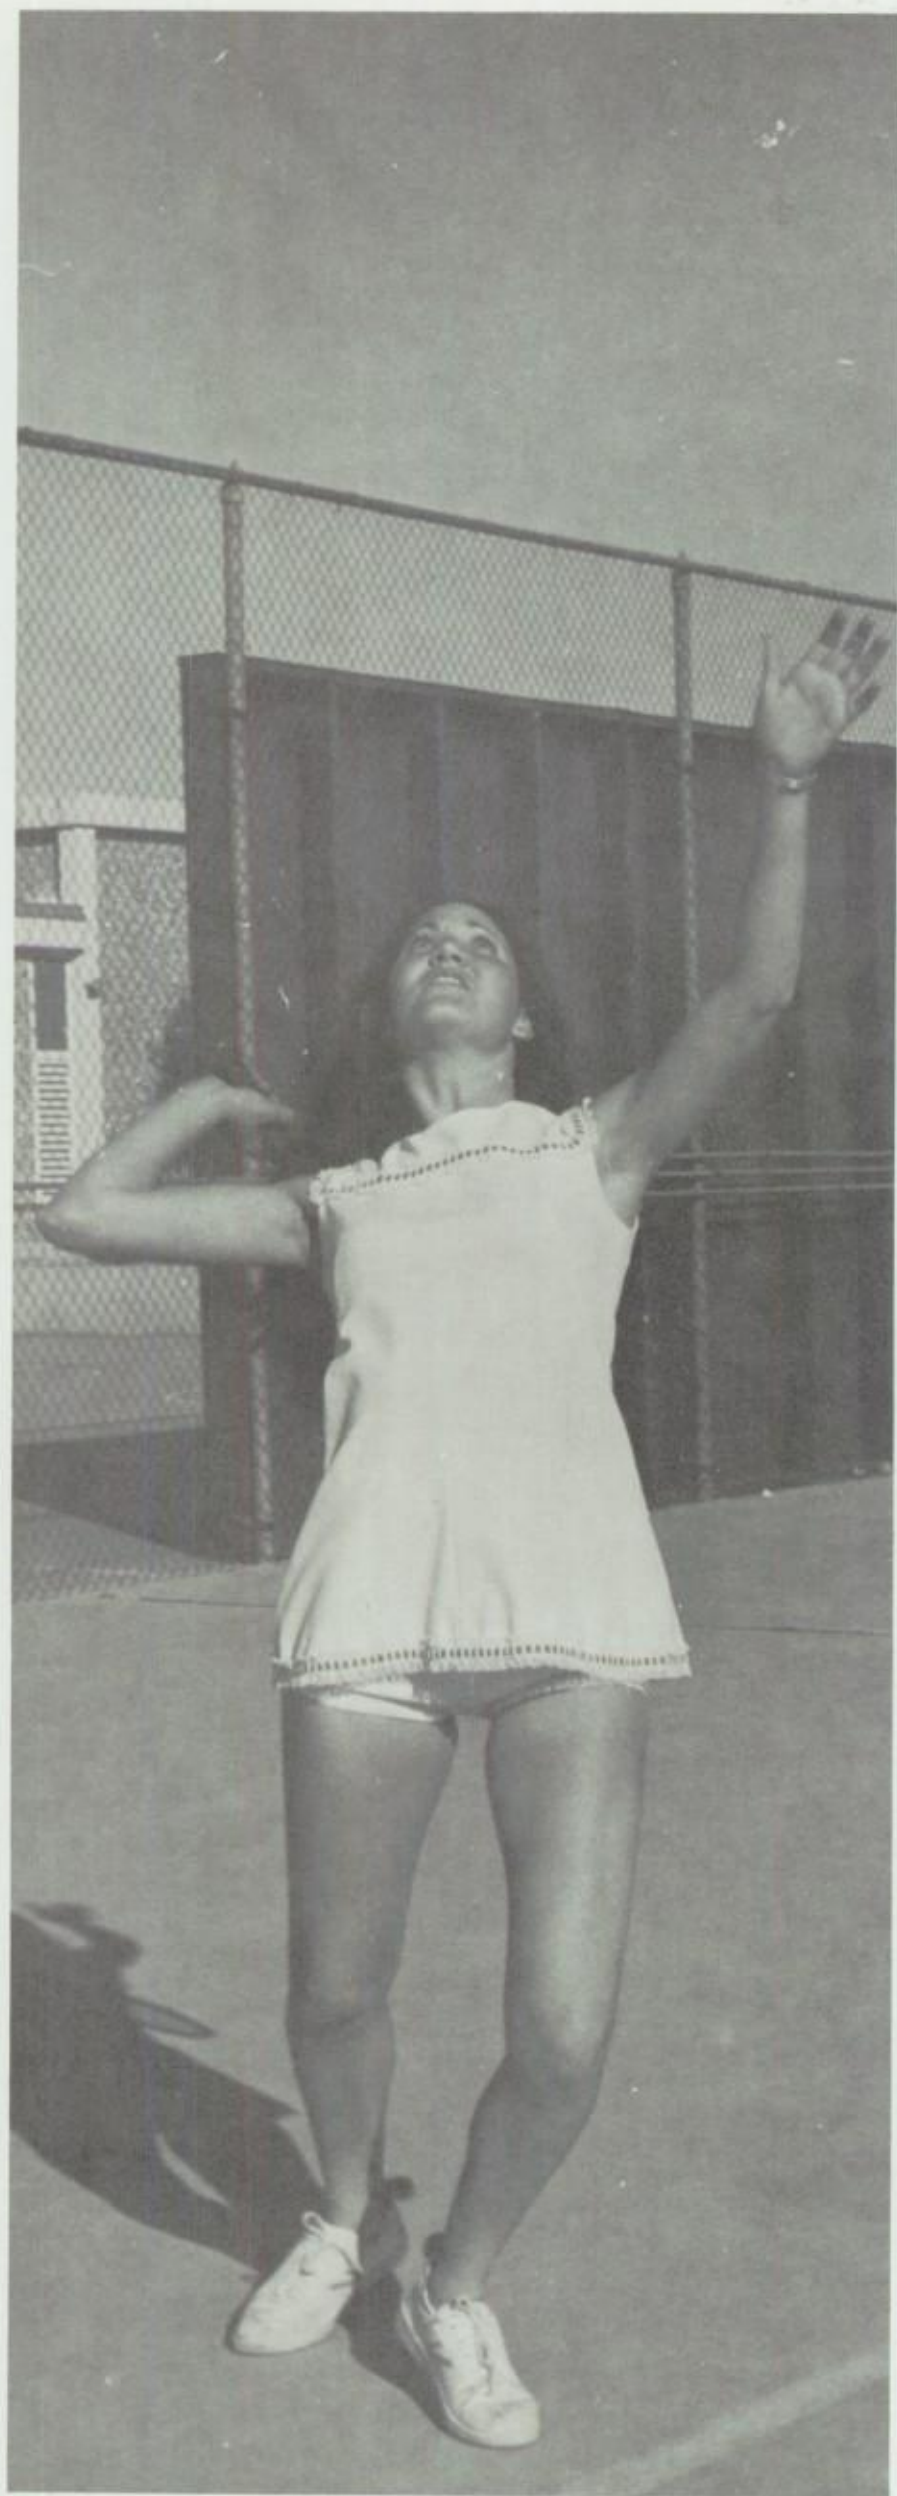

SWINGERS SET SIGHT FOR WINNING SEASON

The girls tennis team, this year with only two returning seniors Teri Schlarbaum and Lynne Gray, had a very challenging season. If it wasn't drill after drill, or match after match, it was party after party. Yes, they might have been fat and sassy, but they sure knew how to win and lose.

Tennis is one of those type of sports that is played year round. The girls started out on September third in a conditioning class consisting of every impossible exercise. They even got into running the mile; was that ever a sight! The team had times ranging from 7:01 to 10:58, girls strung all over the field. Time passed and they progressed to the tennis courts until the close of the season as real ball smashers.

ABOVE-J.V. TENNIS-TOP ROW: Michell Setlow, Princess McLelland, Anita Windham, Lisa Dearen, Kelly Healy. SECOND ROW: Melinda Wagner, Marie Dillon, Amy Blake. BOTTOM ROW: Rene Munoz, Debbie Gruntrod. ABOVELEFT: Such gracefulness is shown by Melinda Kuhse as she attempts her mighty serve.

YOUNG GYMNASTS LEARN FROM OLD

Youth and inexperience dominated the boys' gymnastics line-up during 1975, but the team still relied upon its few returning lettermen to a great extent.

The squad, reduced in size from previous years, claimed five sophomores - namely Spencer Prince, Richard Griner, Robert Frost, Bart Brimley, and Mike Allan.

All the newcomers learned readily from actual com-

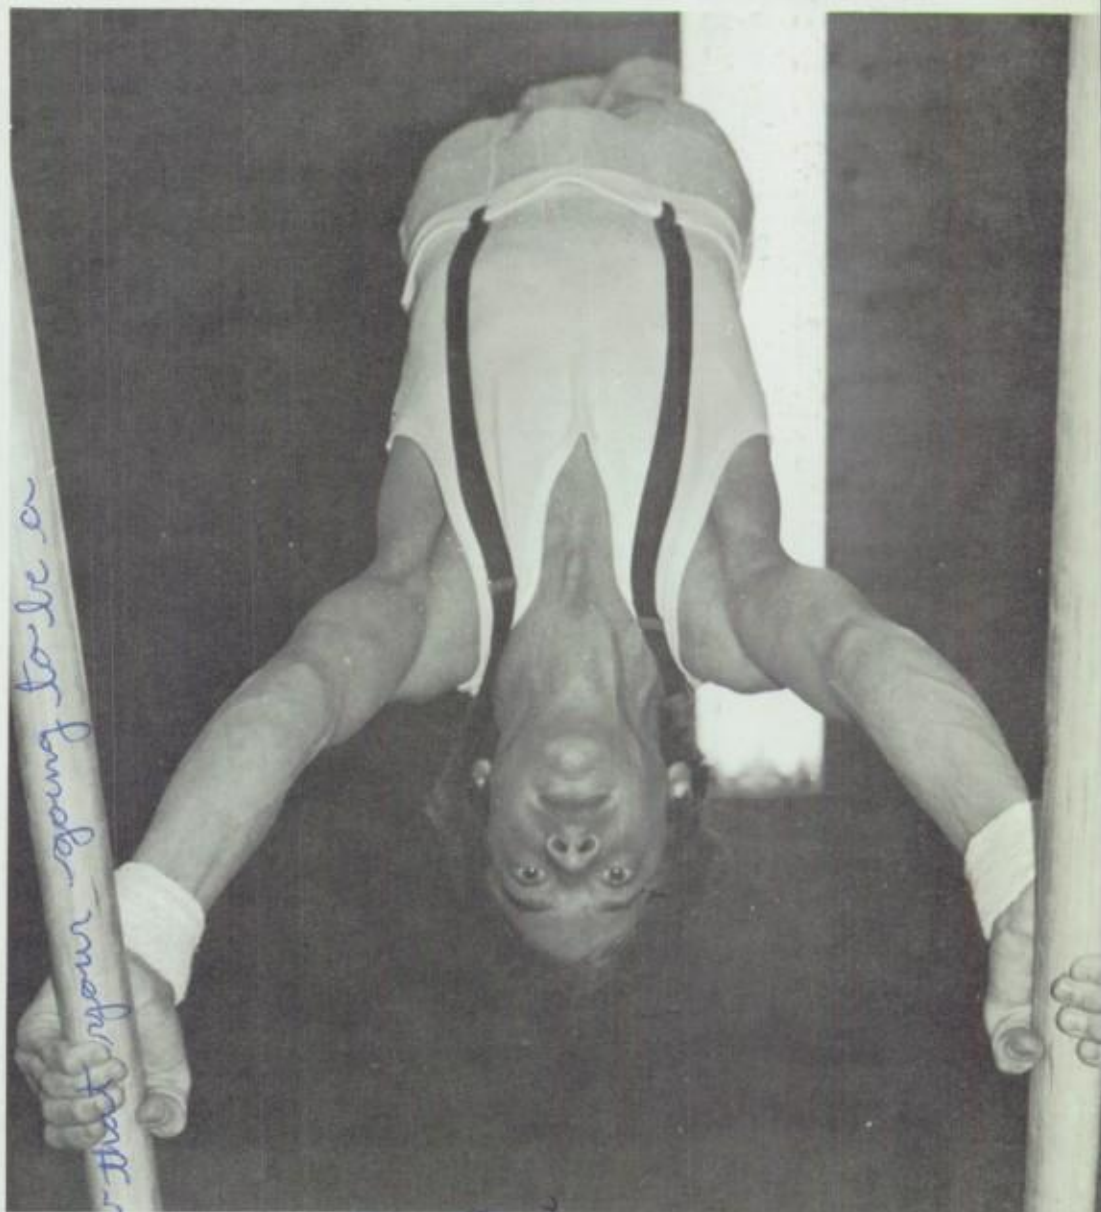

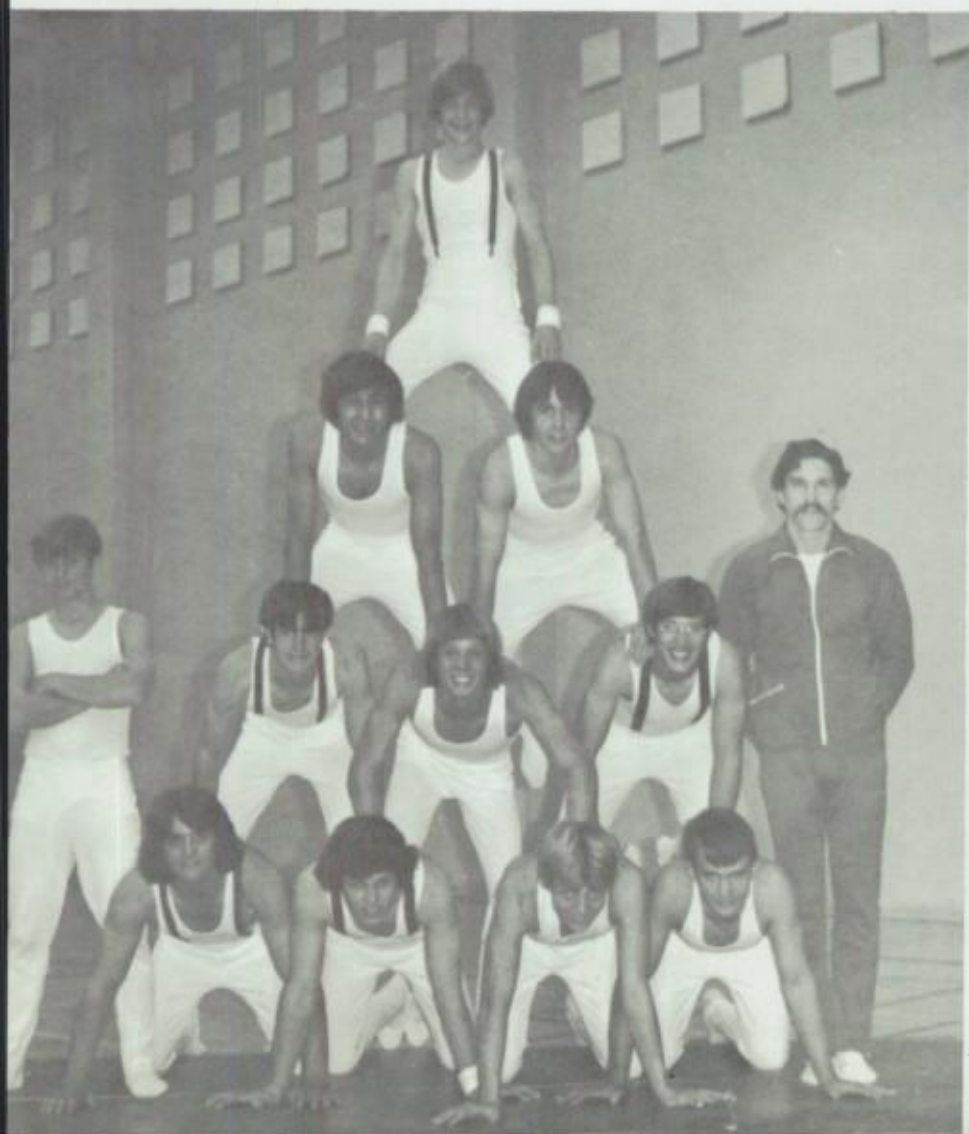

petition and through the careful guidance of Coach Richard Impson. Also of help were veterans Lyle Schultz, Frosty Schultz, David West, and Brian Lawrence.

Lyle Schultz was the Tribe's top performer on the steel rings while Frosty Schultz was the most proficient on the parallel bars. Brian Lawrence was another cornerstone for Westwood and specialized in the floor exercises.

OPPOSITE PAGE: Senior Frosty Schultz glides into a back flip off the parallel bars. ABOVE: Lyle Schultz, a steel ring specialist, concentrates on his double dislocate. GIRLS' GYMNASTICS

WITHSTAND FIERCE

COMPETITION

What makes a gymnastic team number one? A good coach, efficient equipment, a gym of your own, and a bunch of hard working girls. That's just what Westwood had.

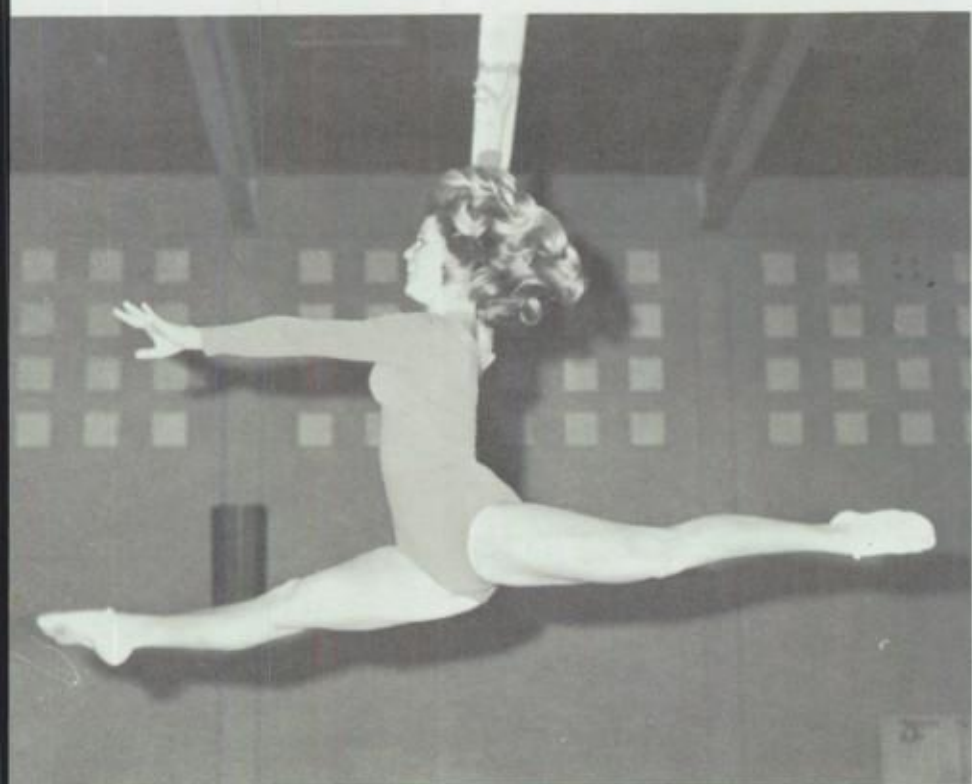

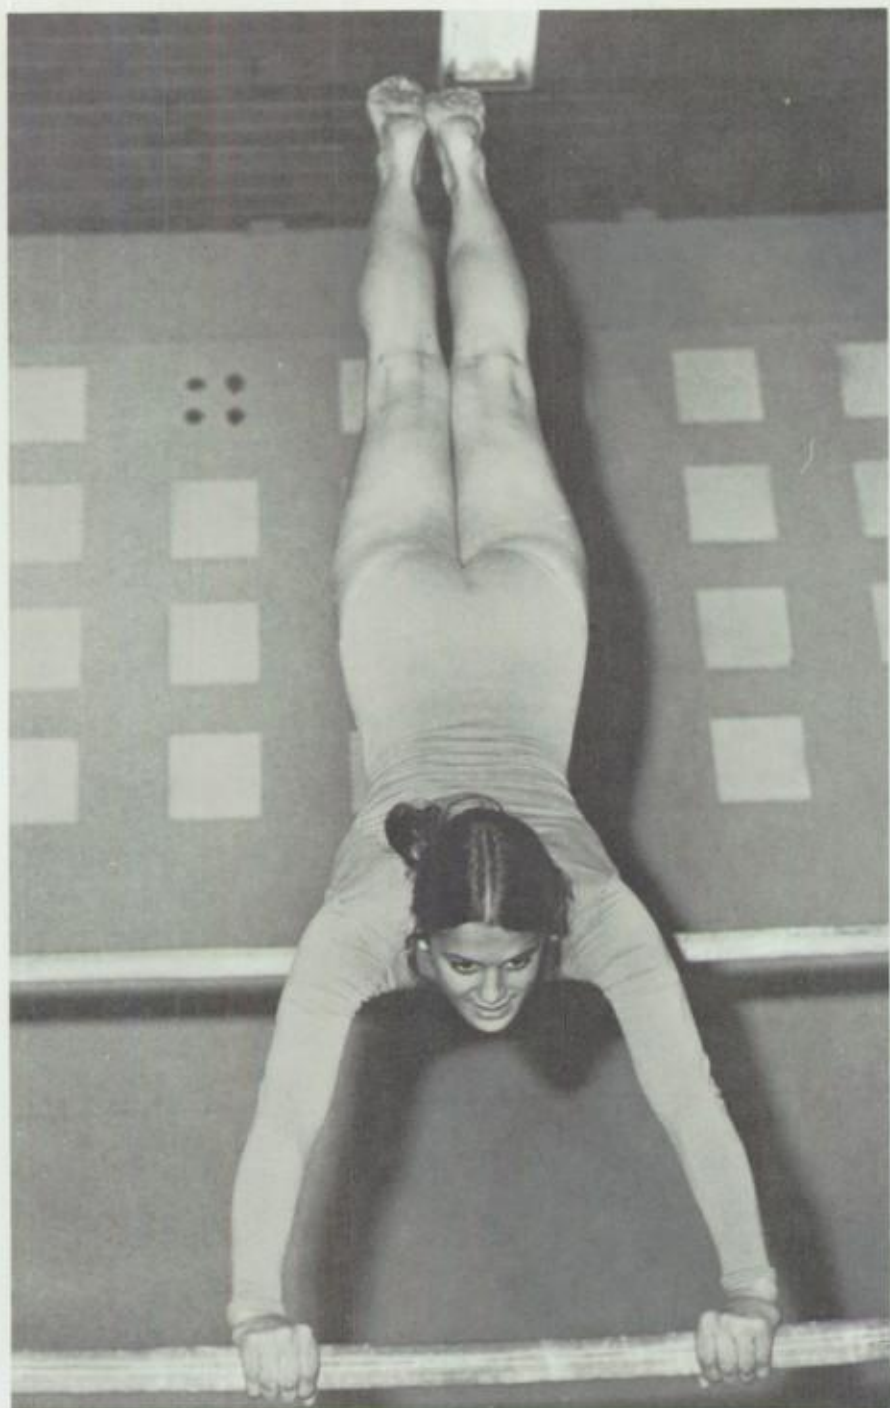

Once more these gymnasts put it together for another super season. Their ability to help one another and work so well together ranked them on top. Coached under the watchful eye of Julie Crutchfield and led by team captain Heidi Hansen, the team worked out all year to make up creative and impressive routines. Every Wednesday the team would join with the Dance Production to further their ability in all kinds of dance.

A few top performers were Lisa Sezate, Nonie Elliot, Marti Carioty, Stacye Tyler and Kathy Hoffman.

TOP RIGHT: A hand-stand stag on the balance beam is a challenge to any gymnast, but Susie Osborn rises to it with ease. BELOW—GIRLS' GYMNASTICS—TOP ROW: Coach Julie Crutchfield, Stacye Tyler, Heidi Hansen, Tammy Blake, Shelley Walker, Lisa Sezate, Marti Carioty. SECOND ROW: Diane Dees, Karen Skousen, Susie Lawrence, Joyzell Wade, Tami Mason, Susan Malone. BOTTOM ROW: S.Bouldin, T.Williams, S.Osborn, K.Hoffman, N.Elliot. LYING DOWN: J.Parks, L.Woods.

TOP LEFT: Strength and courage enable Marti Carioty to hold this difficult handstand on the uneven bars. ABOVE: Sophomore Karen Skousen leaps daintily into the air as she performs her floor exercise routine. RIGHT—SENIOR GYMNASTS—TOP TO BOTTOM: Lisa Sezate, Tammy Blake, Kathy Hoffman, Heidi Hansen, Marti Carioty, Shawni Bouldin, and Nonie Elliott.

FAST WARRIORS LEAD SQUAD TO MANY WINS

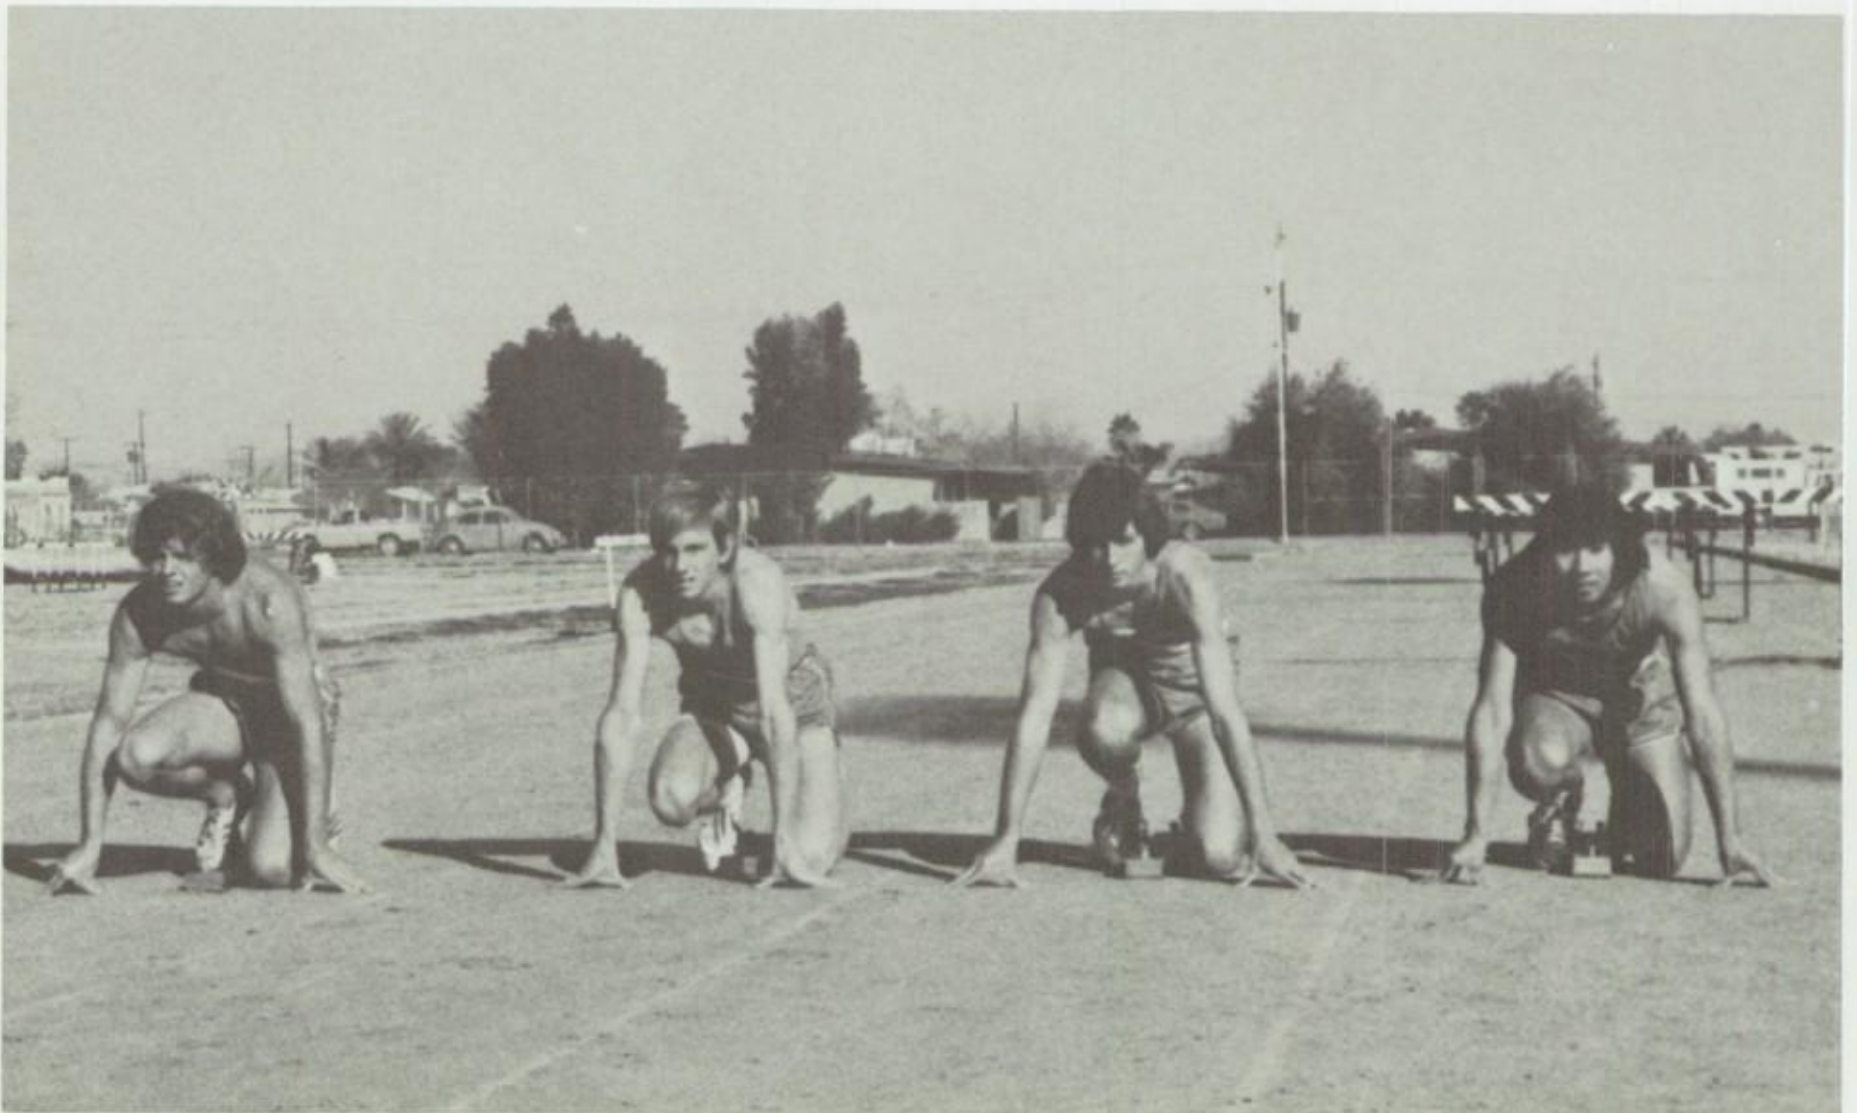

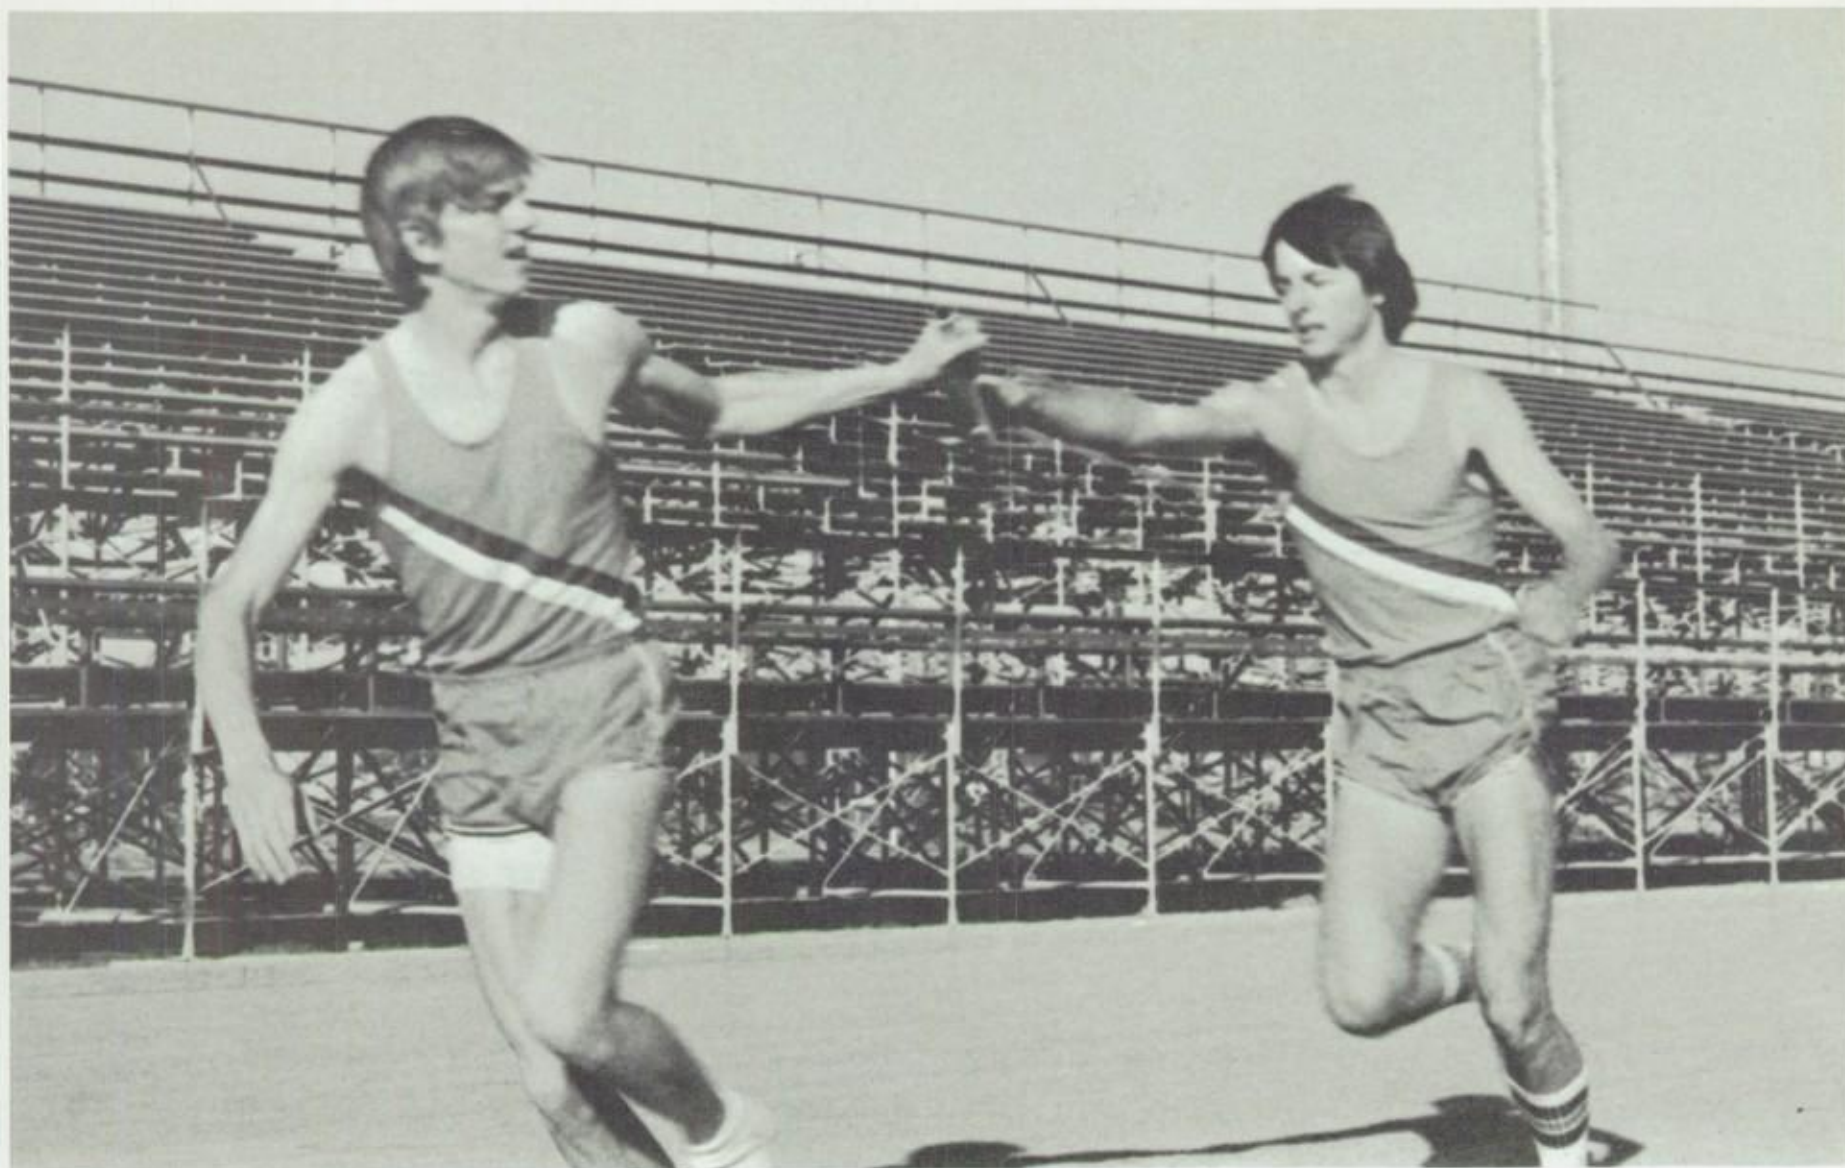

ABOVE: Junior Keith Brengle, one of the track team's top weight men, winds up to sail the discus out across unmapped territory. BELOW: This fearsome foursome helped Westwood in events from the 100-yard dash to the mile relay. They are Don Collins, Dan Hunsaker, Dennis Gullatt, and Sandy Ikeda.

From the word go, the 1975 Warrior track team produced many thrilling meets. Under new head coach Jerry Jobski, the season started off with tough meets against the McClintock, Mesa, and Marcos de Niza squads.

Early in the season several outstanding individuals came to dominate Westwood's scoring in dual and invitational meet competition. On the track, Warrior speed killed opponents in many forms. Junior ace Jack Arnold led the squad in the middle distance races producing medal winning efforts all season against tough competition. In the sprinting events, the Warriors struck like lightning with seniors Danny Hunsaker and Dennis Gullatt, junior Don Collins, and sophomore star Robbie Hargus doing most of the blitzing. Leading huddlers were seniors Scott Welker, Mike Fish, and Randy Brown. And with all of this speed, Westwood's two relay teams also won many satisfying races.

The field event crew lacked some of its annual punch this season. The weight events were dominated by senior Craig Freeman and juniors Keith Brengle and Doug Suter, in a year of rebuilding. In the two jumping events, Scott Welker was one of the leading long jumpers while junior David Rodriguez earned points in the high jump.

TOP: Among the many talents of seniors Danny Hunsaker and Dennis Gullatt was the mile relay which required timely handoffs of the baton. ABOVE: Hurlers Mark Alvin and Randy Brown cleared many obstacles with form like this during the season. RIGHT: The cream of the distance crop were Fred Tau, Richard Birberick, and Jack Arnold.

MALE SWIMMERS, DIVERS, CLOBBER OPPONENTS

Though 1975 may not be remembered as a good year for wine, a good water year it was - at least for Coach Craig Cummins and his wet pack.

Top swimmers for the Tribe included co-captains Bob Shearin and Phil Marsom. The two provided one of the deadliest one-two punches in the region.

In addition, a pair of juniors, Monty Worthington and Jeff Shipe made vast contributions to the team. Worthington excelled in the backstroke and Shipe was the expert in the butterfly. Transfer Jim Harris and sophomores David Bruce and David Dunning complimented the old cast.

In the meantime, the diving squad, which turned out to be the best combination ever put together at Westwood, whipped opponents with the help of returnees Fred Kienitz and Paul Lamoreaux, plus transfer Neil Werner.

JV WRESTLERS MANHANDLE OPPOSING SQUADS

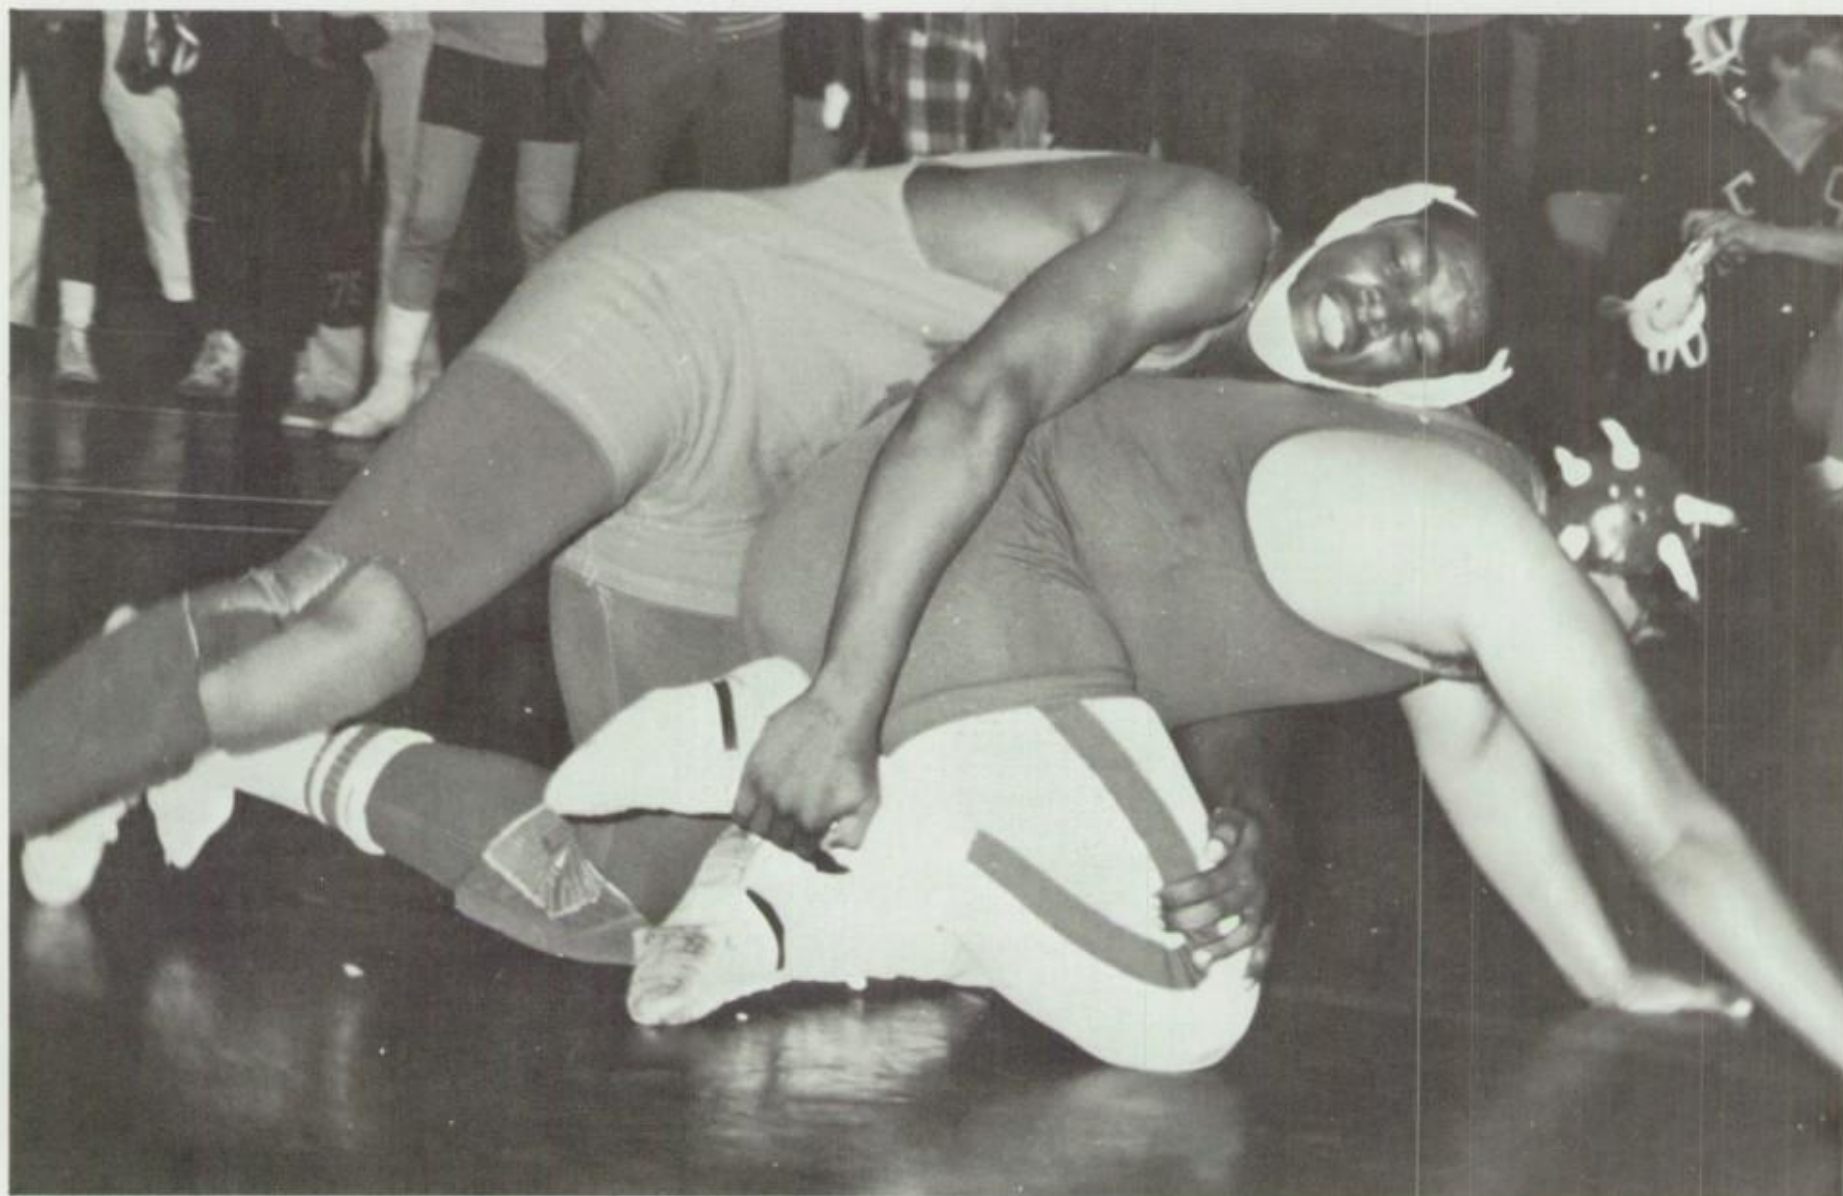

Winning isn't everything. Nevertheless, the Junior Varsity wrestlers decided it is much more enjoyable than losing.

Under the authority of Coach Jim Kelly, the grapplers pulled out eight victories while succumbing only to McClintock and Mesa.

Cornerstones for the Warriors included juniors Rick Chunn (145 lb.) and Dennis Aust (108 lb.), both of whom went undefeated for the team. In addition, Mark Ryan and Jerry Medina dropped only one match apiece.

SOFTBALLERS DEBUT; GALS NEAR EQUALITY

The softball team became the second competitive girls' team to make its debut during the '74-'75 school year and in the process, marked another step towards sports equality for females in high school.

Although the girls had their downs, particularly during the early part of the campaign, the tide began to turn later in the season as the batters gained valuable experience.

Perhaps Coach Joyce Tominaga's greatest triumph took place when her underdog squad pulled out a stunning upset victory over the previously undefeated Casa Grande team by a 9-7 verdict.

Karen Webb, who played at first base, center fielder Sheron Andrews, shortstop Lorie Sorenson, and left fielder Karen Smith were among the leading hitters of the season.

OLD PROS FUEL BADMINTON, ARCHERY TEAMS

It wasn't all peaches and cream for the Tribe badminton team in 1974, but then it wasn't for the opposition either. In fact, the fearsome threesome of Beth Scheid, Gaylene Higley, and Diana Holt, all veterans on the team, created all sorts of problems for the enemy squads. Also making a big contribution were newcomers Gena Vickers and Norma Encinas.

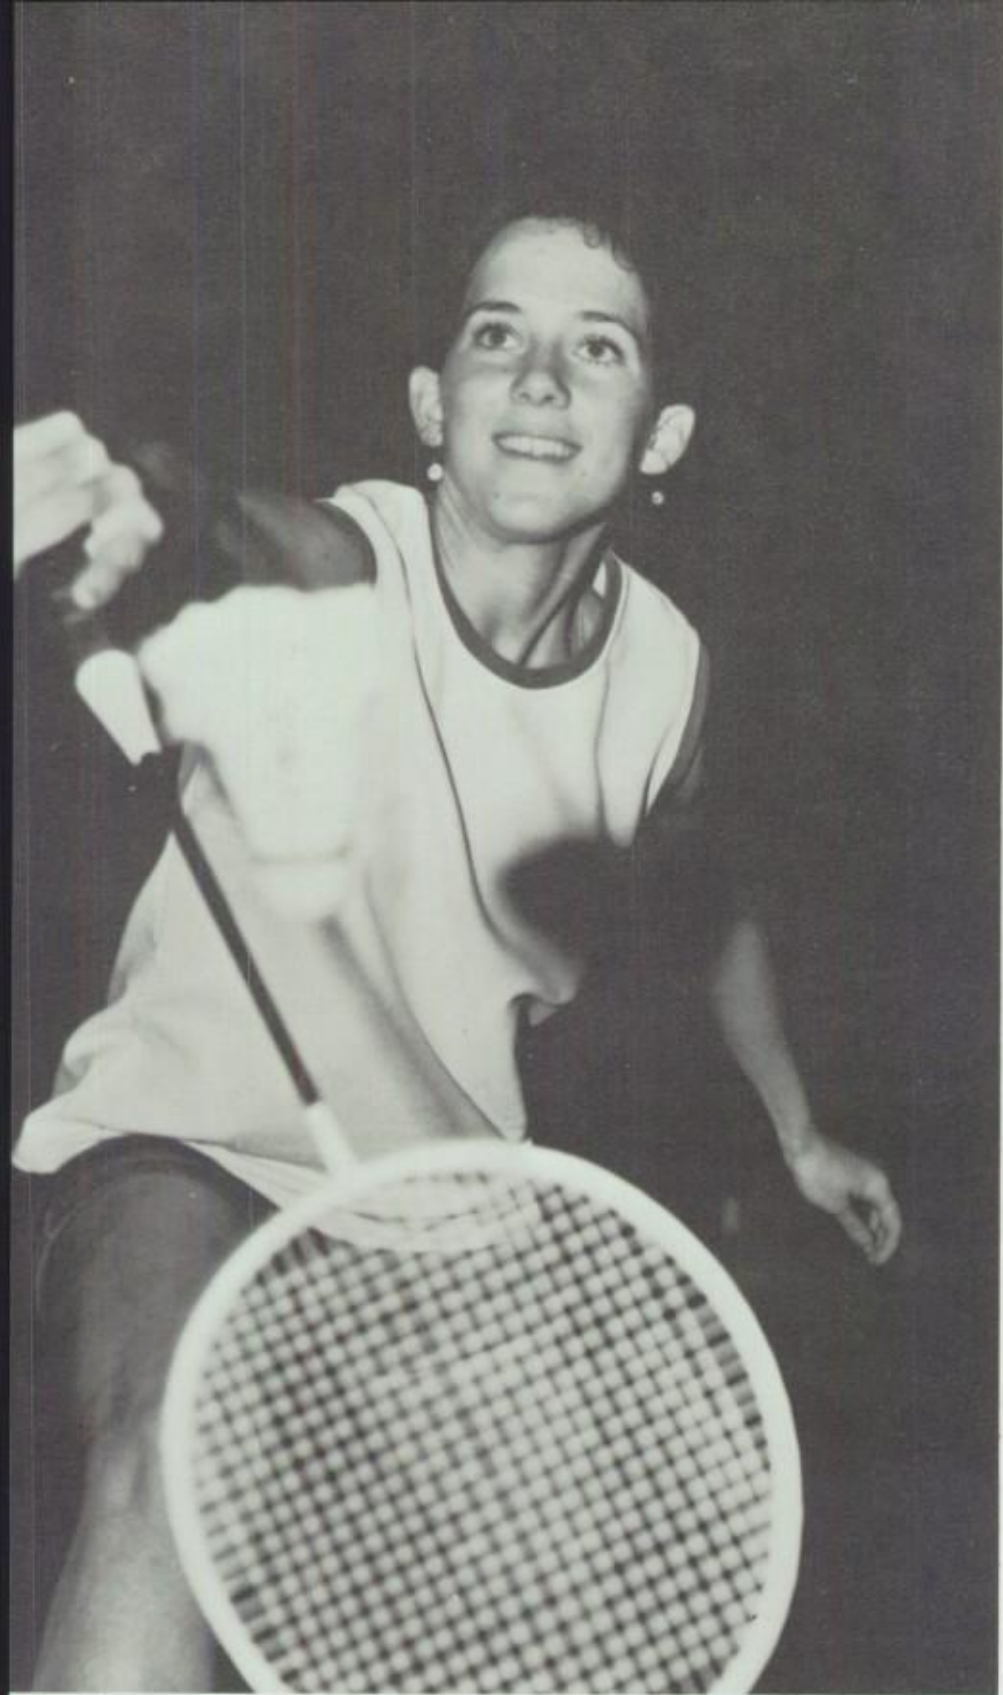

Highlights of the badminton campaign included an upset win over powerhouse Tempe, a sweet triumph over Chaparral, and the downing of "the other side of town gang" from Mesa High.

Later in the school year, badminton coach Jean Shields took command of the archery team. The sharpshooters relied heavily upon the only three returning archers on the squad—Gaylene Higley, Linda Hosking, and Terri Jones.

GOOD PITCHING AND HEAVY HITTING MAKE WINNING SEASON

Crack! Strike three! You're out! Just a few of the sounds heard from the baseball diamond this spring.

Coach Norm Shill's Warriors, who were one of the top ranked teams in the state according to pre-season polls, had a lot of talent and many prospects.

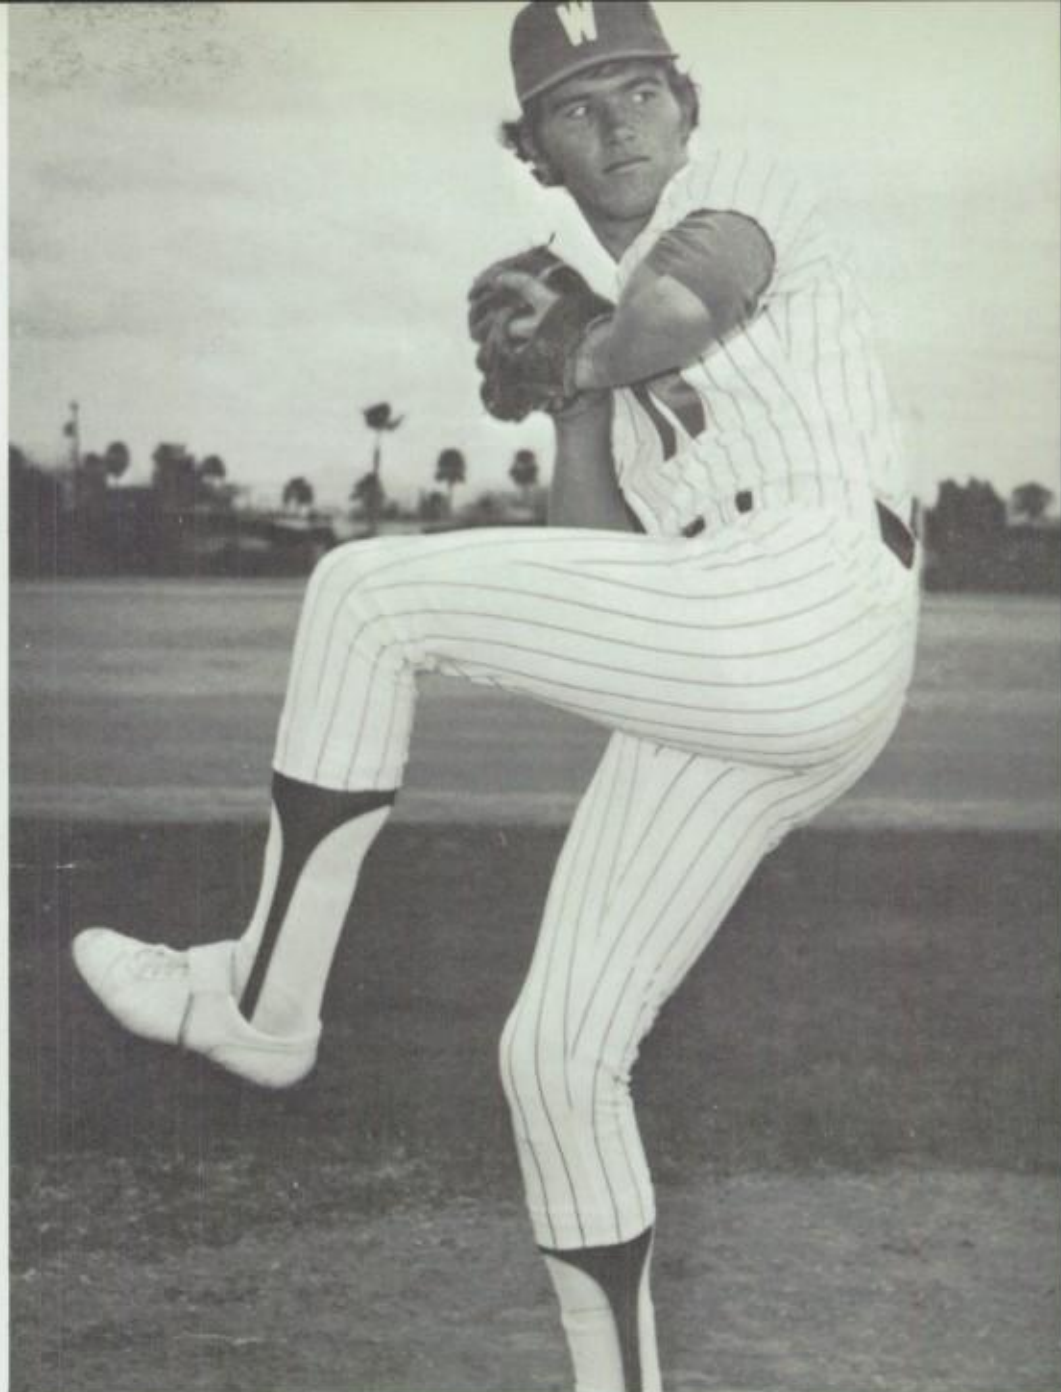

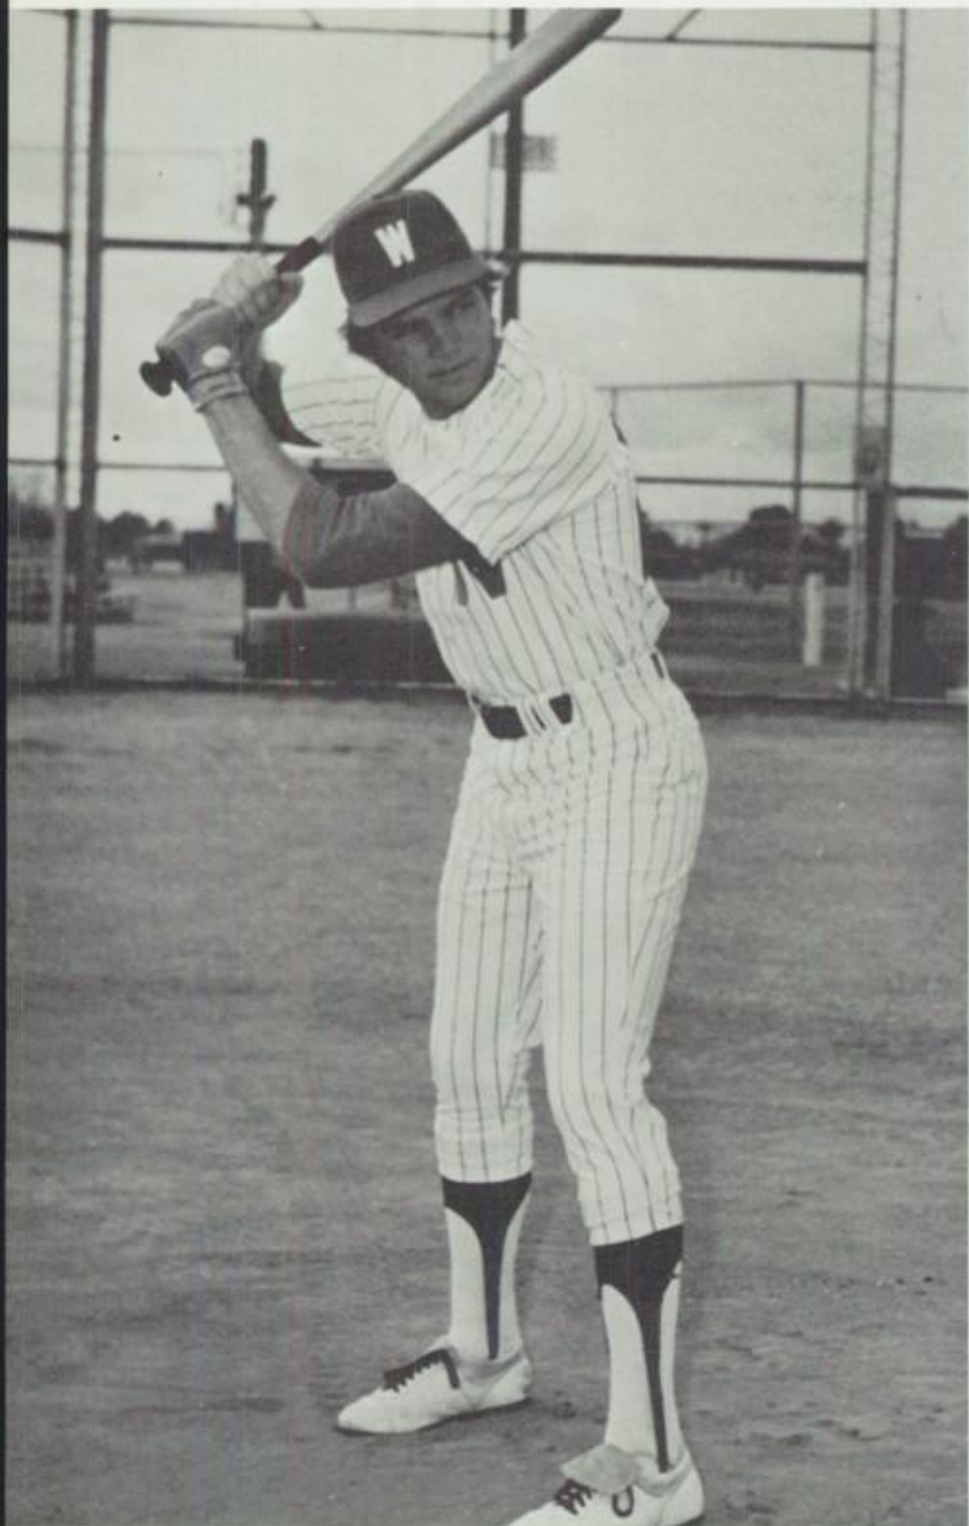

Back from last year's varsity to lead the way, where outfielders Bryan Korte and Marshall Richey, infielders Junior Hernandez and Allen Glasenapp. Strong pitching came from Mark Gunning and Larry Neff. Jim Tryon, along with quite a few others, racked in continuous runs with their heavy hitting. Last year's J.V. players proved to be helpful to the varsity squad also.

The top competition in the central division B league came from Coronado, who always fields a well balanced team; and Scottsdale High which is another top team that had to be contended with.

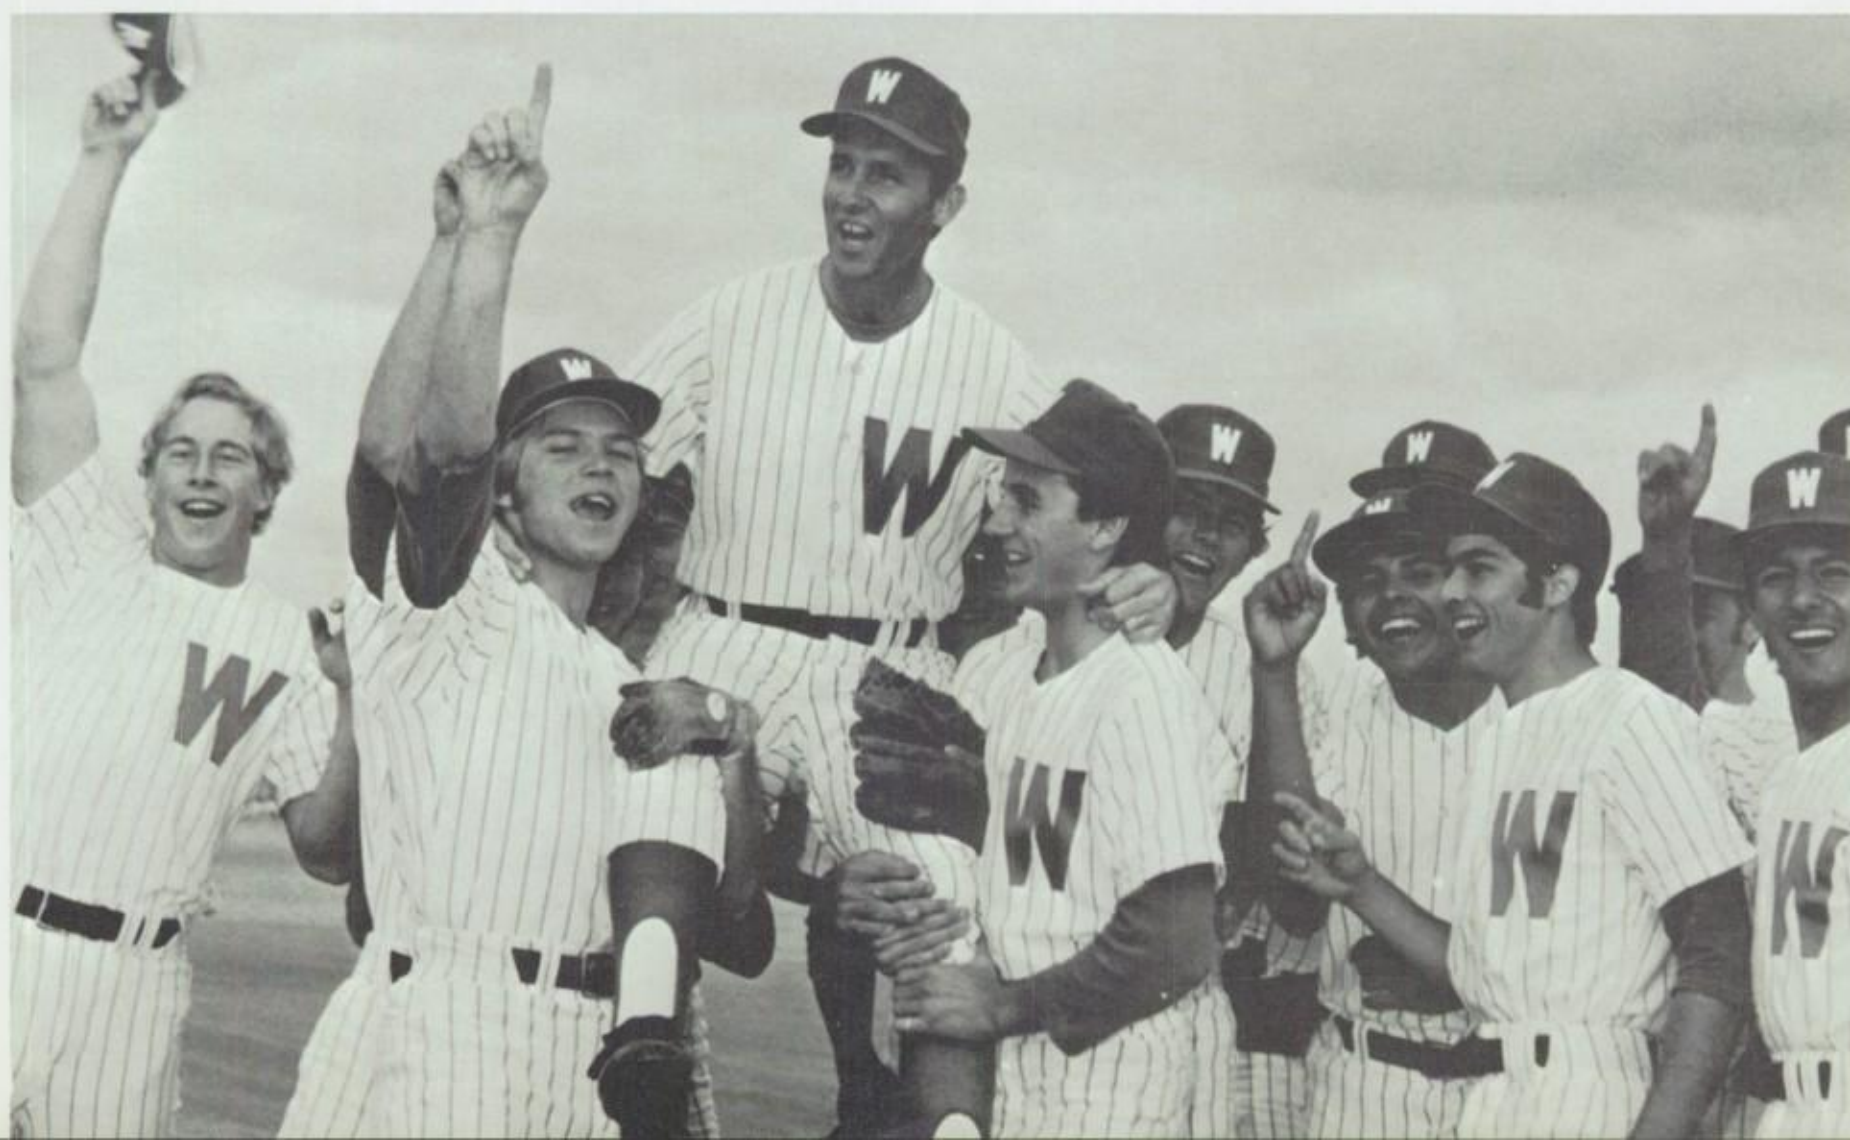

All in all, the team pitched, hit, and fielded their way through a highly successful season.

GOLFERS REMAIN IN VICTORY LANE

"If you have a winning combination, don't change anything." That's precisely the philosophy that golf coach Erv Reid applied as his team survived some more pressure putts against some of the stiffest competition in the state.

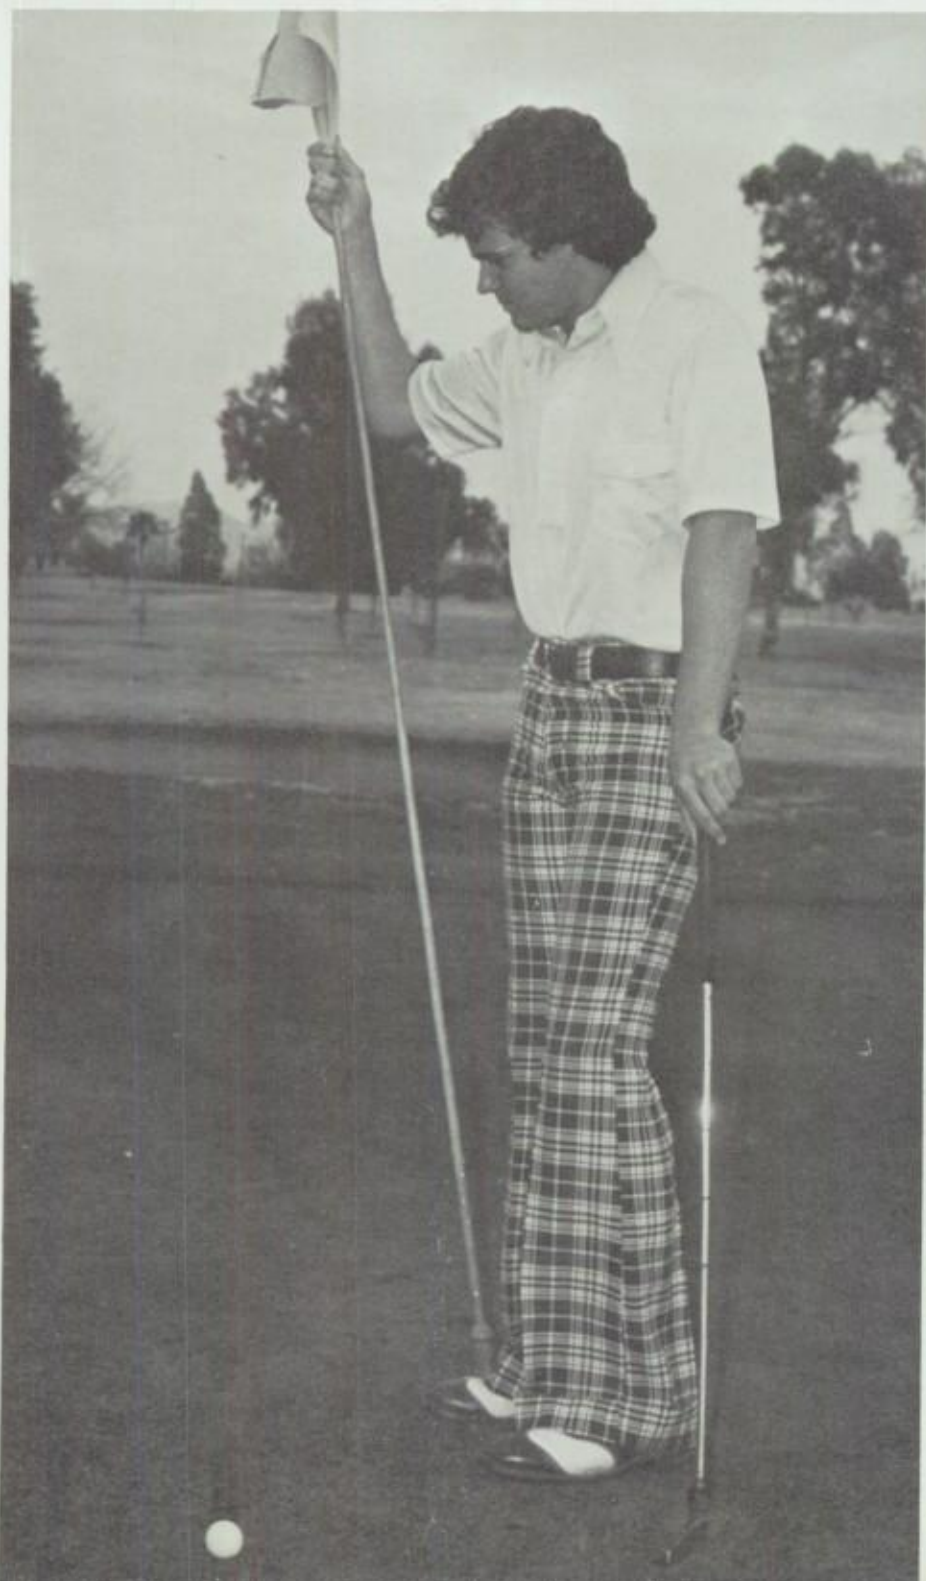

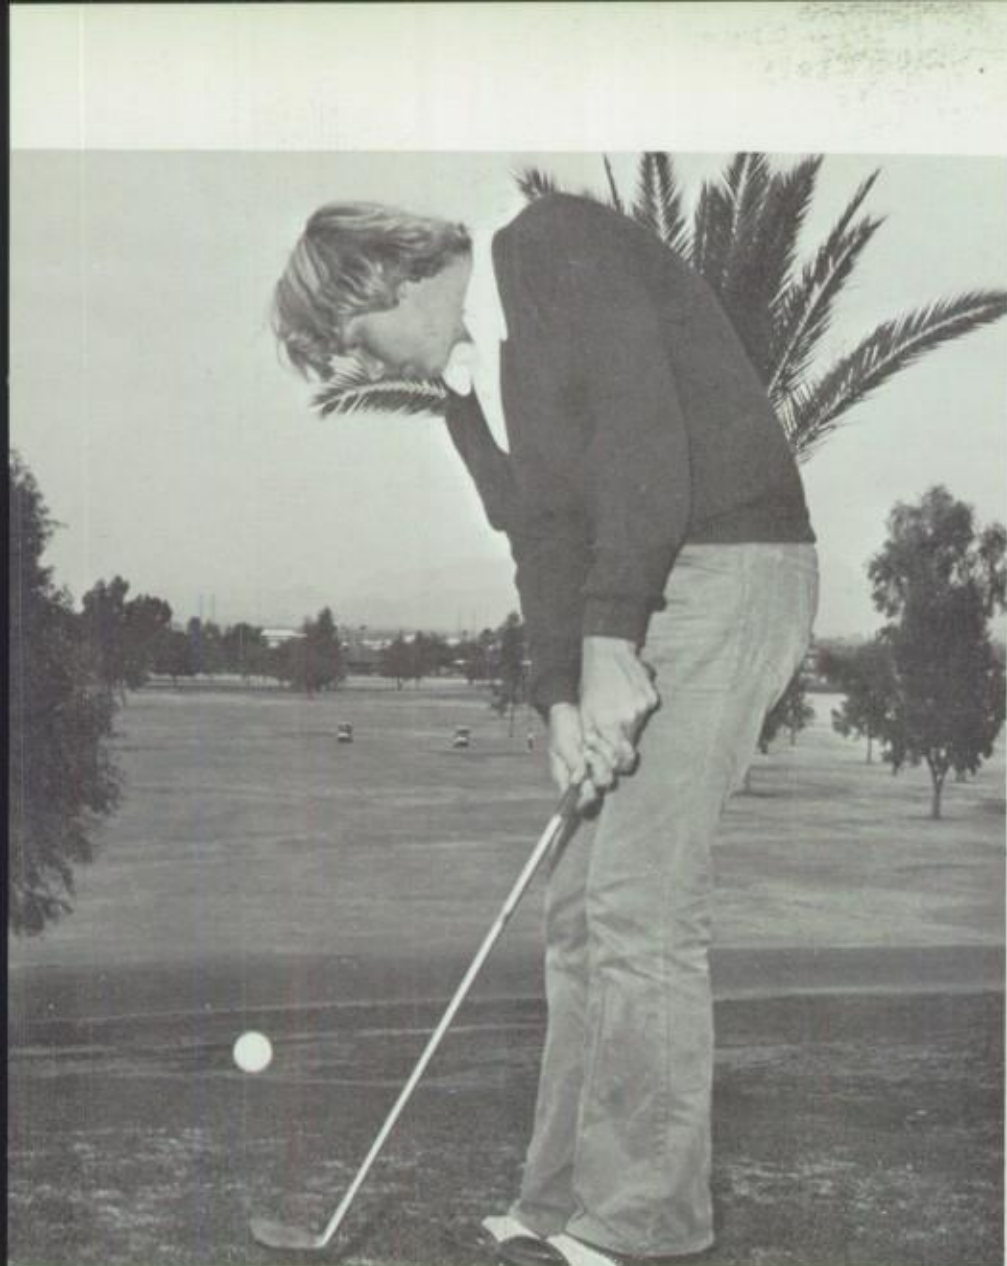

Westwood has had a long history of success in the club-swinging sport including some high finishes in the state tournament. In addition to the sound coaching of Mr. Reid, the success can be attributed to some fine players.

This year, veteran seniors Bill Robb and Brad Gregory, plus newcomer David Mottern provided much of the thrust behind the powerful Warrior punch.

SPIKERS TAKE THIRD IN ARIZONA TOURNEY

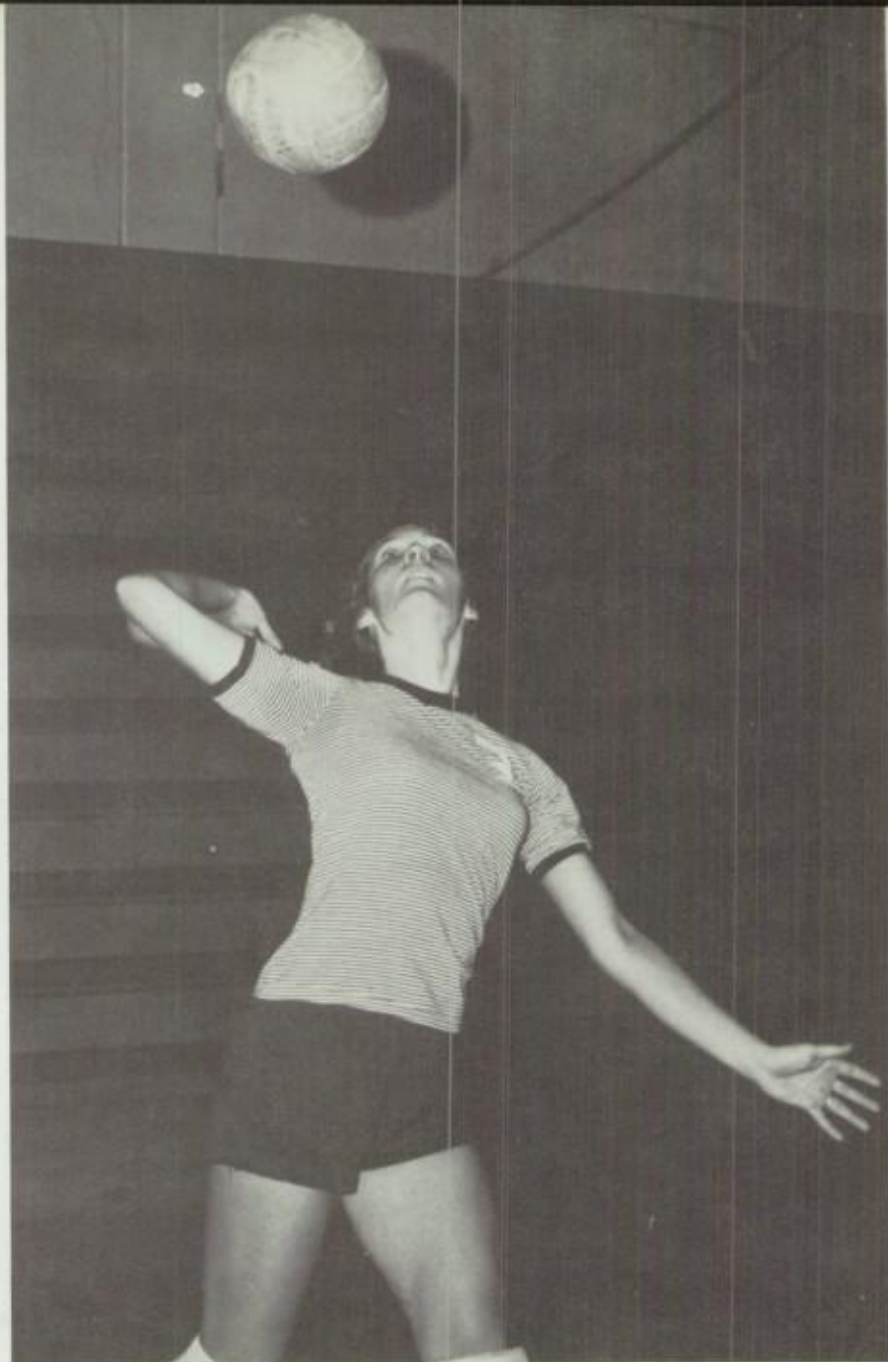

The girls' varsity volleyball team, coached by Joyce Tominaga, reached state competition in Tucson after compiling a 9-3 regular season record. Led throughout the campaign by team captain Karen Webb, the squad lost in the first round of the final tourney to eventual state runner-up Paradise Valley (15-11, 15-11). However, the club came back to beat Maryvale (15-4, 15-5) and Coronado (15-13, 7-15, 15-8) to wrap up first in the consolation bracket.

The victory over Coronado brought sweet revenge for the girls, who had already lost two matches to their rivals - once during regular play and again in the finals of the Arcadia Invitational. The Tribe was still able to take second in both the Invitational and Divisionals.

FEMININE AQUATICS TORPEDO PAST FOES

The brand new girls swimming and diving squad, coached by Patricia Dunn, swept through the regular season schedule without a blemish.

In the divisionals, the girls tied with Coronado for second, behind Scottsdale. Then, in the regionals, the 200 yard medley and 400 yard free style teams both finished in seventh place. Neena Weber took individual honors, snaring first in the 400 yard free style and second in the 200 yard free. Kathy Brunsdale bagged third place in the 100 yard breast stroke while Leslie Woods notched a third in the diving events. Overall, the team finished third.

WESTWOOD DEFEATS MESA FOR THIRD YEAR; WEEK'S EVENTS ENCOURAGE WARPATH SPIRIT

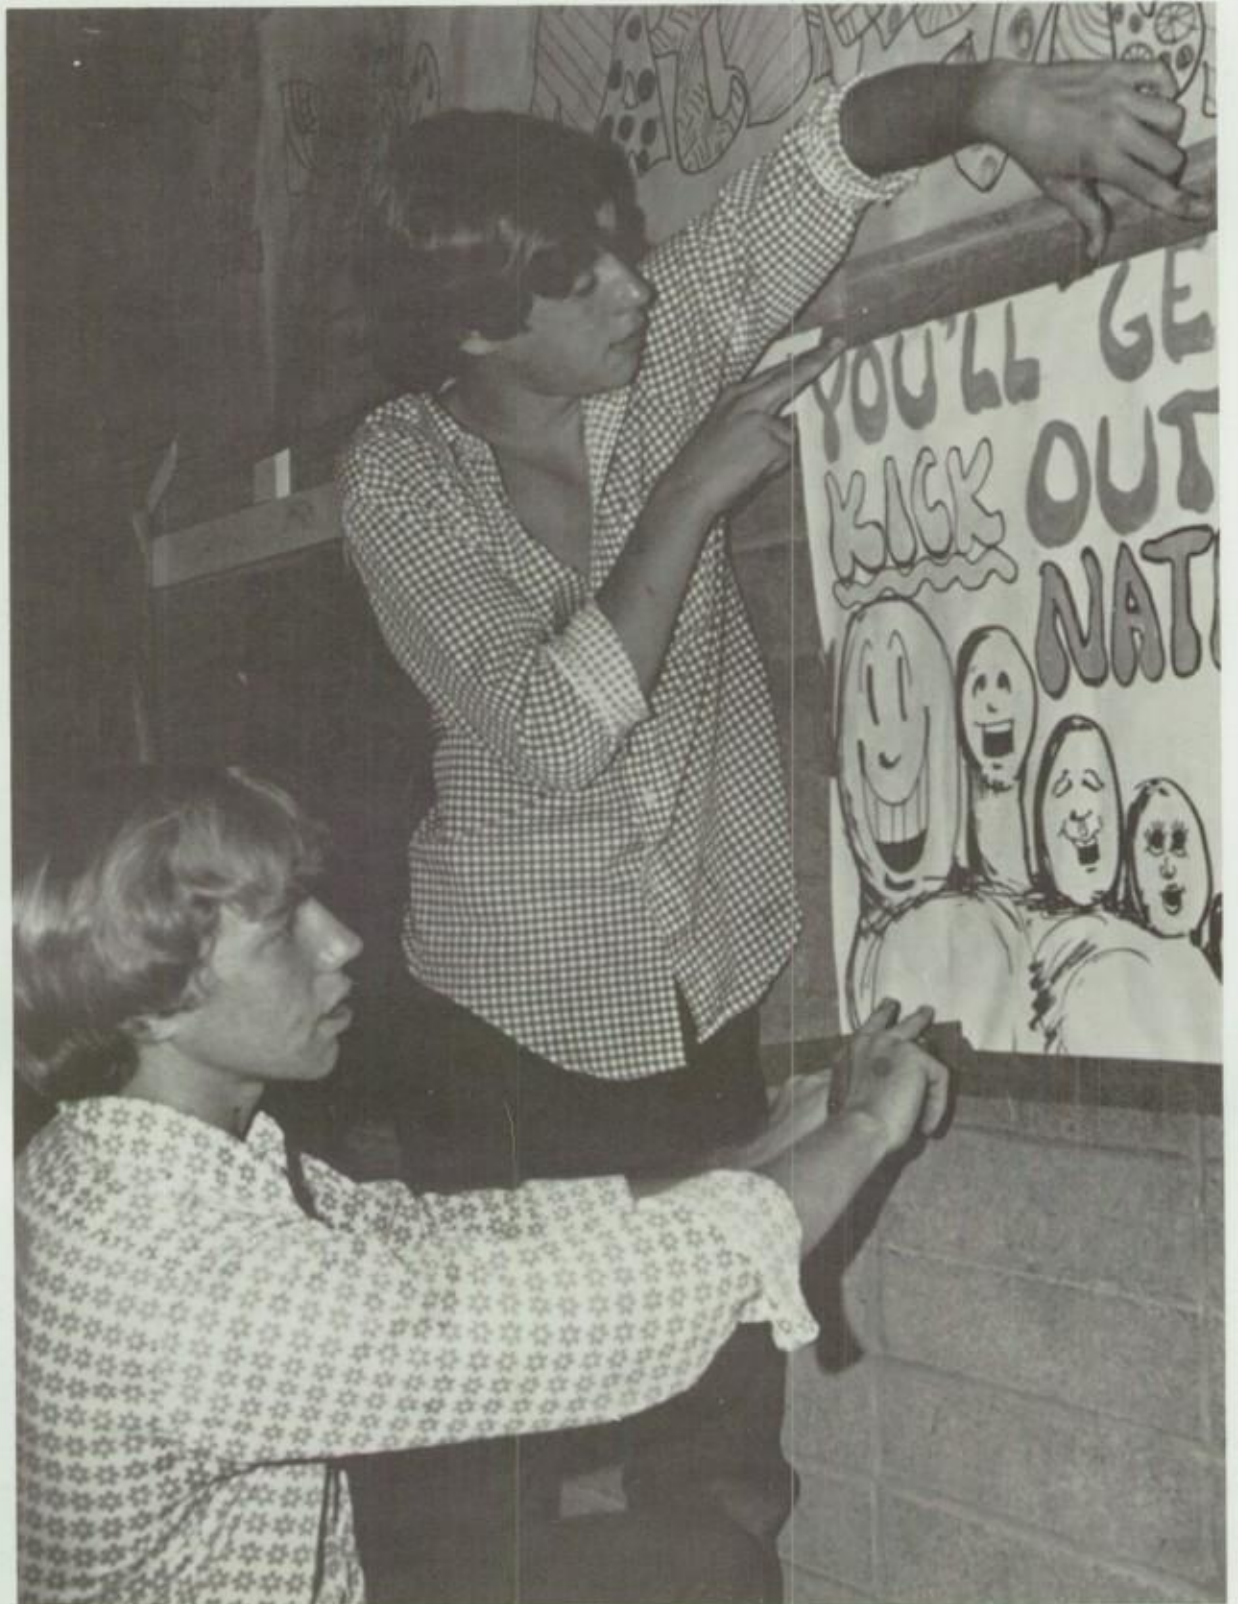

OLD BEGINNINGS FOR A NEW YEAR

Once again the year was started out with excitement and frustration. While Student Council was working hard on the Hello assembly and dance, the poor ole Sophies were struggling through their first election.

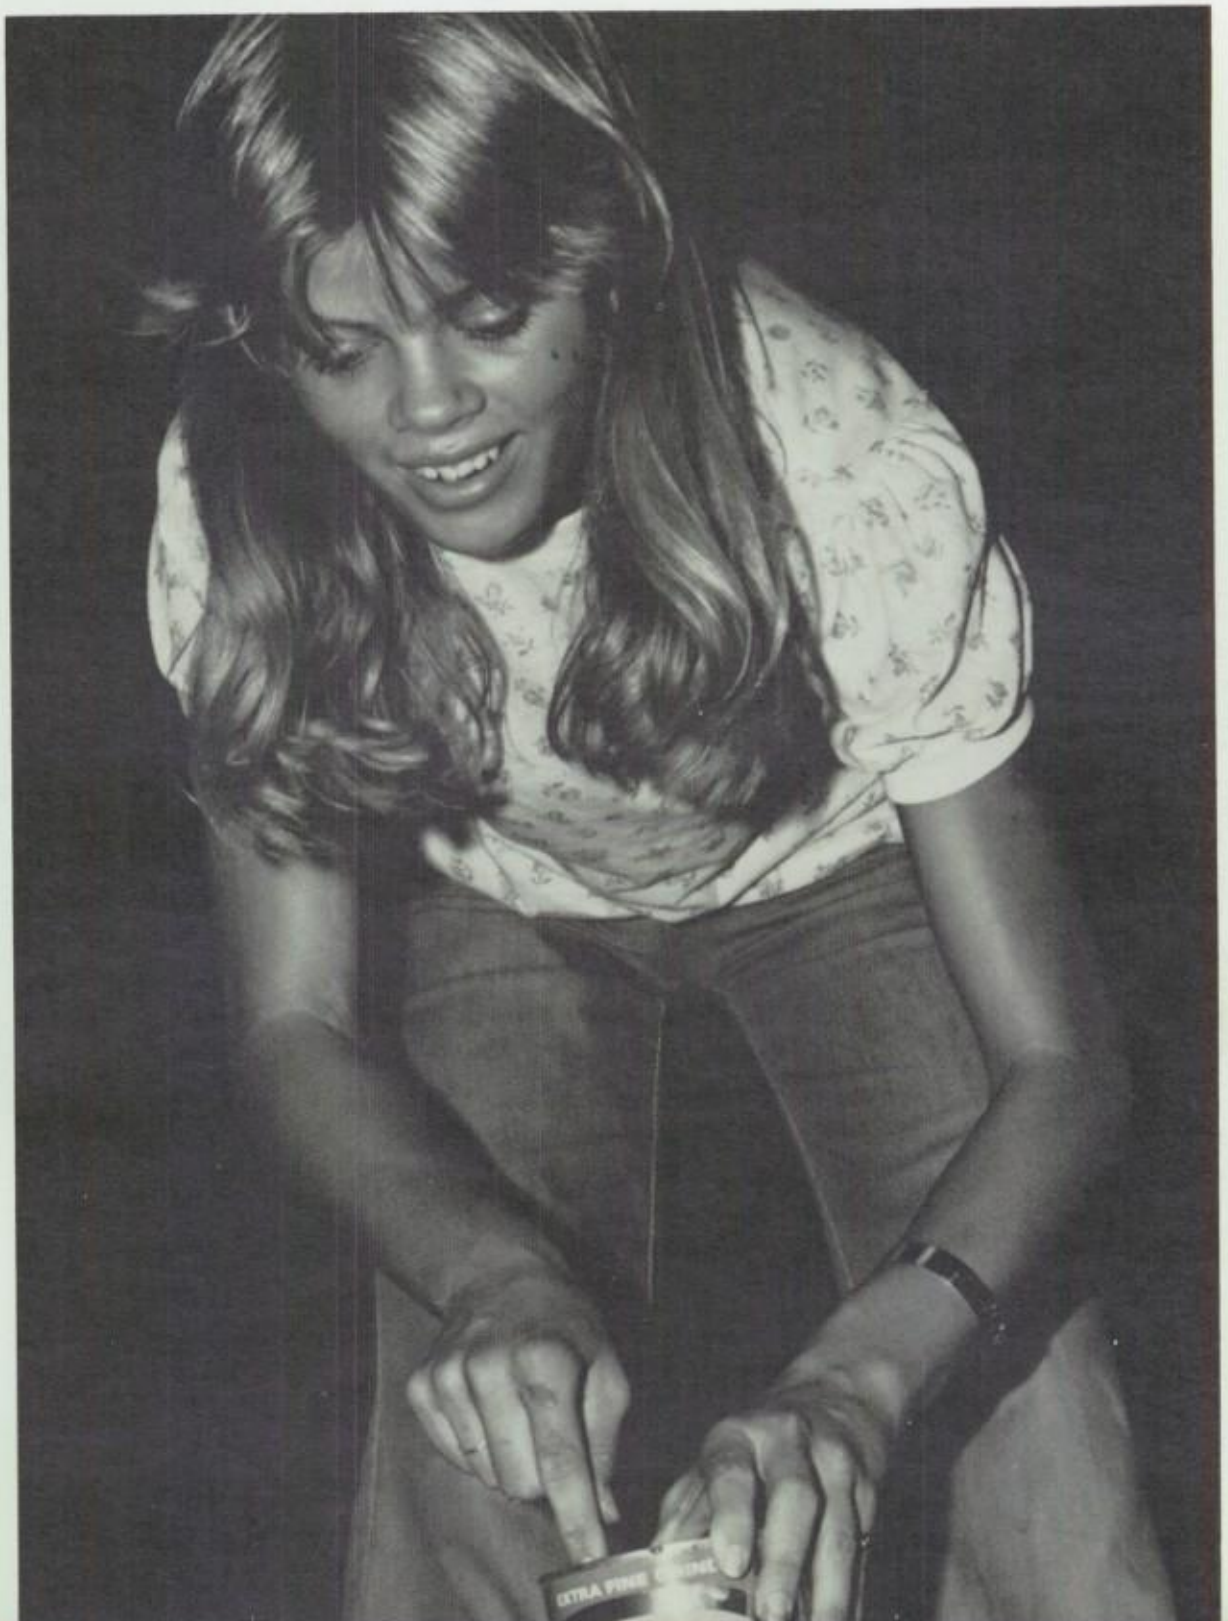

Decorations were important for dances, just as the first assembly was important for the whole year. Signs didn't hang themselves, it took dedication to put up a few posters. That's Westwood's tradition, never changing, never dying.

TOP LEFT: Look what's here! It's Westwood spirit that's been locked up all summer and finally escapes at the Hello Assembly. EXCITEMENT, WORK FILL STUDENTS' LIVES

Is there life after school? Of course; and a good life at that! Fun-filled activities take place all of the time—from washing a car in the cool autumn winds, to going to the fair and enjoying the thrilling rides and side shows.

Students were constantly on the move during the school year. Night hours and weekends brought parties, or maybe a quiet night at the drive-in with a sweetheart, or just a cruise down Main Street.

Other kids enjoyed the money and experience of a job. For some real action, many headed for the snow-filled mountains for a weekend of skiing, sledding or tobogganing. Nature lovers stuffed their backpacks and hiked up hidden roads and trails in to the wilderness and beyond.

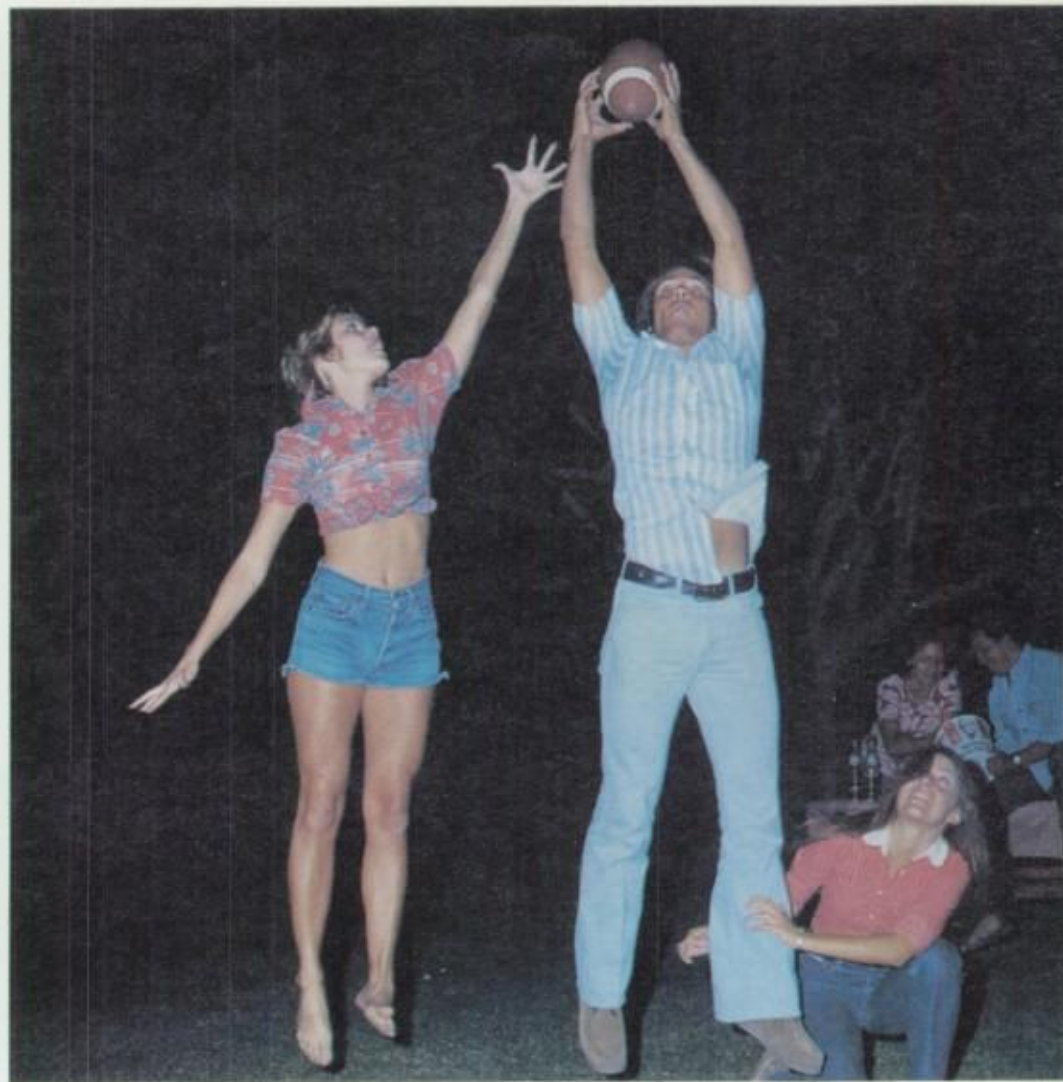

Yes, there is life after school. Maybe that is where life really begins.

GRADS TREATED TO A WIN AT HOMECOMING

The alumni returned to Westwood on Homecoming day to reunite with friends, teachers and old traditions. To start the day off, an assembly was held bringing back many of Westwood's old favorites through comedy, dance, and song.

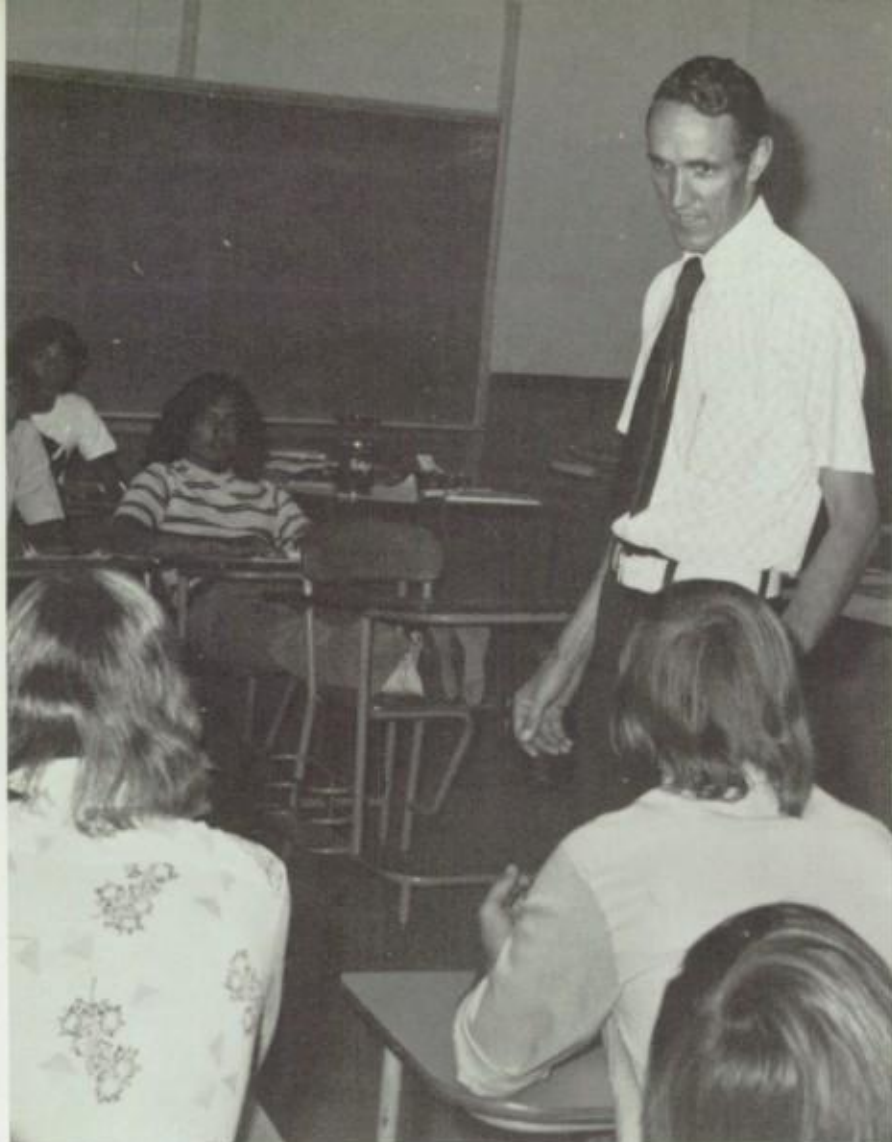

Meanwhile, excitement and tension was being built up for all three classes. For several weeks students worked day and night to complete their idea of what a Homecoming float should be, knowing theirs would be judged in competition with the others.

All the anxious waiting and wondering came to an end during that evening's game half-time. The Sophie float won, giving it the honor of carrying the 1974-75 Homecoming Queen and King, Lisa Sezate and Ron Bonner, around the track. To top off the evening, Westwood defeated McClintock by a score of 20-14.

ALTERNATIVE SCHOOL A CHANGE OF PACE

Did you seek a real change of pace? Were you interested in taking courses or programs that couldn't be found anywhere else in the district? Then Alternative High School was the place for you.

Because the school is small, it gave students a better chance to get acquainted with teachers and peers on campus. They also received more personal attention in class. Opportunities for participation in such things as student council and the school newspaper were open to kids that couldn't possibly have joined in a larger school.

Many specialized courses, such as advanced automotive programs, clerical training, special interest clusters, and others made it possible for students to get a closer look at the world of work and help train them for a job of their choice before leaving school.

SPIRIT OF GIVING BRIGHTENS THE HOLIDAY SEASON

Christmas spirit was in the air as the holiday season approached. Everyone was busy trying to get last minute shopping done and, of course, putting up the traditional Christmas hall decorations. All classes did their best to put up the most creative drawings and ideas.

The annual canned food drive was collected along with a toy drive. All students were asked to try and bring at least one can of food and any toy not in use. As usual it was very successful. The articles were distributed throughout the valley to needy families.

JUNIOR CLASS PRESENTS BROADWAY SATIRE CENTERING ON REACHING STARDOM IN 1942

In "March to the Stars," the Juniors took on the job of presenting a small-scale Broadway musical. The story centered around a young and struggling dance team, Clark Burns and Scarlett McKay.

After meeting backstage of an off-Broadway theatre in the early 1940's, the couple pledges to make it to Broadway together. When Mr. Boogie, a Broadway director, sees their act, he asks Clark to be in one of his plays as sexy actress Eva Grayson's co-star, but Scarlett is only her understudy.

From then on it was problems, problems for Clark and Scarlett, but all worked out as Scarlett replaced Eva, and the play ended with a patriotic medley with the dance team on Broadway.

NON-MUSICAL SCHOOL PLAY IS SUCCESS;

This past fall brought to us one of the best non-musicals ever performed by Westwood's drama department.

Directed under the watchful eye of Jay Dean Jones, "The Many Loves of Dobie Gillis" proved to be a tremendous success.

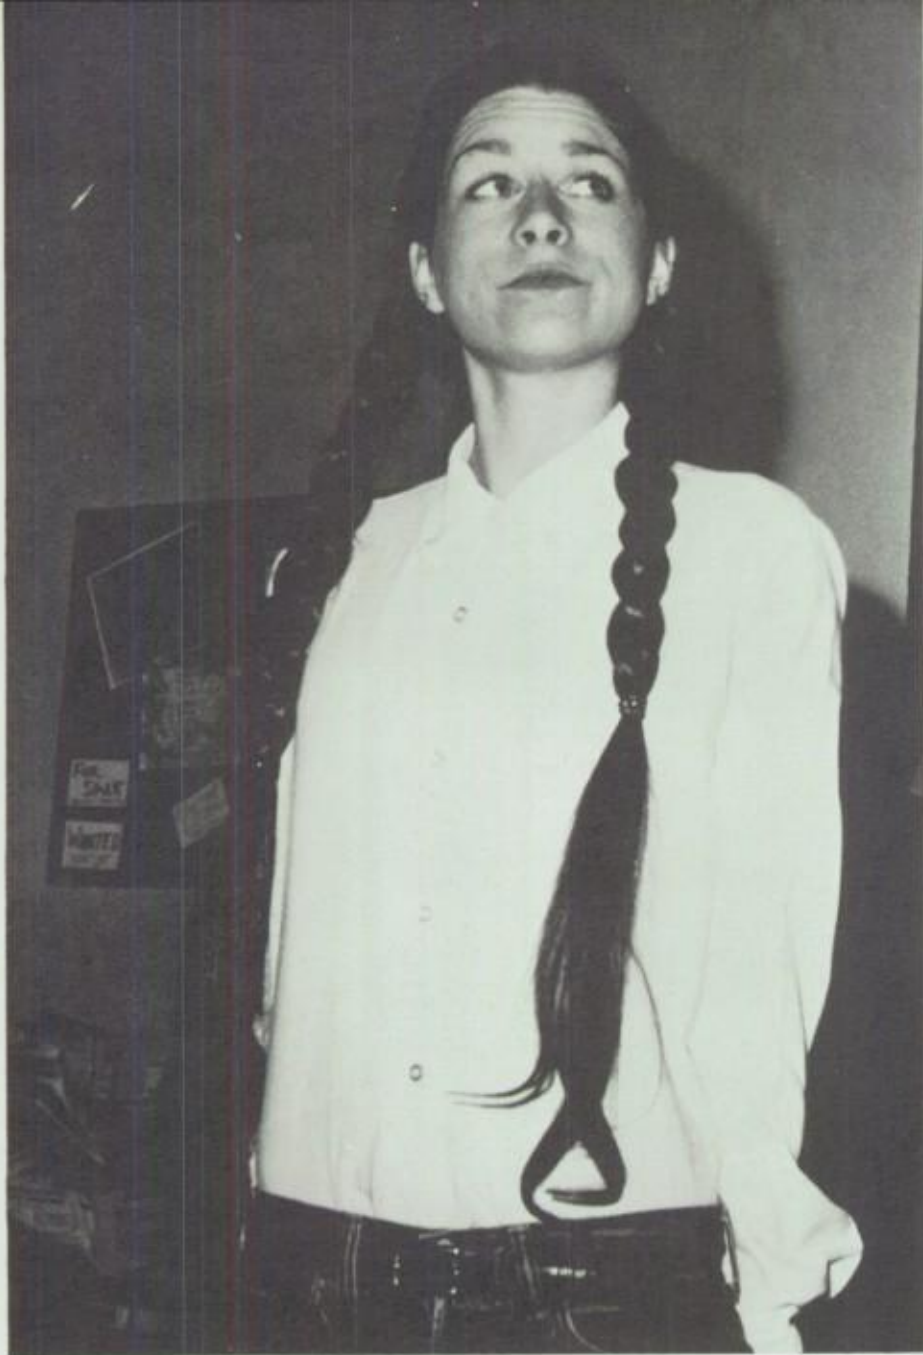

Dobie (played by Michael Jones) kept the audience in stitches with his amusing antics and fumbling efforts to win the heart of the beautiful, but cold Helen. Helen (Amy Laird) was going steady with the school idol, Petey (Jack Scott).

Petey only used Dobie for his brains, much to the dissatisfaction of Bonnie (Jeanette Crane), whose heart throbbed for Dobie. It didn't take Dobie long to realize Bonnie was the girl for him, not the gorgeous and sly Helen.

STUDENTS GO ABROAD WITH A.F.S. FUNDS

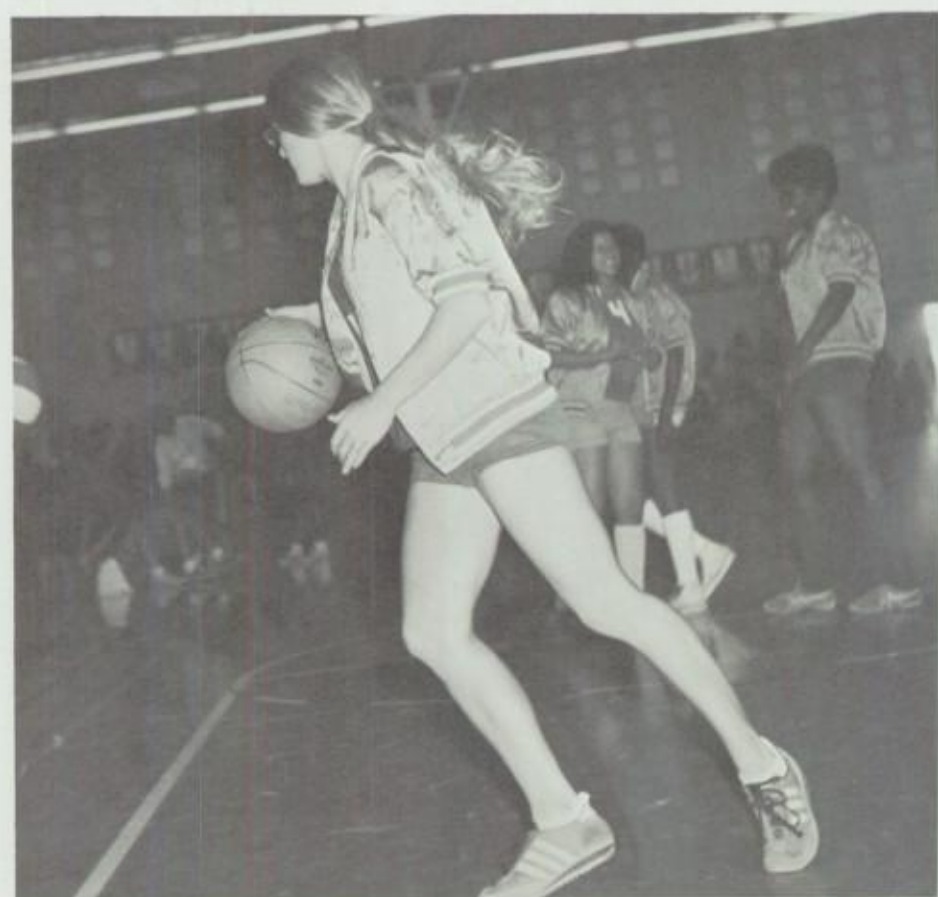

The auctioning of slaves, girls playing basketball, selling baked goods, all this and more were part of American Field Service Week, better known as A.F.S. Week.

The week started out with an assembly where foreign exchange students from Westwood and other high schools were introduced.

In an effort to raise the needed \$1,000 to send Westwood students abroad, class councils and Student Council sponsored several fund raising events. The Senior class presented a basketball play-off between Westwood's faculty and the Harlem Clowns. Pioneer Park was the site of the "Roll-a-Thon" sponsored by the Juniors, while Sophomores sold baked goods throughout the week.

To highlight the week's events, the annual Powder Puff basketball game and slave auctioning of students were held. The Powder Puff game attracted a full house and at the slave auction several students were sold for high bids.

LIFE IN 'STALAG '75'

"I know nothing, nothing!" Sound typical of the Senior class? No, actually it's a line from their spectacular class play, "Stalag '75."

The Senior class play proved to be a smashing combination of strong choreography, hilarious one-liners, and sharp musical production.

The plot revolved around life in a German prison camp, complete with a funny looking Gestapo, beautiful U.S.O. girls, and mangy G.I.'s.

With only a few rehearsals the Senior class, as usual, seemed to get it together at the last moment for another competitive step towards the coveted Natani award.

OPENING ACTIVITIES ENTERTAIN WARRIORS

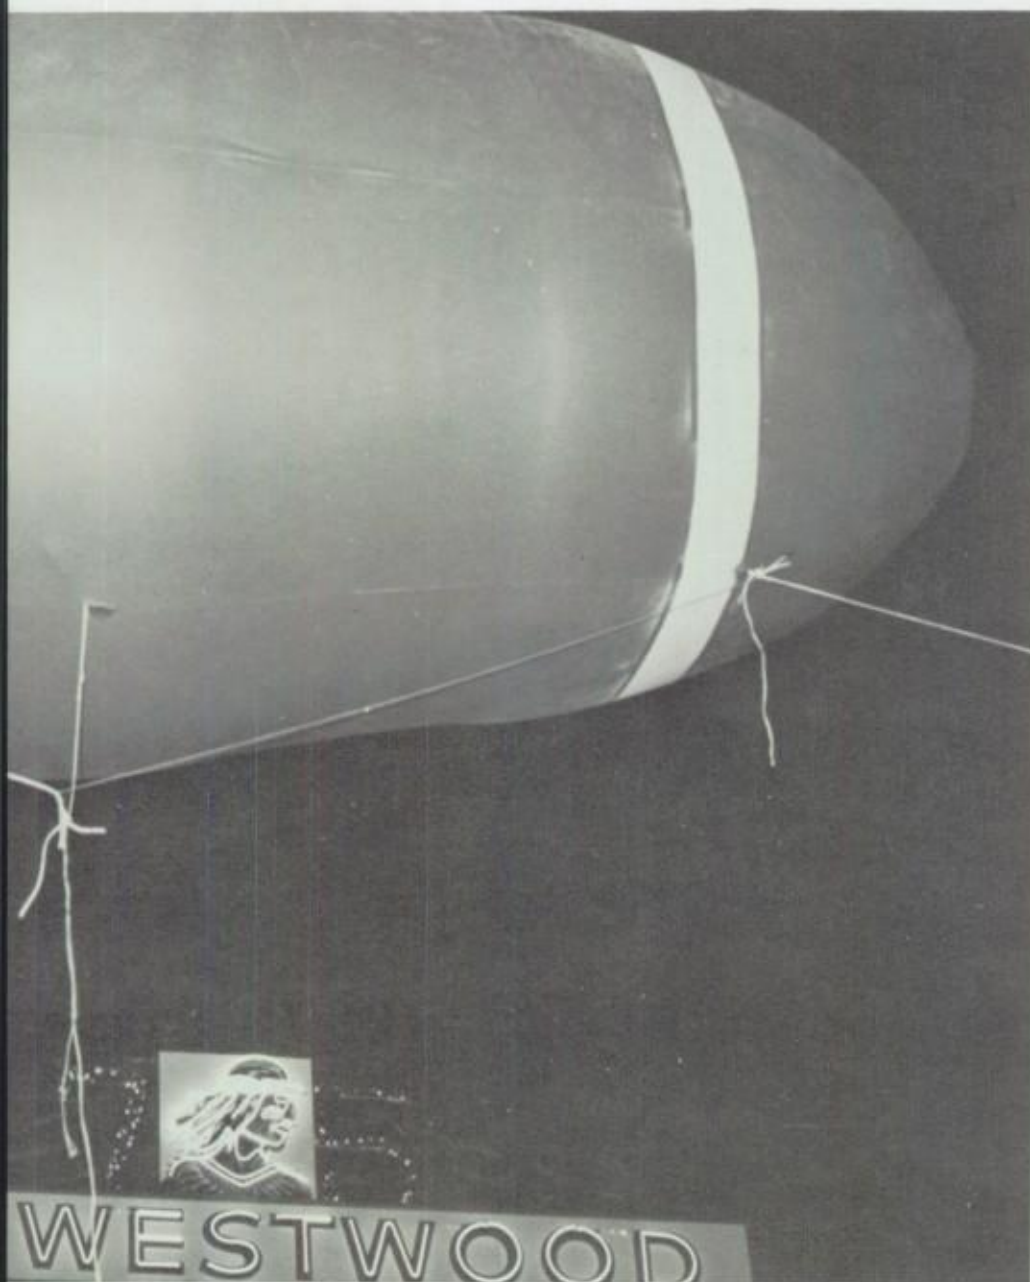

The performances in the Curtain Time '74 program differed as much as the two ends of a man-eating tiger. And yet, all of them were pretty darn good. Among the highlights was Lynette Palmer's imitation of two dancing bunnies. Also, Jennifer Jones and Jack Scott executed to perfection a graceful modern dance. And of course, at one point the clock was turned back to the era of the Andrew Sisters, or rather the Honeydew Sisters, who helped make the show a crowd pleaser.

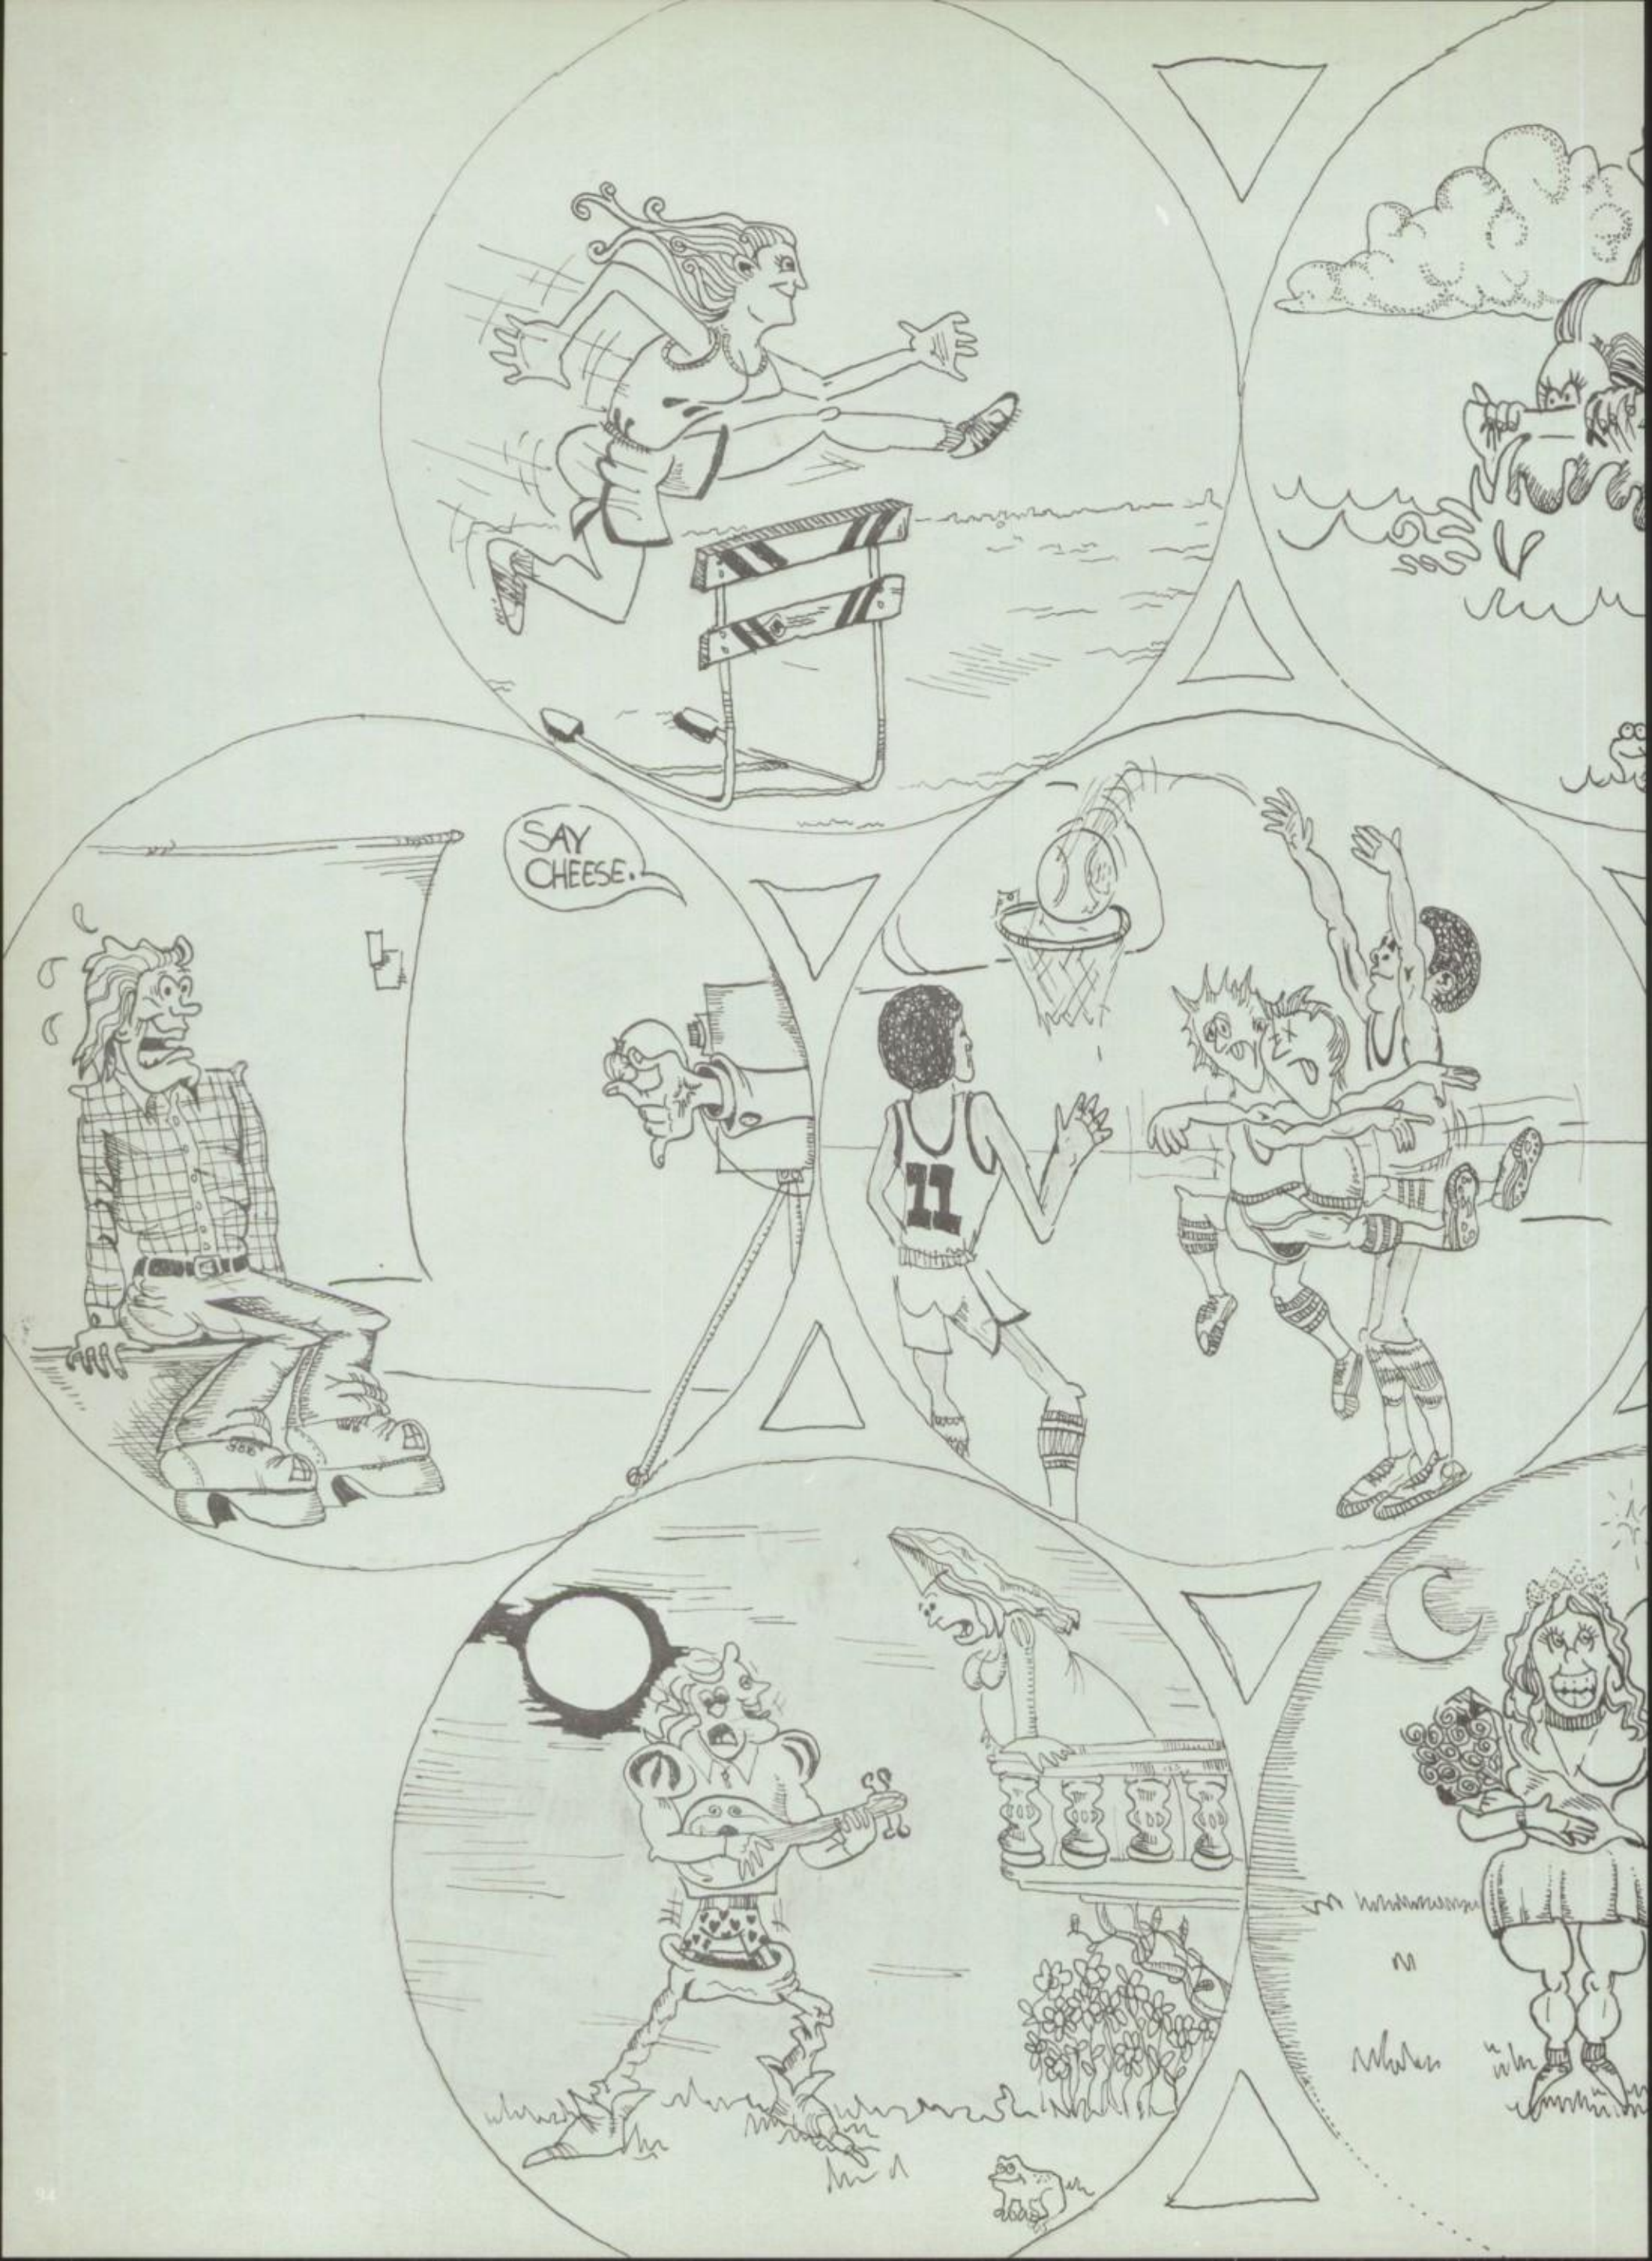

On October 17 the Warrior Pow Wow was held on Brimhall Field. A surprising sophomore class shocked the upper classmen with victories in the attendance count and class yells. However, the seniors retaliated with their skit which was narrated by their own "Coward Hosell." The Class of '75 also took top decoration honors with the help of a huge balloon, and built the longest spirit chain to win the overall competition. The spirit chains helped raise money for the AFS program and the Pow Wow as a whole gave a boost to Tribe spirit going into the Scottsdale football game.

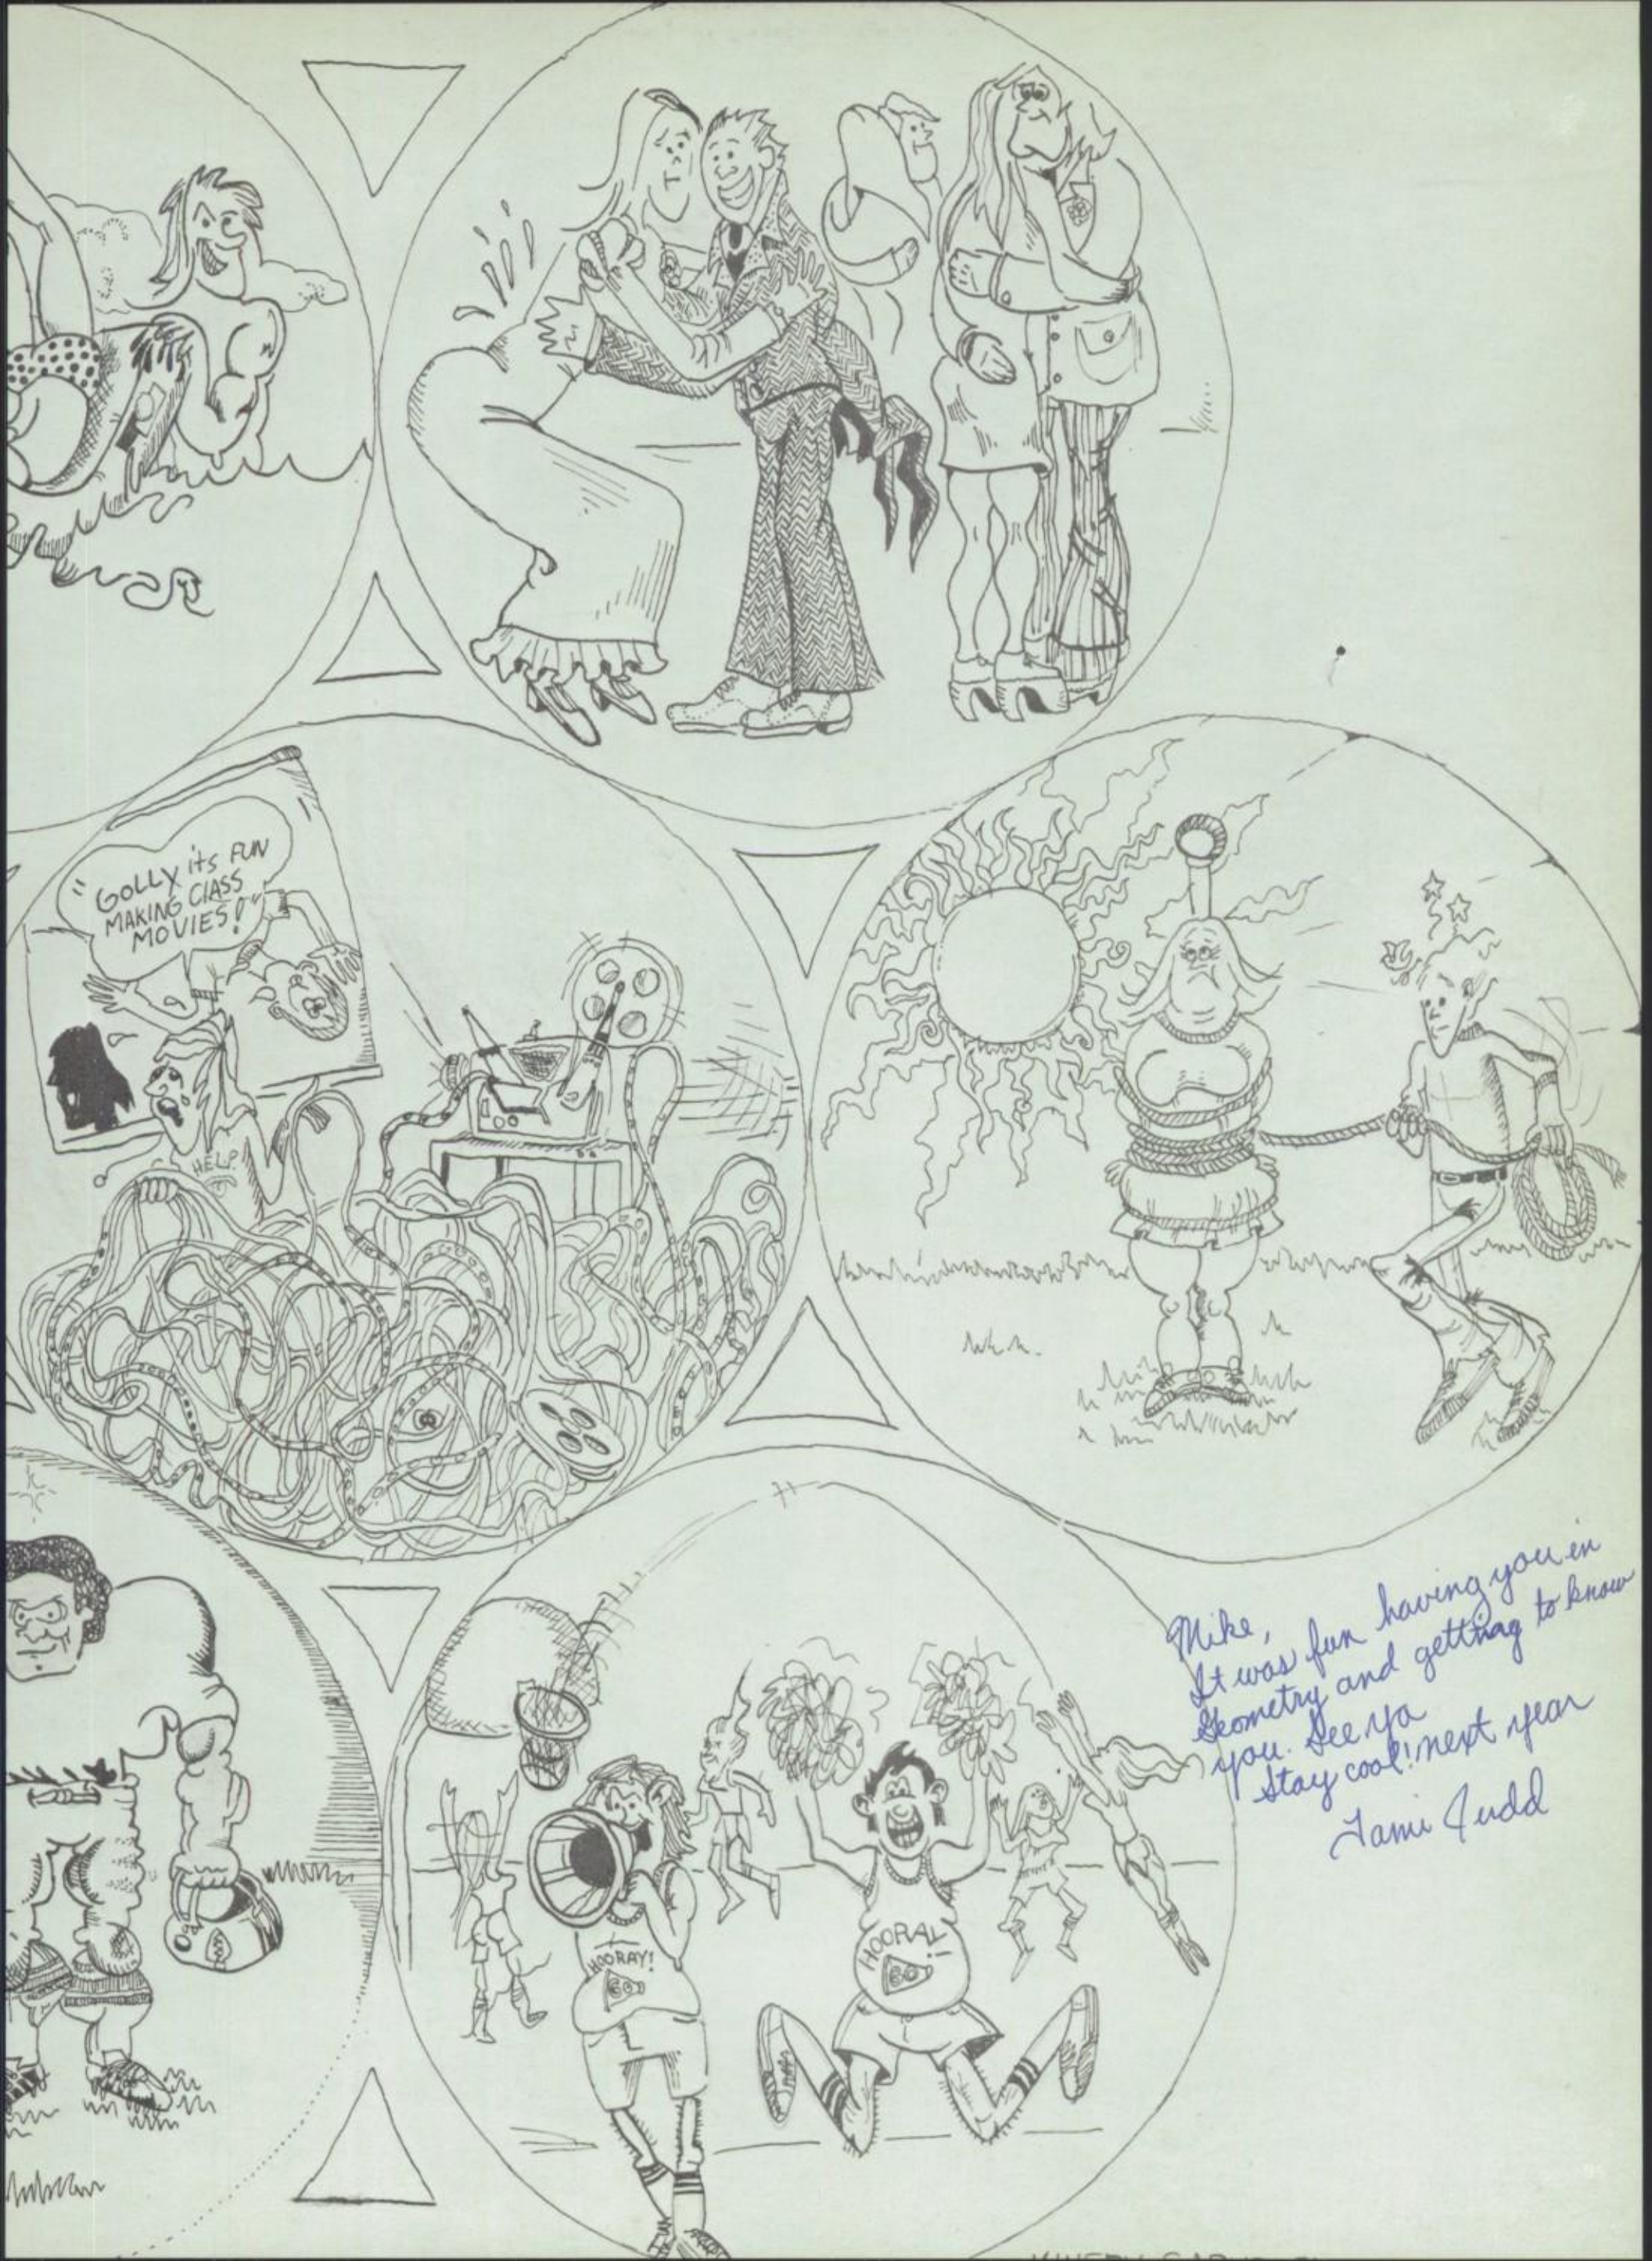

OPPOSITE PAGE-UPPER LEFT: Sheryl Clore, Kim Kilpatrick, and Donna Jones are the Honeydew Sisters. LOWER LEFT: Jennifer Jones and Jack Scott take the spotlight during Curtain Time with a modern dance. TRAINED AND TALENTED EDITORS, WRITERS, AND PHOTOGRAPHERS STRIVE FOR 'THE BEST'

Who took the time to write the captions and copy for each page of the yearbook? Why the publications' staff of course! Not only did they have talented writers and photographers, but they also had editors and sponsors who, along with the classes, gave up a lot of their own personal time to make the yearbook special and unique.

Throughout the year the staff could be found selling various things from candy canes to Golden Skone booklets. The money earned went toward special parties at Christmas time and at the end of the year. These parties were definitely needed after the long hard deadlines were met.

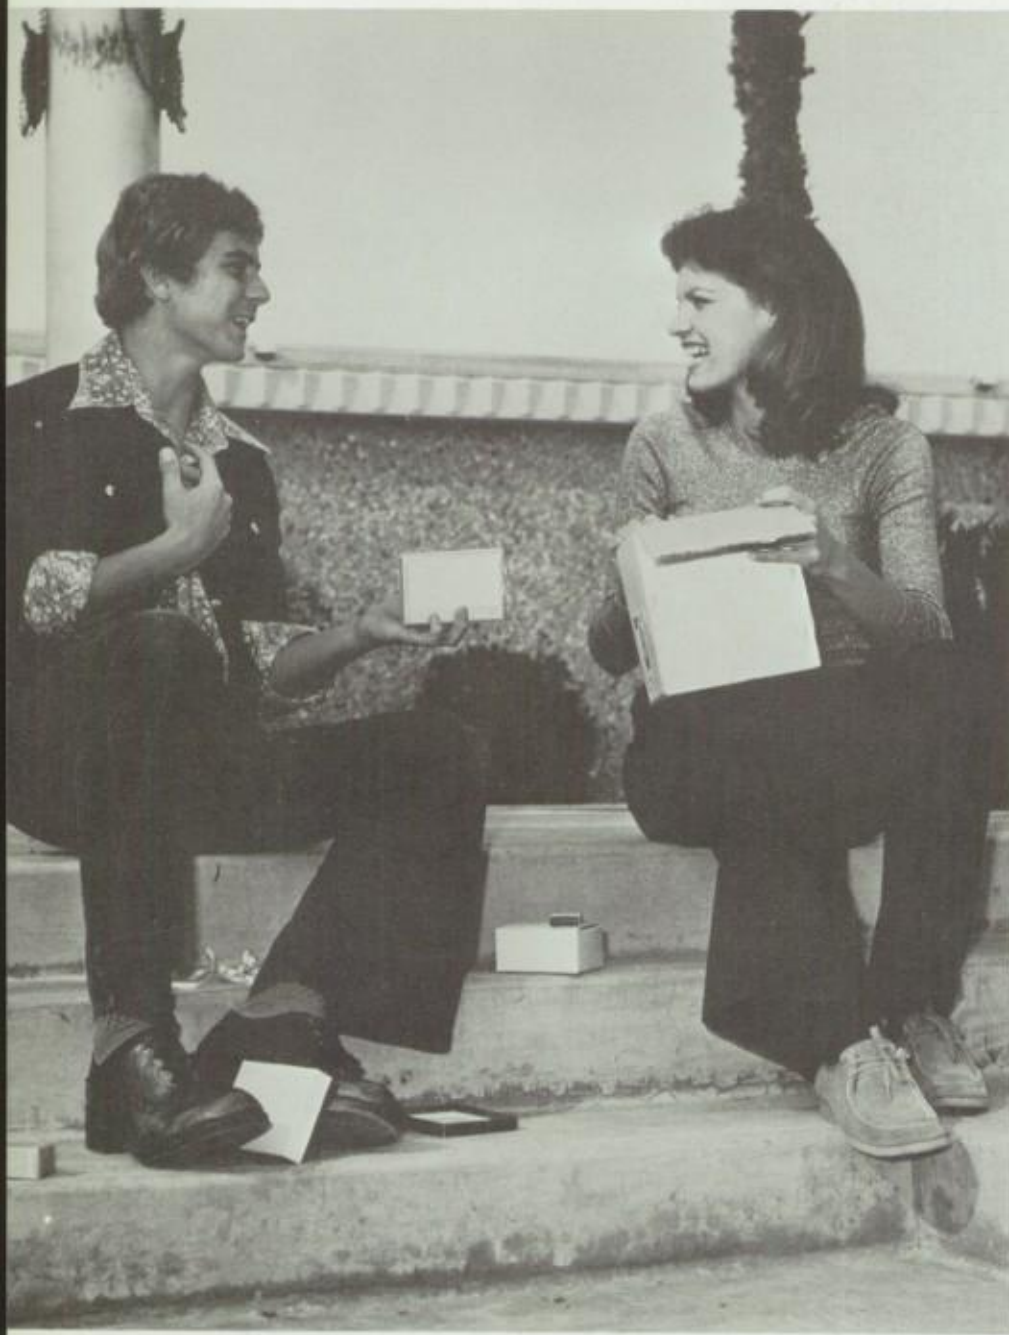

OPPOSITE PAGE-UPPER LEFT: That big smile on David Doyle's face sort of makes you wonder what kind of picture he is developing. TOP RIGHT: "Would yuh hurry and snap the picture, I gotta get out of this dress!" mumbles Jane Lowry to herself, as John Ishikawa smiles patiently. GIRLS AND BOYS LEAGUE WORK TO IMPROVE SCHOOL AND COMMUNITY

Want to join a league but the bowling alleys are all full? Are you interested in becoming involved in school as well as community activities? Sounds like Girls or Boys League is just what you're looking for.

Throughout the year, these clubs sponsored different school activities such as the Christmas formal, G.A.B. week and the long awaited Coed. The clubs went on many outings, one of which was with children from Sunshine Acres. Both Girls and Boys league were active in the canned food drive at Christmas time, which not only provided much needed food for the poor, but promoted school spirit. At the football games, Boys League faithfully sold refreshments and shouted their usual, "Coke, popcorn, peanuts!" up and down the stands.

ACTIVE CLUBS HELP PROMOTE GOODWILL

"Resolved that the United States should significantly change the method of selection of Presidential and Vice-Presidential candidates." This topic was used by the debate team in their twelve tournaments throughout the 1974-75 school year. The speech team hosted two Forensic League of Arizona speech tournaments, a Practice Tournament and a Winter tournament, at which many team members were named outstanding.

"S" Club lived up to its motto of SERVICE this year. Besides the annual selling of Homecoming mums, "S" Club filled Christmas stockings for MARC School, made doll clothes for the Salvation army, and offered service at antique and different art exhibits around the valley. Many of the girls attended a "S" Club Convention in February held in San Diego, California.

Future Teachers of America (FTA) was a newly reorganized club at Westwood this year. Student-teacher relationships at elementary schools, club activities, and hearing guest speakers from various teaching-related professions were all experienced by the members of FTA.

LOCAL CAMPAIGN PART OF POLITICAL WORK; LOCAL WORK PART OF KEY CLUB'S CAMPAIGN

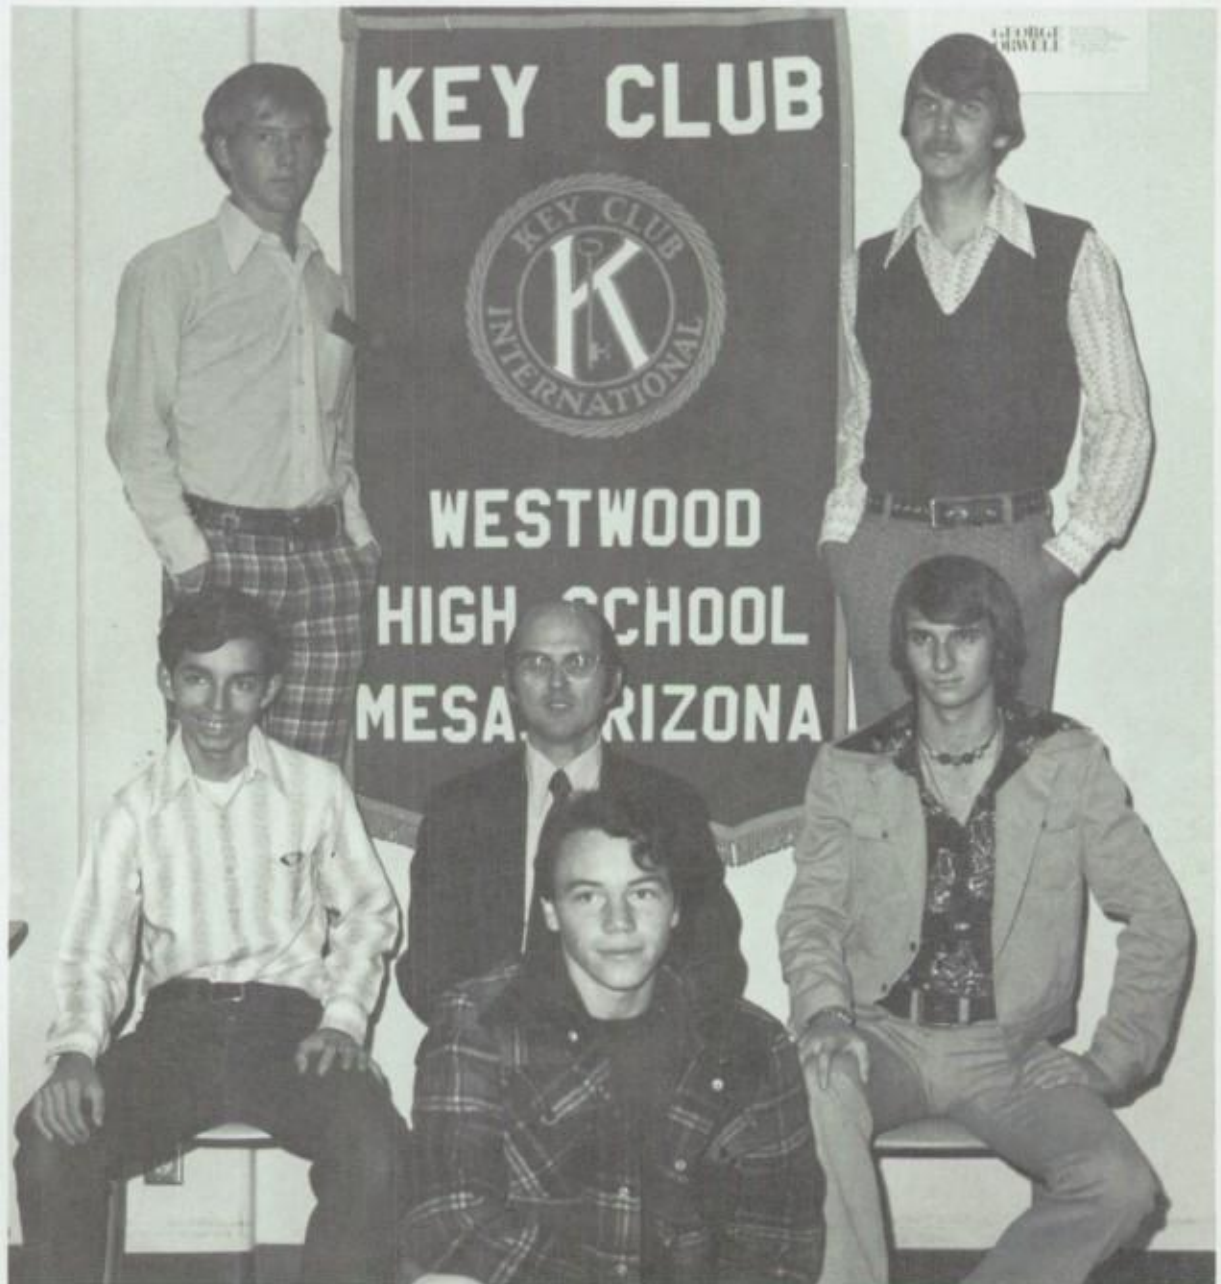

The fall of 1974 was the season of state elections. For the Young Republicans and Young Democrats, its arrival signaled the beginning of the campaign.

Prior to the election, club members circulated pamphlets and literature supporting their favorite candidates.

Even after the elections, the two clubs held meetings regularly in an effort to increase interest in the government and its policies.

The Westwood branch of the Key Club, an international organization sponsored by the Kiwanis Club, took part in many activities during the year.

Highlights of the group's services included helping the parent Kiwanis Club with its annual Pancake Day, helping during Mesa Education Week at Tri-City Mall and running the concession stand at all home basketball games. Members also attended the annual Southwest District Convention in Albuquerque, New Mexico.

TOMORROW'S STARS ON OUR STAGE TODAY

Lights! Leaps! Leotards! These words described two very active groups on Westwood's campus.

With the leadership of new faculty member, Laurie Zarkou, Dance Production was under the spotlight more times than ever before. After just a few weeks of togetherness, the class was on stage in "Curtain Time" with "Bad, Bad Leroy Brown" as their number. Next performance included Dance Club and Masque and Dagger. It was entitled, "An Evening of Musical Theater." Second semester saw the more serious Spring Concert and several demonstrations at elementary schools.

Without Stage Crew, nothing in Shepherd Auditorium could be accomplished. Led by manager Brent Done, the Crew operated the light panel, recording machinery and all the other complex mechanisms involved in technical theater.

There were two plusses to the time consuming work. First, the group met famous people, George Plimpton and the Lawrence Welk cast to name a few. Better, they received pay for all the time they worked outside school hours.

OPPOSITE PAGE-BOTTOM: Capably assisting Brent Done is Dena Thompson. The work they and their classmates do is essential to performances on Westwood Stage. CYA, YOUTH ARC AND SKI CLUBS GET INVOLVED

Going down hill? Feel left out in the cold? Well we have a club just for you, Ski Club. This years adventurous club took several ski outings to Sunrise and to the Snow Bowl.

Youth A.R.C. is a national organization in which students work with retarded children on a one to one basis in their homes. Their projects consisted of selling Christmas cards and a bike marathon.

Christian Youth of America held weekly prayer meetings. At these meetings, they had guest speakers, Bible readings, singing and several other activities.

EBONY, RODEO, AND CHESS CLUBS SHOW GROWING INTERESTS

Black Power and Black Involvement seemed to be the motto of the Ebony Club for this year. More students turned out to get involved and to show how much power was behind the club. Black Heritage Week was the high point for the club.

A new club that sprung up this year was the Rodeo Club. They spent their leisure time riding horses and bulls.

Chess Club also had a greater turnout for the year. Chess became more popular, as their members showed more interest and tougher competition.

EBONY CLUB-TOP ROW: Patricia Willis, Debbie Sanders, Alice Boakin, Sammy Seaberry. SECOND ROW: Doris Pierson, Venesa Cayton. THIRD ROW: Debra Washington, Pam Gibbs, Mary O'Banner, Carla Brown, Princess McClelland, Terri Harrell, A. Harrell. BOTTOM ROW: T. Williams, S. Seaberry. FFA VICTORS AGAIN; HONORS ABOUND

The FFA started the year off with the buzz of chain saws at the annual chapter woodcut - taking thirty cords of wood. Other profit projects included the poinsettia and mum plants sold at Christmas and the dozen head of calves which were raised to support FFA activities.

Later in the fall, the horticulture and meat teams traveled to Kansas to compete at the national level. Final competition placed the meat team seventh in the nation and the horticulture team eighth. February and March brought a series of judging contests. The chapter was represented by fifteen judging teams which placed Westwood's FFA at the top. Through the help of all, especially the inspiration and guidance provided by Chester Crandall, the FFA's year went out with a bang, not a whimper.

COE, HERO AND DECA PRODUCE FINE JOBS FOR THE AMBITIOUS

Need a job? No problem, just join COE, DECA or HERO and chances are you'll have a job in no time at all. These programs give the proper training for the desired line of work and not only that, school credit and on the job pay as well.

If your main interest is secretarial or office work, COE can place you in various places such as banks and different offices. COE students brought in many canned foods at Christmas for needy families.

DECA is more in the area of selling. Students were employed as salesman, clerks and carry-out. DECA was outstanding in fund raising and community service projects and won many honors for activities.

Working with children and serving people in restaurants was HERO's line of work. HERO is more concerned with economic related type jobs. Students found their jobs with HERO very rewarding.

STAGE BAND, DRAMA CLUB ADD SPARKLE

If the "Dusty Butterfly" strikes a familiar chord, it's probably because you attended one of Stage Band's bright performances. Their talent and rhythm enabled them to astound audiences at many festivals and concerts. Under the top-notch direction of Mr. Lloyd, the band walked off with assorted ribbons and honors.

"Busy," described Masque and Dagger this year. Boundless were their energies as well as their talents. Masque and Dagger participated in performances and community affairs, such as entertaining the students of MARC school at Christmas. In the fall they joined Dance Club in a fresh new production called, "An Evening of Musical Theatre," consisting of scenes and dances from Broadway musicals. In the spring, they produced their annual "Evening of One Acts," and throughout the year they attended films such as "Gone with the Wind" as club activities.

FOREIGN CLUBS UNIQUE & UNITED

The main activities of the Latin Club were fund raising to finance a scholarship. The events of the Foreign Language Week were highlighted by a Roman play all in Latin. The Latin Club sold candles and various little statues of animals.

The French Club participates every year in the National French Contest held in spring. Rick Fernandez was last year's winner from Westwood's French Club. The French Club ended the year with their annual French dinner.

The Spanish Club made their money by selling tamales at football games. Some of their money went toward exciting field trips.

CHICANOS, GERMANS TAKE HONORS GIVEN AT '73-74 ASSEMBLY

Pretzels! Pretzels! Pretzels! This was a familiar cry frequently heralded across the campus many times this past year. That's right! German Club captured the 1973-74 Club of the Year award for selling those delicious pretzels. That wasn't the only reason German Club was honored a second year in a row. They also attended many festivals and competitions, winning various awards.

Also sharing the limelight of honor were the Chicanos Unidos. Service and fun was their motto this past year. They participated in many different school and community projects, including Christmas caroling at nursing homes and putting on an assembly in the Spring.

As you can see the German and Chicanos Clubs were very busy and energetic this past year. This only goes to prove that Westwood still has the best clubs around.

Hi Mike!

If you've passed by the chorus room this past year, you may have heard the music of this year's girls' chorus ringing through your ears. Working five days a week along with many practice sessions on week-ends and evenings helped to produce some of the finest sounds ever to echo through the halls of Westwood. Not only did they perform for the students of our school in their annual Christmas and Spring concerts, but also for many community functions.

The one-hundred and four members of the girls chorus worked hard to master both popular, religious and classical songs, and by the end of the year they were proud of the music that came forth from their efforts.

Career Lab was also very successful this year. This club was created with the aims of the special student in mind. Field trips, speakers, research projects and on the job experience, along with a great deal of counseling, was gained throughout the year with a sense of self awareness and career direction.

CHORAL MUSIC PLEASES ALL

Under the direction of Mrs. White, and Mr. Slotterback, the Singing Warriors and Westwood Girls were two of the hard working choruses this year.

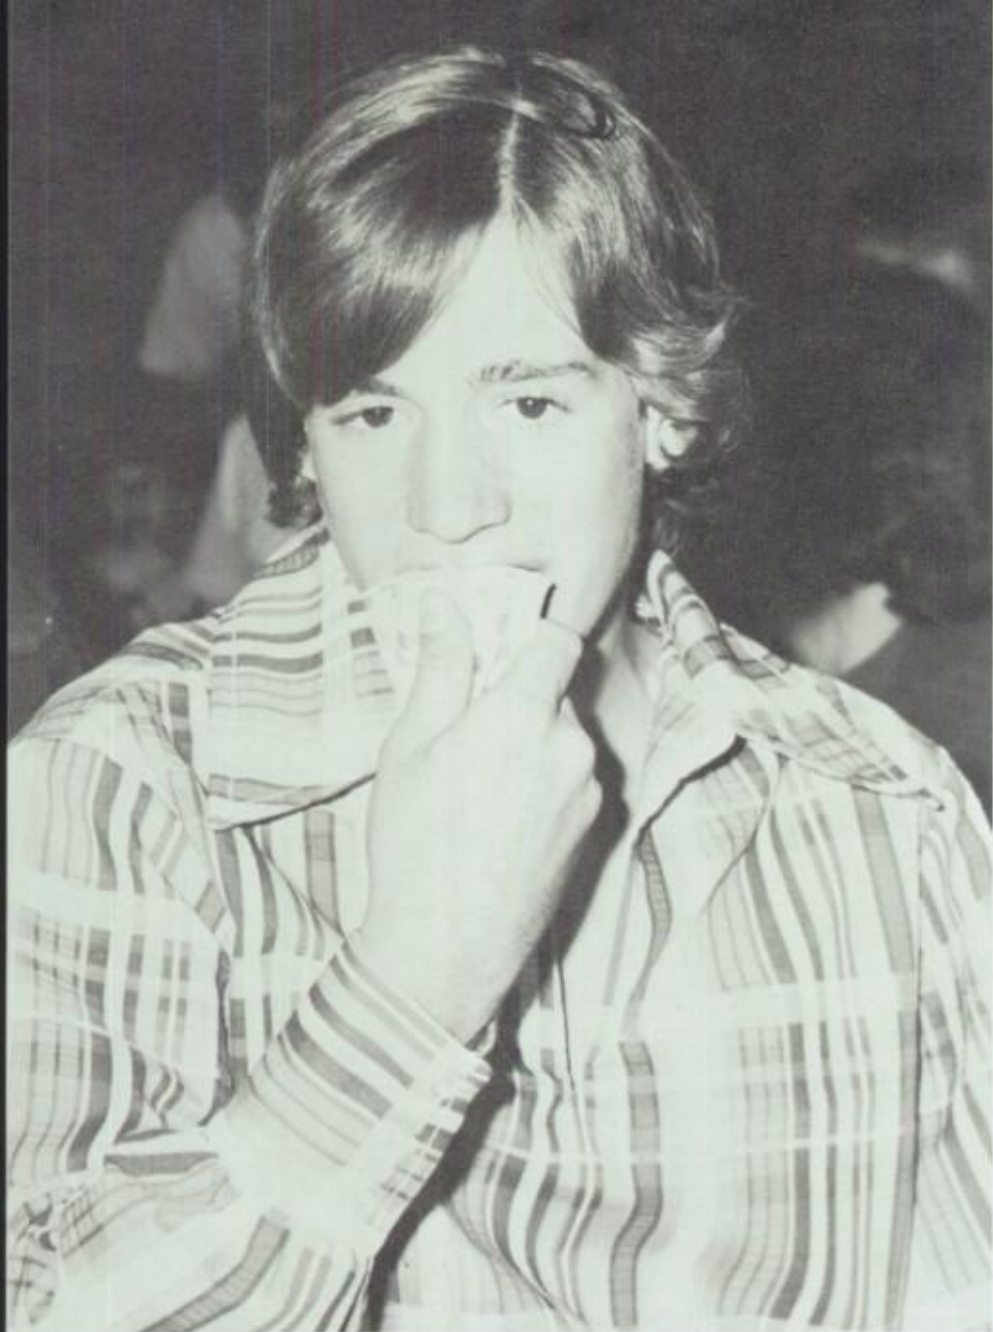

Hours of devotion and practice went into each performance given, besides private work by individuals on solos for the Regional and All-State tryouts held in January. Ensembles spent many hours after school rehearsing for the Ensemble Festival.

Along with spending the year preparing for concerts, the choirs also tuned their way into many people's hearts at the annual Rosarita Dinner, caroled at the Desert Club's Christmas Idea House, and ushered at many musical events held in Shepherd auditorium.

POISE,

"Superior" is the word for the job Concert Choir showed us this past year. Under the direction of Floyd Slotterback they presented a variety of programs, a few money making projects and a lot of service to others. One outstanding performance was their annual Canticle Carols concert which proved to be of great success. Their talent, skill and creativity made them number one.

Showcase Strings really hit the top this year. They're greatly known all over the valley for their brilliant performances at dinner clubs, banquets, churches and service clubs. During the first of the year they presented programs at places such as Mountain Shadows and the Phoenix Country Club which were very successful. In results of their talent they were one of four invited, by audition tape to play in San Francisco.

"Let's get in and warm up!" exclaims Mr. Slotterback while he hurrys and helps Cindy McCurdy with her robe.

ORCHESTRA RATES HIGH IN SAN FRANCISCO; ICE STUDENTS LEARN DESIRED OCCUPATION

The orchestra treated many people to many sweet musical sounds this year.

During the year they held many evenings concerts which included one Christmas school assembly with the choruses. They also attended the ASU and NAU music festivals and received outstanding ratings for both.

The highlight of the year came in February when they were chosen to be one of only 100 groups in the nation to attend the MENC Convention in San Francisco. It took a lot of hard work and extra time spent earning money to go. They earned this money through carport sales, candy sales, and various contributions from outside organizations.

The I.C.E. program is set up so students go to school half and work half of the day. It produced jobs for many deserving students.

A perfect picture of concentration is Renae Dodez, as she sits waiting patiently for that certain downbeat from Mr. Englesman.

APACHE BANDSMEN MOVING ON AND UP

Throughout the year, Apache Band members worked hard to have many outstanding performances. With the help of drum major Ron Huemiller, student teacher Foster Burton, and the director, Mr. Joe Lloyd, the band participated in numerous parades and other activities.

For the Homecoming game, they combined with the Warrior Band for an exciting half-time show. At the last football game of the season, the Apache Band combined with the Carson Jr. High and the Kino Jr. High bands to perform another fine, and tremendous pre-game show.

At the beginning of the second semester the band divided into two smaller groups. The top band was called the Concert Band. During concerts this part of the band played several selections alone, then the entire band played to finish the concert.

At the end of the year, Apache bandsmen were given the opportunity to audition for the Warrior Band. It is an honor to be in the Warrior Band because the competition is tough and only the top musicians are chosen.

WARRIOR BAND AMONG THE TOP IN ARIZONA

Spirit! Westwood's Warrior Band has participated in many activities, adding color and pep to the event. Highlighted by spirit, cheering and half time performances, were the football games, for which the band received much acclaim.

Since 1968, the Warrior Marching Band has received a superior rating in competition at the ASU Band Day. The Band was of course under the direction of Mr. Joe Lloyd. They were invited again to play at NAU's Homecoming. Also, the band joined in the festivities by marching in the Fiesta Bowl parade and performing superbly at the game that night during half-time. Displaying much skill and talent in music, the band performed in 3 major concerts and a festival in May along with many other various activities throughout the year. The Warrior Band once again placed many students in All-State as well as entering groups in the solo ensemble festival.

Westwood High is very proud of their great Warrior Band in all of their accomplishments and contributions to the school!

COUNCIL STRIVES FOR STUDENT INVOLVEMENT

Behind every school activity and program, sponsoring and running the show, was the hard working Student Council. These leaders devoted much of their time planning and carrying out the various functions every student enjoyed.

Centering on 'total involvement,' many new projects were introduced this year and successfully received, creating a better unity between the students and Council members. Two of these were the Answer Man and the new democratic government involving direct student participation in running the affairs of the school.

Westwood was represented at Girls' and Boys' State by seven delegates. The finalists were chosen by teachers, and the choices were confirmed by the American Legion and their Auxiliary.

The three Boys' State delegates helped create a mock mini-state government at Northern Arizona University. The girls established their government at the University of Arizona. Lisa Sezate was elected Chief Justice of the Supreme Court, and Maryke Christensen presided as governor of Girls' State.

A model United Nations was held in Tucson with seven Westwood students attending.

Student Council members were given the opportunity to attend workshops at ASU and in Colorado.

A ten-day Journalism workshop was held at NAU during the summer. Chorus workshops were held at NAU, BYU, and ASU.

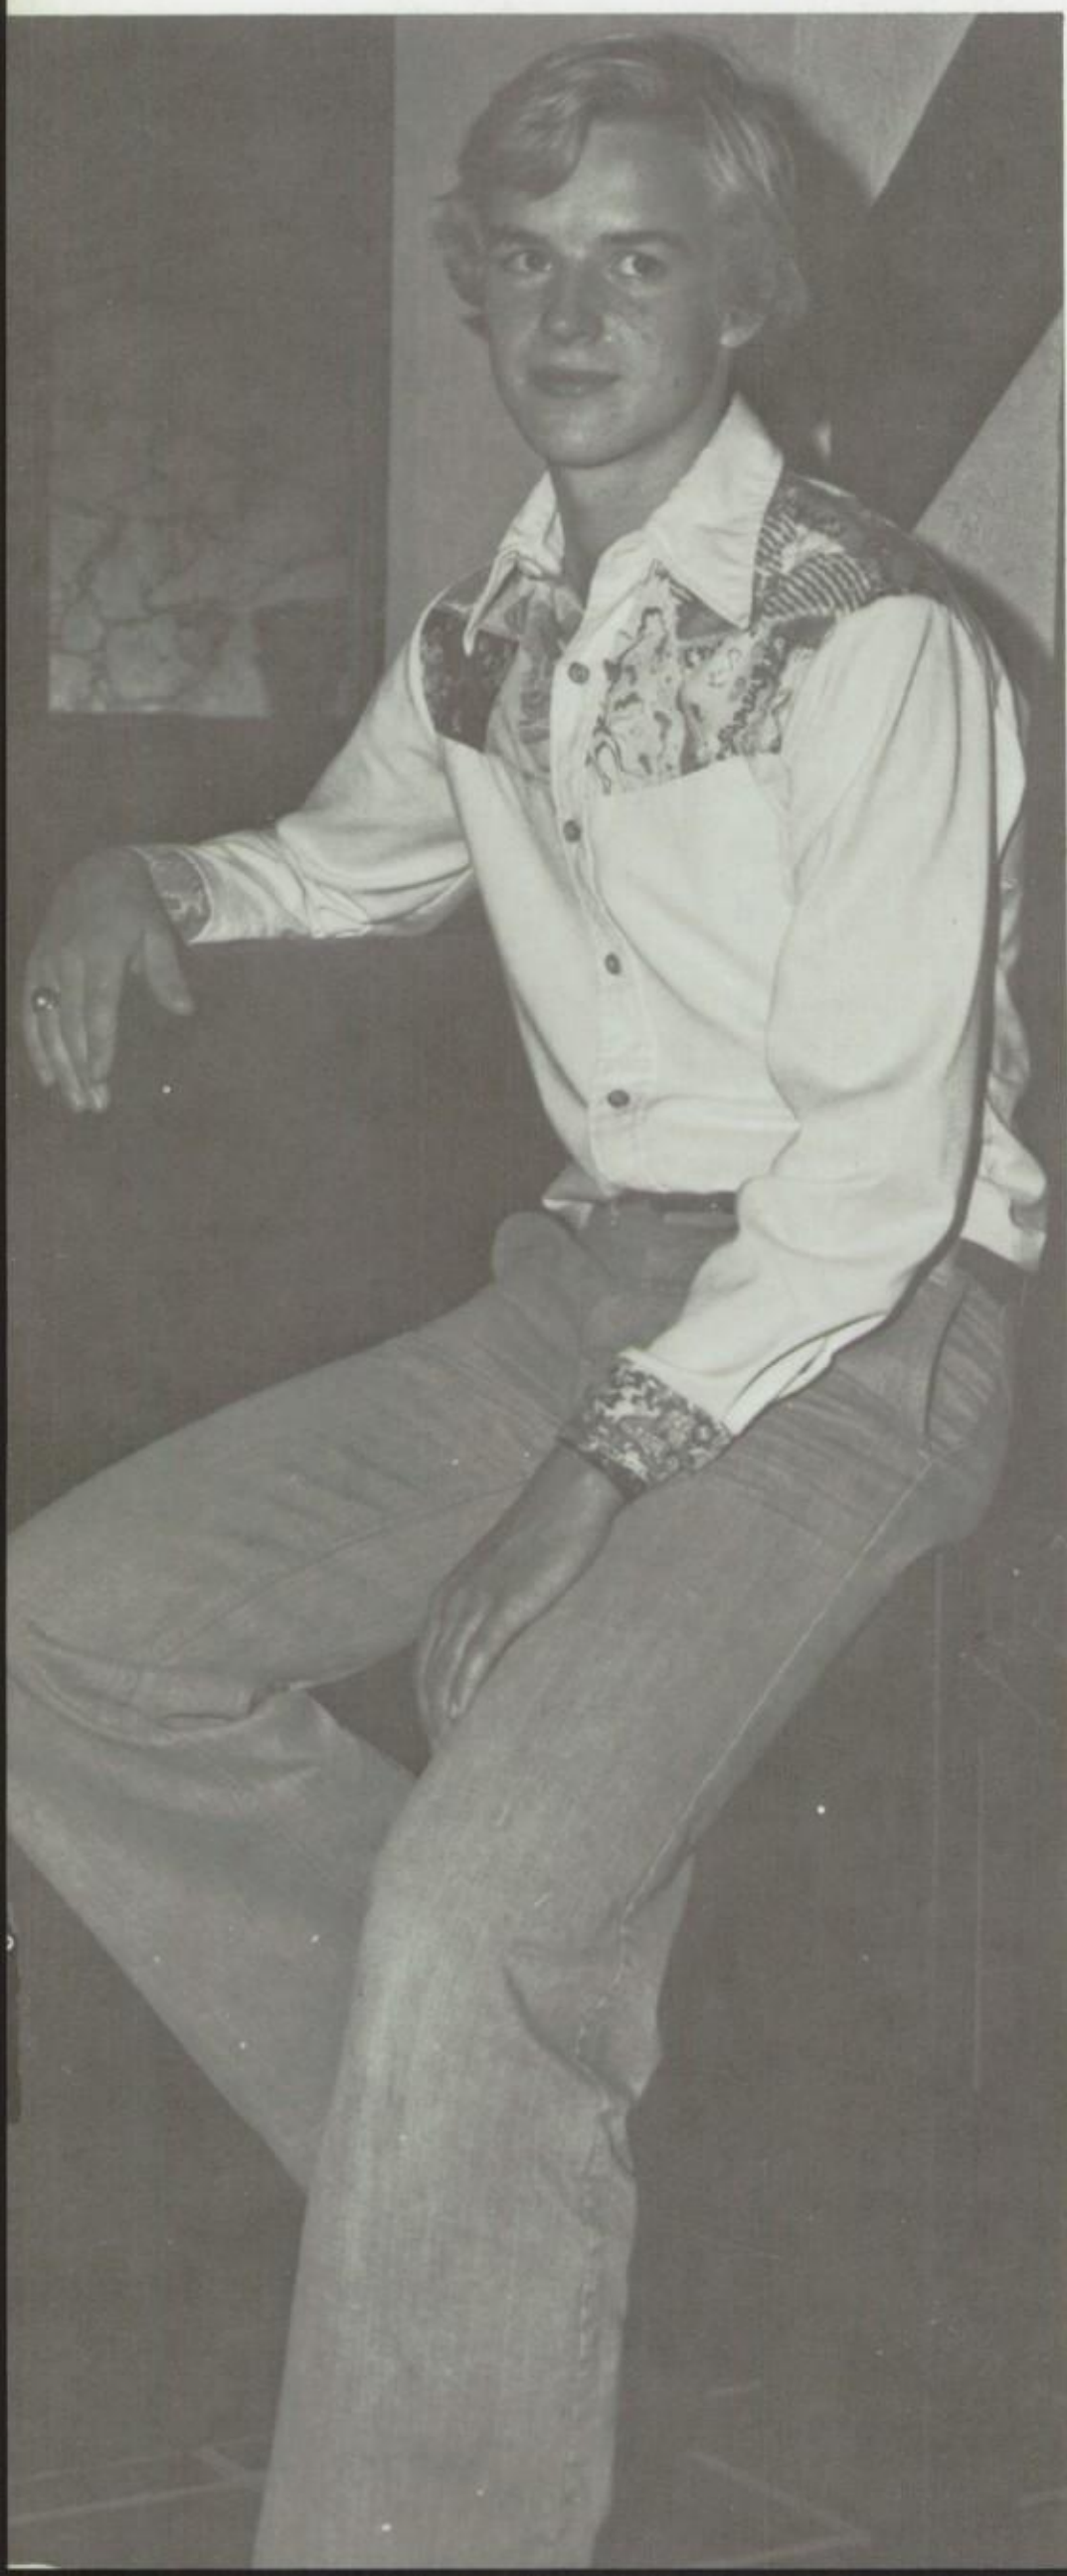

FINNISH, COLOMBIANS COME TO WESTWOOD

Build a bridge across the ocean? It may sound impossible, but that is exactly what American Field Service does each year. Known as A.F.S., the program enables students to see the world and share new experiences.

Westwood is lucky enough to have whole-hearted participation in the program. Every summer a carefully selected junior is sent abroad. In August a senior from another country arrives to spend the school year in Mesa.

This year Westwood hosted Pekka Tuovinen of Finland. In exchange, Westwood shipped Brenda Skalbeck overseas for the summer.

In addition to A.F.S., Westwood participated in an exchange program with Mesa's Sister city of Cartagena, Columbia. This year Shauna Allen and Judy VanLuchene traveled to Columbia, and Susie Millan and Sonia Bozzi made their homes in Mesa.

TOP 20, N.H.S., HORTICULTURE TEAM, OBTAIN HIGH HONORS

Once more the National Honor Society has proven that brains and talent are often combined in one person. Since every member of this group must have a grade point average of 1.5 or better, plus outstanding qualities in leadership, service, and character, it is a very prestigious club. Their year was highlighted by activities such as painting the press box, adopting a needy family for Christmas, and going on a hike through the rugged Arizona scenery.

The twenty graduating students with the highest grade point average were set apart as the Top 20 at Westwood. Often there was only one one-hundredth of a grade point separating these pupils. Grades from both junior high and high school were averaged into their final ranking.

Winning eighth in the nation, the F.F.A. Horticulture Team consisting of Brent Johnson, Elin Duckworth, Alan Sattler, and Jerald Taylor, made a fine showing for Westwood during their visit to Kansas City earlier in the year. They inspected plants from various sources and judged their quality.

FOUR GIRLS TAKE JUNIOR MISS TITLES; HONOR CHOIR ENTERTAINS MANY STATE WIDE

Once more Honor Choir has lived up to its reputation. This select group of top Westwood singers had fun performing at many functions such as various Civic Club meetings and the National Alcohol and Drugs Division. Their choreography and special accompaniment added a sparkle to the numerous performances which were enjoyed by many retirement groups. A main event of the year was a trip to the District Rotary Convention in Sierra Vista.

Four girls took awards in the 1975 Junior Miss pageant, with Westwood's Deena Riggs being crowned Mesa Junior Miss and Maryke Christensen named first runner-up. Cindy Benson received the physical fitness award, and Cindy Solomon earned the scholastic award. These girls were judged on talent, scholarship, poise, and appearance.

SCHOOL BOARD AND SUPERINTENDENTS JOIN FORCES TO BETTER DISTRICT'S SCHOOLS

The hottest news from the Main Administration this year was the "fair trial procedure." This guaranteed that all students threatened with serious punishment (such as suspension or withdrawal from school) would receive a hearing from the school board. The versions of the accused, teachers and parents were heard in the interest of justice.

Girls' sports received a break this year with the Administration allotting more money and better programs for them. 1975 was a promising glimmer of an even greater sports expansion planned for on coming years.

Another major event was the beginning of the third high school for Mesa, tentatively titled "Mountain View High School."

Further glad tidings were announced; the year's drop-out rate was the lowest at any time. Perhaps this contributed to the fact that Westwood said goodbye to a larger senior class than ever seen in past years.

PERSONNEL STRIVE TO AID STUDENTS

Old, new, athletic and fickle were the type of students our principals dealt with every day. Mr. Sturdevant coordinated the school alumni program while Mr. Casillas handled sports and sophies. Gracing school events with his smile and blue and orange suit was Mr. White. When streams of students wanted to change their classes, Mr. Charles denied requests with a fateful stroke of the pen, while there were others more fortunate.

The attendance department re-organized its system this year. No longer working alphabetically, the staff divided students by sophomore, junior and senior classes. This method was more efficient in taking care of the 250 excuses viewed each day.

Assisting the attendance ladies were security guards Big Al, George and Carla. Between them they managed to watch over 2,890 students.

The counseling program also switched to class division of the work load. Another new project of the department was a career course sponsored by the English classes.

PERFORMING ARTS DO THEIR THING WELL

This certainly was the Performing Arts year for showing combined effort to present the best.

Mrs. White and Mr. Slotterback directed their choruses measure by measure through the Rosarita Dinner, Canticle in Carols, Christmas Assembly, Colossal Classics, Regional and State competition and ended with a finale at ASU.

Jay Dean Jones and his Masque and Dagger troupe presented "The Many Loves of Dobie Gillis" in the Fall and brought down the house. "Arsenic and Old Lace" in the Spring dittoed the Fall Show. The Thespians turned professional for Santa and were paid to make children happy at local department stores during the holiday season.

Top-rated concerts, game performances, tours, and festivals made up just a part of the high-stepping band schedule. Mr. Lloyd received his icing on the cake when the Warrior Band performed at the Fiesta Bowl.

Once again the Performing Arts Department successfully put Westwood in the community spotlight.

ENGLISH; LEARNING TO SHARE EXPERIENCES

Many schools have geared their education towards the world outside high school. Our English Department also joined this bandwagon with a new class, Careers in English. This was added especially for those needing help in planning future endeavors.

To overcome the reading deficiency scores of students, Arizona passed a law requiring that graduates must read at least on the ninth grade level before diplomas can be given. To meet this, the Department opened up reading classes designed to remedy this serious problem.

For the first year, Sophomore English was included as a graduation requirement. This helped better students' grammar, punctuation, spelling and other principles of written communication.

Westwood's English Department has come a long way since the time when students didn't have much choice of courses. Approximately 50 different classes were offered in '75 that received English credits.

OPPOSITE PAGE: Choose a topic, combine it with music and any class will be enlivened. Tim Williams adds drums to his speech and captures the interest of his classmates. LEFT: Lana Ray shares the terrors of driving with her English class.

HELPING STUDENTS SUCCEED IS GOAL OF BUSINESS AND SCIENCE DEPARTMENTS

Science is the key to the world of tomorrow. Business is the means by which this can be brought to the service of mankind. At Westwood, we were lucky enough to have two fine departments dealing with these subjects.

This year Biology lost none of its appeal. All students (well, almost) enjoyed discovering their blood types and dissecting creatures. Chemistry had its share of eager scientists who were attracted to explosive labs rather than textbooks. Aviation Science and Physics were two other mind-boggling topics offered.

Interest in the Business Department expanded this

year. This was for good reason; the world that lies after graduation can be a little frightening.

More and more seniors enrolled in courses that were half class, half work. D.E.C.A., H.E.R.O. and others supplied on-the-job training and the added benefit of a weekly paycheck.

To get into the work programs, students must have taken one year of business education.

This could have been anything from Typing to Shorthand to Insurance Block. A kind of independent study was found in the Business and Clerical Cores.

EXPLORING THE WORLD OF GROWING THINGS

THE MEANING OF AGRICULTURE

If you dig plants, then perhaps Agriculture is for you.

Though far from the main-stream of campus life, Agriculture was still an active department. The year got off to a blooming start as the Horticulture classes planted zinnias, snapdragons and other flowers.

The Future Farmers of America were sponsored by the Department and organized many activities. A Christmas dance, a profitable wood-cut and more events were enjoyed by all who attended.

An optional course, Ag taught skills that will be useful for a lifetime.

GIRLS AS WELL AS BOYS DEVELOP THEIR SKILLS FOR FUTURE

The Industrial Arts and Auto Mechanics departments once again helped develop skillful handymen out of formerly helpless souls.

Students who sacrificed the time to take such classes learned the techniques of welding, woodworking, architectural drafting and other useful abilities which would be of value in their future lives. In the field of auto mechanics, the "car docs" learned to convert piles of scrap metallic rubbish into smooth running, gas-guzzling vehicles.

Some students chose the classes in hopes of making a career in that field. Others, however, took the courses merely because of a fascination for machinery or interest in woodwork and mechanical drawing.

Either way, the skills will no doubt serve them well in the future.

The Visual Arts department not only appealed to future Arizona artists, but to less gifted people as well. They found the course interesting, educational and most of all, fun.

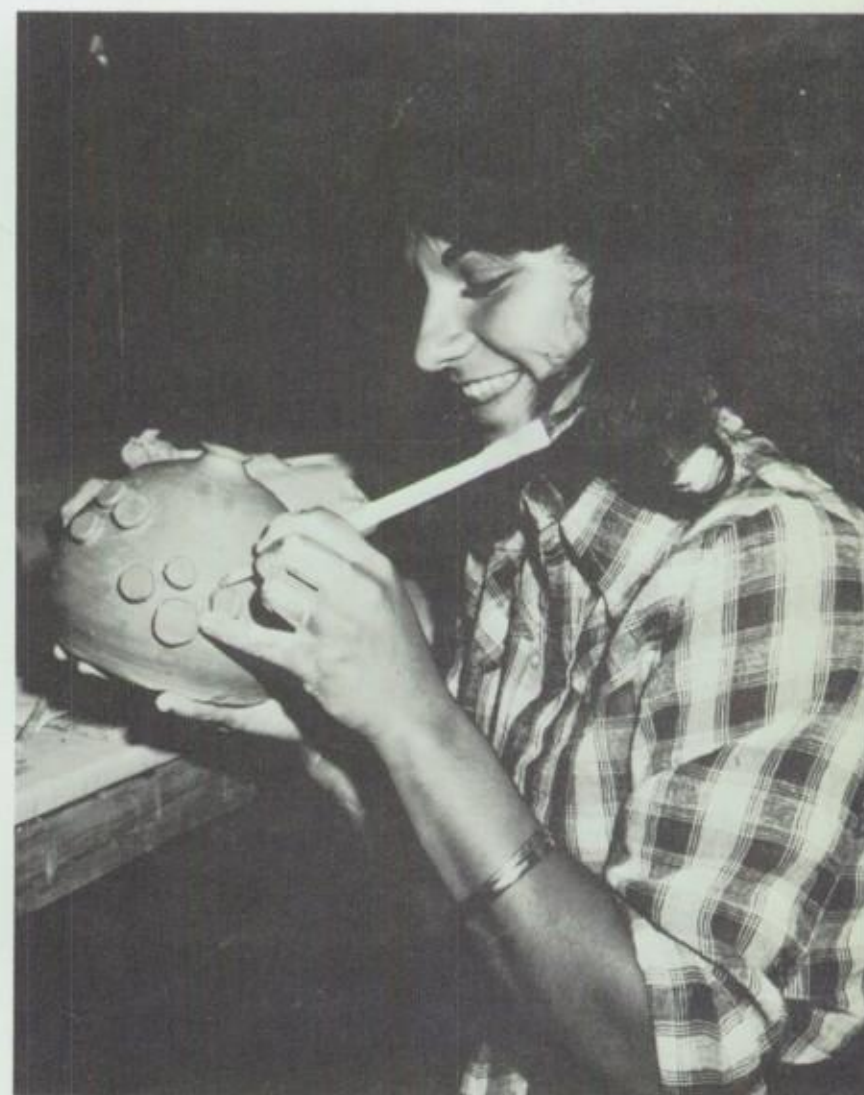

Using the tried-and-true idea of a required unit of basic design, the class members discovered an appreciation of art and found applications of it for everyday life.

Spring of 1975 was a busy time for the department. It participated in the Mesa Fun Arts Fair, held every year at Pioneer Park. An annual senior exhibit in the Visual Arts' patio helped determine who would receive art scholarships.

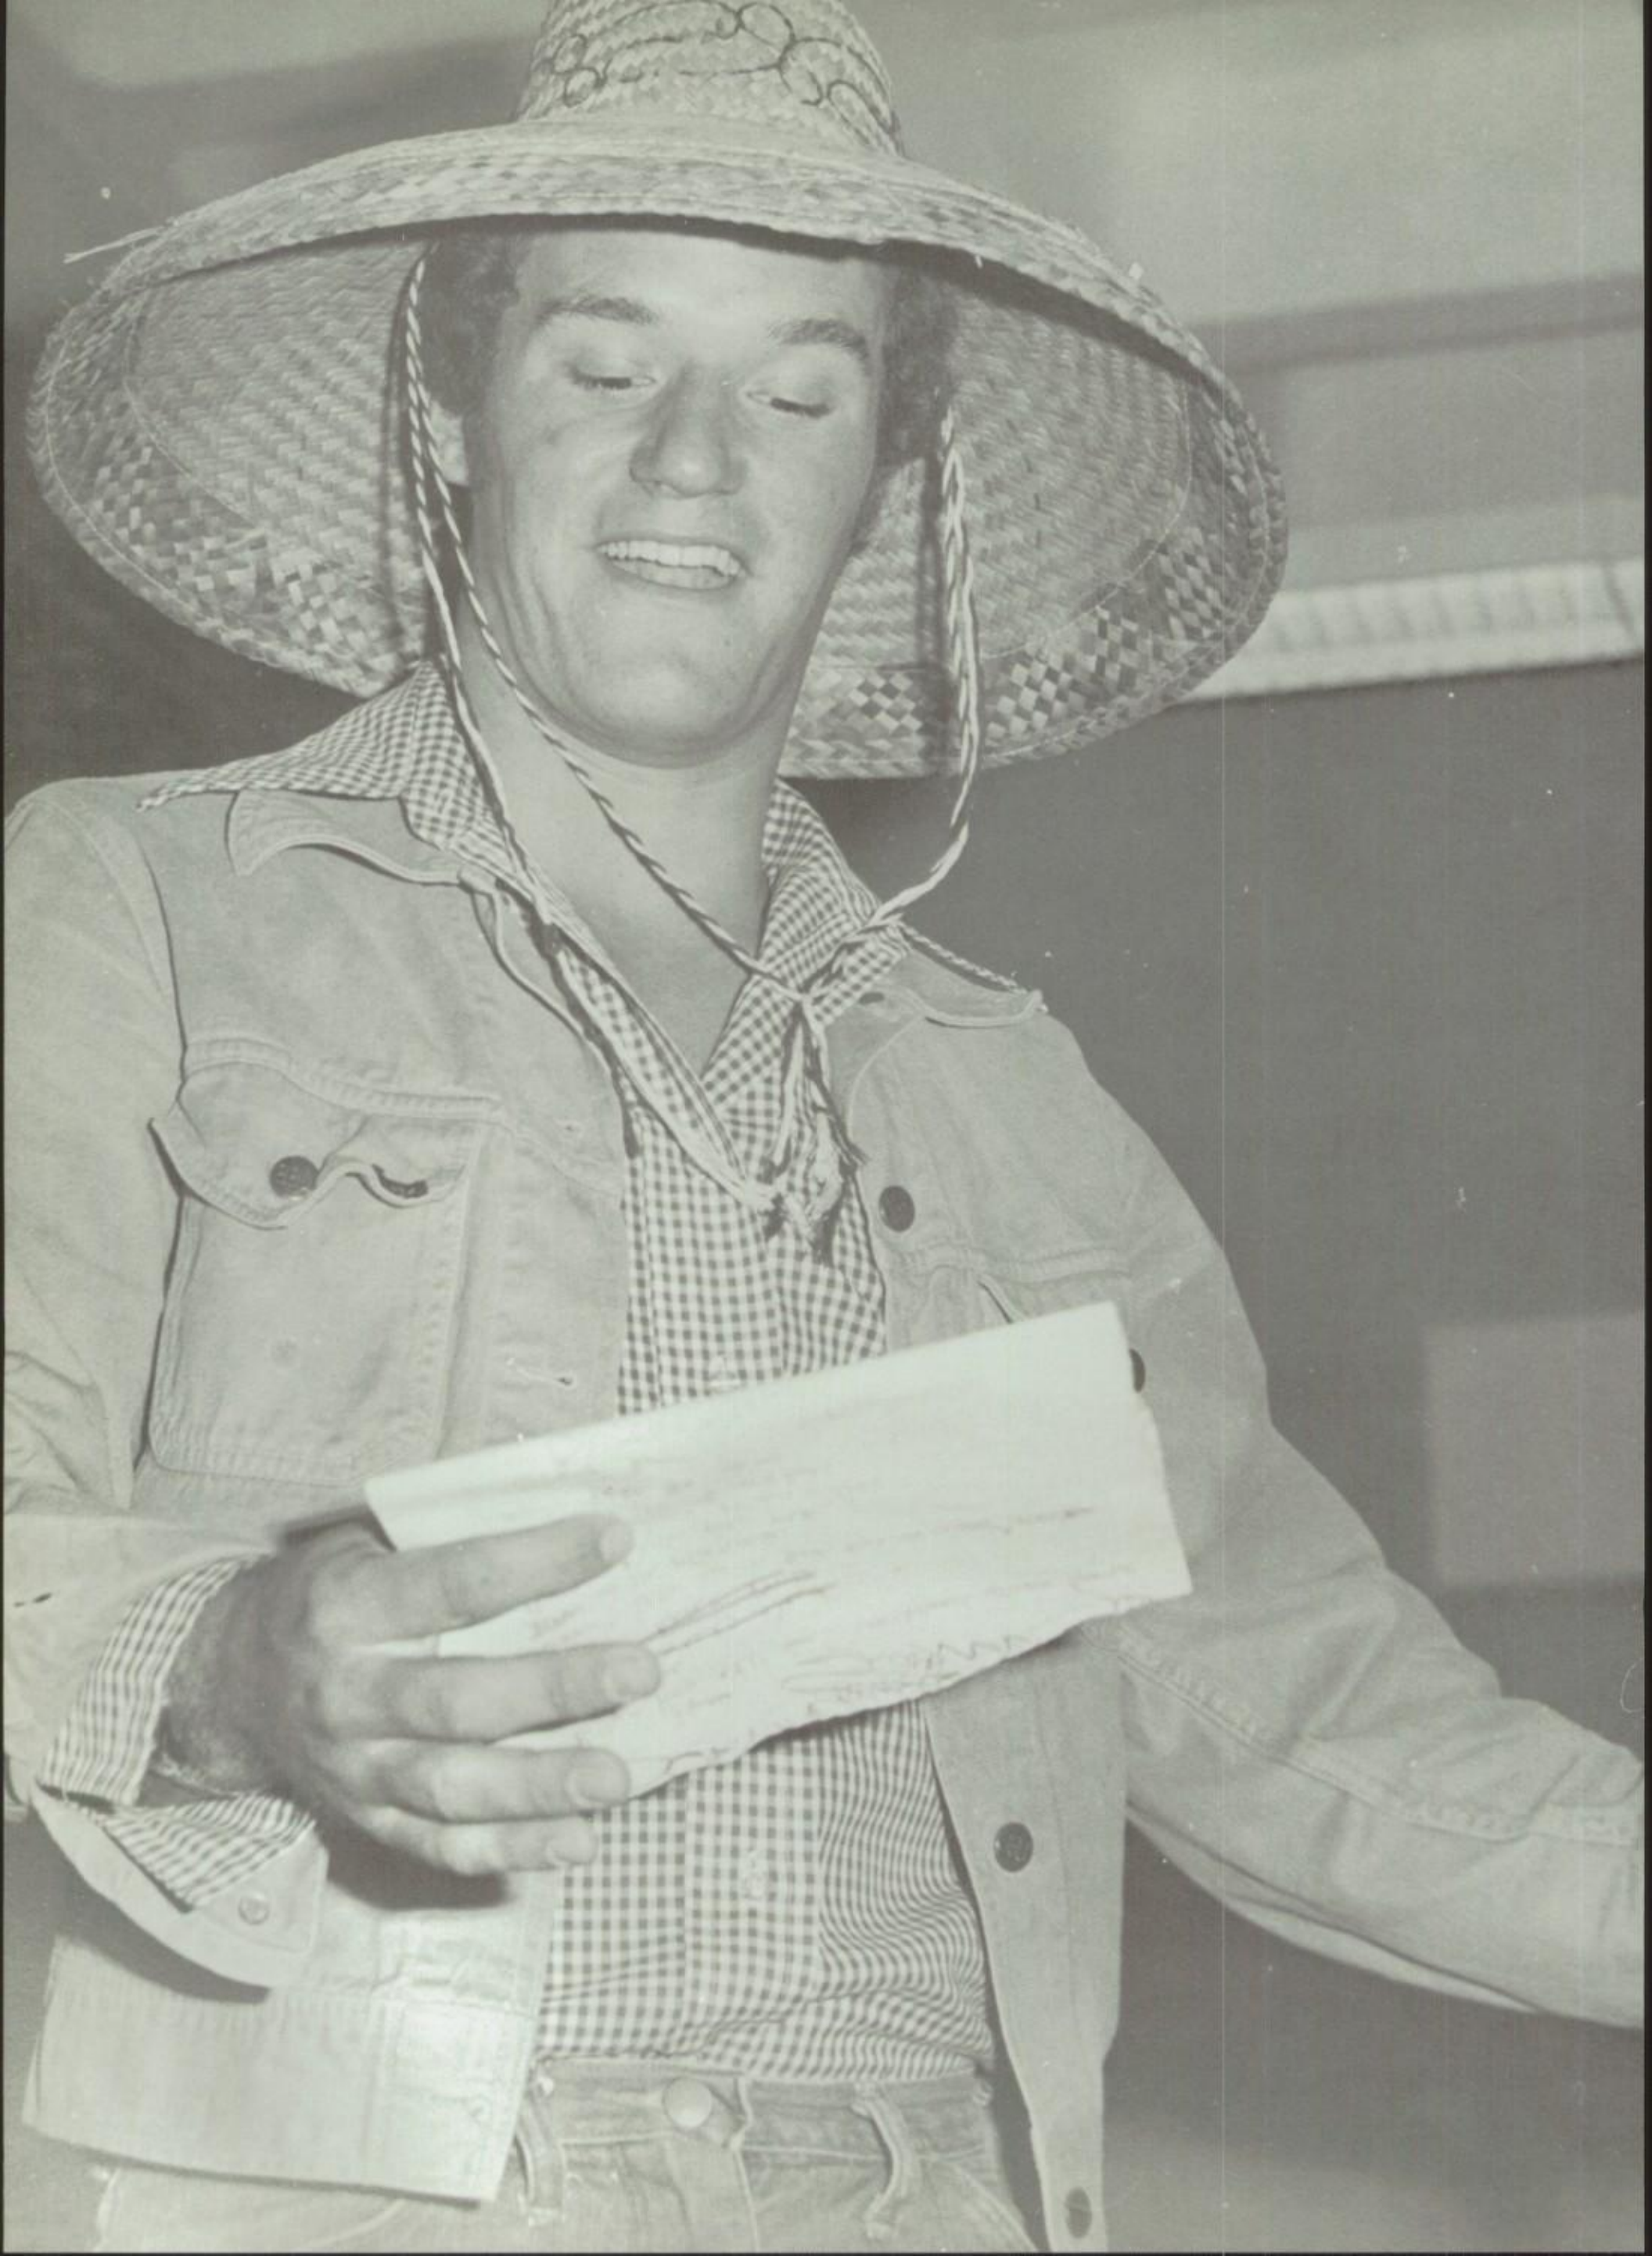

This was the second year Photography had its place in the curriculum. Students took their own pictures and developed skills in printing and processing them.

Best wishes and success

"PEOPLE" ARE TOPIC OF DEPARTMENTS

"Is married life all it's cracked-up to be?" "How are we different from people of other cultures?" These and related questions are important to many students.

To fulfill educational needs along these lines, the Social Studies Department offered two types of courses, optional and required. Home and Family, Sociology and Anthropology were a few classes that expanded for those interested in these fields. 1975 will long be remembered as the year Arizona History became a graduation requirement. This was added to the list including Free Enterprise, American Government and American History.

If it seemed that the Foreign Language clubs were the most active on campus, there was good reason for it. Scores of students had enough determination to tackle a new language and many joined a special interest club as well.

LEARN HOW TO CONQUER RISING INFLATION THROUGH HOME ECONOMICS AND MATH.

How to stretch soybeans and be creative about it was one of the objectives of the Home Economics Department this year. Due to the inflation facing students, the classes stressed saving money, besides the usual cooking and sewing arts.

Chef's Art, as always, was a tremendous success while the Intermediate Sewing classes strove for more creativity. An example of this was making their own patterns.

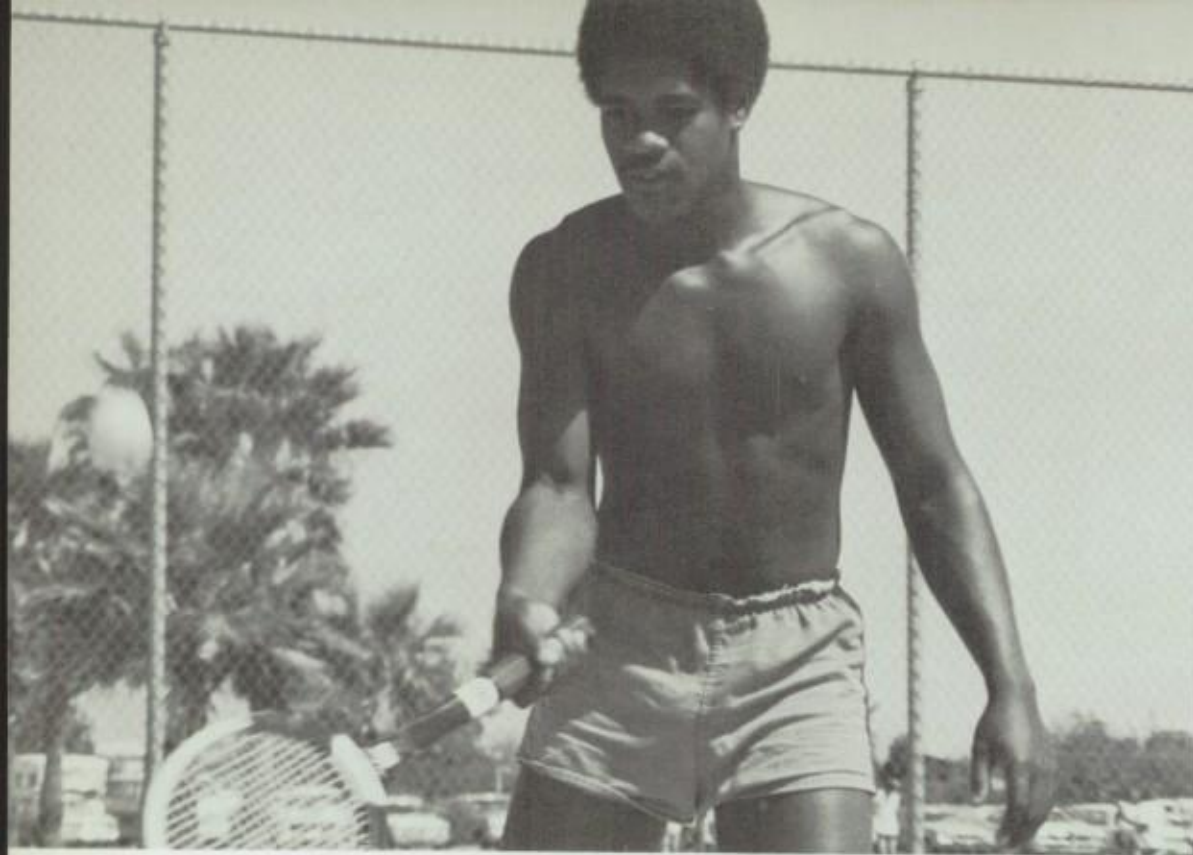

This past year, the Math Department extended its curriculum by adding a new computer class and two computers. These helped students calculate their spending money.

The Math and Home Ec Departments both aided teens in the battle against inflation.

P.E. PROGRAM ADDED NEW IDEAS, CLASSES; DRIVERS' ED. AFFECTED BY ENERGY CRUNCH

When the girls demanded more and varied courses, their Physical Education Department responded. By offering over twenty subjects, ranging from bowling to yoga, interest in the P.E. curriculum mushroomed. Another plus to the program was the creation of a mandatory, practical two-week course in self-defense.

The Boys' Department diminished the "professional outlook" sometimes found in high school P.E. classes. Due to this, more boys were able to relax and enjoy sports instead of worrying about performance.

The Drivers' Education Department did their part in battling the energy crisis. They used, as opposed to last year, new economy cars for on-the-road training. Students were also given the option of using cars with standard or automatic transmission.

SPECIAL SERVICES ARE AT IT ONCE AGAIN

Practically all of Westwood's students had occasion to use the library this year. The ever-helpful librarians added an estimated 1000 books and audio-visual materials to increase its pleasure and research potential.

Bookstore manager, Mr. Messali, and nurse, Mrs. Cramer, were appreciated by everyone with a problem. This year, as every year, they gave their all to our school.

Until Pig Sty High Week, our hard working custodians went unnoticed. But they did their part to keep America beautiful every day.

The cafeteria workers prepared 2300 meals daily for kids all over Mesa. Good and delicious, the lunches were still inexpensive.

INFLATION RUNS WILD IN '74-'75

Nixon resigns! Raul Castro elected first Mexican-American governor of Arizona. Sonny Bono solos on television and fails in fall season. Inflation continues to climb ... prices go up, up, up. Vice President Gerald Ford finishes out Mr. Nixon's term as United States President. String Bikinis attempt to hold in. Nixon is pardoned from Watergate by President Ford. Charles Lindbergh dies. Rockefeller chosen Vice president after long debate of Congress. Marijuana still not legalized. Another gold rush came about after it became legal to buy it. (Some people got gold plated lead bricks.) Evel Knievel finally got a chance to jump the Snake River but he never made it to the other side. President Ford's amnesty program fails. Fanne Fox displayed too much of her first name. Wilbur Mills goes into the hospital to cure a common sickness ... alcoholism. Gasoline prices stabilize at 50 to 60 cents. Unemployment highest since World War II. Dieters are helped by the sugar shortage. Ford announces new tax program that is supposed to put money into the pockets of the poor. Patty Hearst still missing. Car manufacturers gave cash rebates to new car purchasers. Mormon Temple opens to the public. Catfish Hunter signs with the Yankees. Rhoda got married! Mohammed Ali takes heavy weight boxing crown. Public display of birthday suits gets a new name—Streaking! Auto deaths plunge to a record low. The Colonel's finger-lickin' good chicken goes twangy with the new barbecue flavor. Hank Aaron tops Babe Ruth's home run record. BYU loses to Oklahoma State. Prices still going sky high. Oakland A's win World Baseball Championships. And last but not least, Westwood finishes out another great year!

Love and appreciation to Mr. Donovan,
Peggy, Cynthia and our beautiful friends
for all their help in more ways than one.
peace—

DESIDERATA

Go placidly amid the noise and the haste,
and remember what peace there may be in silence.
As far as possible without surrender,
be on good terms with all persons.
Speak your truth quietly and clearly; and listen
to others, even the dull and ignorant;
they too have their story.
Avoid loud and aggressive persons,
they are vexations to the spirit.
If you compare yourself with others, you may become
vain and bitter; for always there will be greater
and lesser persons than yourself.
Enjoy your achievements as well as your plans.
Keep interested in your own career, however humble;
it is a real possession in the changing fortunes of time.
Exercise caution in your business affairs;
for the world is full of trickery.
But let not this blind you to what virtue there is;
many persons strive for high ideals;
and everywhere life is full of heroism.
Be yourself. Especially, do not feign affection.
Neither be cynical about love;
for in the face of all aridity and disenchantment
it is as perennial as the grass.
Take kindly the counsel of the years,
gracefully surrendering the things of youth.
Nuture strength of spirit to shield you in sudden misfortune.
But do not distress yourself with imaginings.
Many fears are born of fatigue and loneliness.
Beyond a wholesome discipline, be gentle with yourself.
You are a child of the universe, no less than the trees
and the stars; you have a right to be here.
And whether or not it is clear to you,
no doubt the universe is unfolding like it should.
Therefore be at peace with God,
whatever you conceive Him to be.
And whatever your labors and aspirations,
in the noisy confusion of life keep peace with your soul.
With all its sham, drudgery and broken dreams,
it is still a beautiful world.
Be cheerful. Strive to be happy.
